

**Justification for Non-Substantive Change
Change in Coverage Date on DS-4316
OMB Control No. 1405-0250**

Justification: Section 5604 of the FY 2026 National Defense Authorization Act (P.L. 119-60), made the following change in the coverage for the HAVANA Act of 2021: striking “January 1, 2016” and replacing it with “September 11, 2001”, wherever it appears.

Accordingly, the Department requests that its DS-4316, Eligibility Questionnaire for HAVANA Act Payments, be revised as follows:

By changing Question 4, from “Did the injury occur on or after January 1, 2016?” to “Did the injury occur on or after September 11, 2001?”
