Government	Government	Comment	Category	Restrict	Re Restrict	Reason	Why	Content	File	Attachments	Display	Print
		As a Registered Nurse working in a unit that routinely conducts newborn screening						pageCount				
		If people want to opt-in to things like this, fine. If not, you are crossing a line into						pageCount				
		Every child is beautifully and wonderfully made!						pageCount				
		These screenings must be opt-in with full disclosure. They must be turned around						pageCount				
		I am strongly opposed to the current newborn screening procedures, but I am not						pageCount				
		There is no reason to take a baby's DNA. What happened to privacy rights!!						pageCount				
		I'm writing in opposition of collecting and testing newborn DNA as part of an						pageCount				
		This generalized harvesting of DNA info is unnecessary and should not be permitted						pageCount				
		We do not consent to this blatant violation of biological privacy.						pageCount				
		Our children's DNA is *NOT* your property, it is *NOT* free domain, it is *NOT* your						pageCount				
		In re:						pageCount				
		we do not want the federal government taking our babies' DNA without parental						pageCount				
		Do not collect newborn babies' DNA without parental consent!						pageCount				
		"Newborn screening" for "possible genetic risks" in order to take DNA from babies						pageCount				
		Keep your paws off of our children, the future of our country. Let THE PARENTS						pageCount				
		The CDC should not be allowed to take our babies' dna without explicit parental						pageCount				
		This screening has the potential to become a DNA surveillance practice. This is						pageCount				
		The federal government should not obtain babies' DNA without parental consent						pageCount				
		ED3N sets						pageCount				
		A baby's DNA is not a government's prerogative! No newborn DNA testing!						pageCount				
		The federal government should not be able to take our babies' DNA without						pageCount				
		I do not consent to the government taking my baby's DNA						pageCount				
		Do NOT collect newborns' DNA without parental consent.						pageCount				
		Do not take our babies' DNA without parental consent.						pageCount				
		Tracking DNA in newborns is a violation of right to privacy.						pageCount				
		We don't want the Fed Gov't taking the DNA of our babies without the parent's						pageCount				
		I oppose "Whole Genome Sequencing" DNA capture or surveillance during newborn						pageCount				
		Stop screening or making choices for us and our children. It's not your responsibility						pageCount				
		TO: CDC. To whom it may concern: Babies are not property that you can claim						pageCount				
		The CDC has no business collecting the DNA of newborns. Your efforts need to						pageCount				
		No registering of DNA for anything above!						pageCount				
		Stop the plan! NOW!						pageCount				
		we do not want the federal government taking our babies' DNA without parental						pageCount				
		Hands Off						pageCount				
		The CDC's ED3N project could turn routine newborn screening into nationwide						pageCount				
		The federal government should never take a baby's DNA without parental consent						pageCount				
		Stop the						pageCount				
		I vehemently oppose the CDC's ED3N plan, as it's a slippery slope and a violation						pageCount				
		Good morning. I am writing to you today concerning this newborn screening and						pageCount				
		I strongly oppose any measure to allow newborn DNA to be taken from a baby						pageCount				
		Do not support the CDC's ED3N plan!! This is an invasion of privacy and against						pageCount				
		I just						pageCount				
		I do not want the federal government taking our babies' DNA without parental						pageCount				

The pageCount
hands off pageCount
DNA surveillance is unconstitutional and Orwellian. pageCount
Hands off no DNA pageCount
Informed pageCount
Stop the mining of people. Government is supposed to serve the people, not tui pageCount
More pageCount
The harvesting of our newborn babies DNA without parental awareness or infor pageCount
Prioritize privacy over data. Whole Genome Sequencing must be opt-in only, wi pageCount
We do not pageCount
I want you to know that I strongly disagree with the ED3N plan and platform. The pageCount
We do NOT need DNA screening! This is no one's business! NO! pageCount
ED3N sets pageCount
The government should have no power in health care at all. Health is always a p pageCount
This regulation must not pass! pageCount
Leave medical screenings up to the parents' discretion. The government has nc pageCount
we do not want the federal government taking our babiesâ€™ DNA without pare pageCount
