GENERAL INFORMATION AND INSTRUCTIONS

Preparation and Use

This report is used to identify certain national bank operating subsidiaries (OS) that are subject to OCC supervisory authority. This report identifies a bank's operating subsidiaries that do business directly with consumers in the United States and are not functionally regulated as defined in section 5(c)(5) of the Bank Holding Company Act of 1956, as amended (12 USC 1844(c)(5)). Specifically, an OS does business directly with consumers if it provides products or services to individuals to be used primarily for personal, family, or household purposes.

National banks that have OS covered by the annual reporting requirements can find additional information at 69 FR 64478 (November 5, 2004) and 12 CFR 5.34(e)(6).

All items must be answered with complete and accurate information that is subject to verification. If the answer is none or not applicable, so state. The OCC encourages national banks to use [BankNet](#) to submit this report using the BankNet secure mailbox. BankNet access is a free service for national banks and may be obtained by going to the BankNet site, www.banknet.gov, and selecting the item with the instructions, "If you are an OCC chartered bank and wish TO APPLY." The OCC provides a sample report document on BankNet and its public Web site (refer to the *Comptroller's Licensing Manual*, Investment in Subsidiaries and Equities booklet, Application Documents page, <http://www.occ.gov/corpapps/forms.htm#Investment>).
