For now my girls and I are at the

Bybee Lake Hope Center
14355 N Bybee Lake Ct,
Portland, OR 97203

We just got here, I'm not sure how long we may be here. I'm trying to fast track into a housing program thru the multnomah County family shelter system.

So referring to Sara k Holts email

Which she describes the BA as diligence. I would describe as incompetence as she's calling Robert D Smith Robert Boyd or Mr Boyd... She has not asked for the S. P d's she has not asked for any of the mandated documents as deemed by E. R I s a she's giving them their own narrative that spouses are the only ones to receive a pension. She's not referencing the member number provided. I gave her all of the documents that call me beneficiary. She says i've not supplied anything. She's not asking why took him five years for me to find by myself. The attorney is describing my dad as a Portland native. My dad moved to Alaska in 1966. Because his father was a flight surgeon station out of elmondorf, they bought a house in 1972. My grandmother still owns a house and lives there. I was born in Alaska. My dad's career started with the induction. Date 10.04.1974

There's no email to correct their incompetency. Yet they describe me as incompetent. They describe me as argumentative nonsensical, because I don't agree with the narrative that's false that they're subscribed to, because it's my dad in my life is a product of his labor.

Not reached out to alexis hilderind regarding my dad's injuries workman's compensation and. Then, just as of march, there's a floor policy that he's still not we recorded as deceased. Because my original social security number is what's on his death certificate. So it's either wilful compliance or outright. Incompetence, or this is another node of the d o l that's part of the problem.
