

BOM-D - UNIFIED (ALL REGIONS) - BMAP Outreach Mobile Data Form - FY 24

Capture each outreach visit on your smartphone / laptop. Data will be automatically exported and saved to the BMAP team and imported into the CODA database.

After downloading the data output spreadsheet for this BOM-D from the IOD Data Drop Sharepoint, you can sort / filter the data at the top of the screen under the REGION tab, to obtain the data for your specific region / AOR. This output sheet will be updated by the 30th of each month.

If you are late entering outreach from FY 23, please send the data to the BMAP team (bmap@cisa.dhs.gov) in a standalone spreadsheet / email. If you try to enter FY 23 data into this UNIFIED form, you will cause significant delays in reporting accurate outreach from your region.
