Comment 1

I recommend only law enforcement or LE trainees be allowed on patrols. Bring your daughter to work day should not exist in LE.

Response

The Department agrees that placing immediate family members in a law enforcement ride-along situation would not be prudent. Therefore, under FSM 5358.11b-1,g,(3), The immediate family members, or a person they are intimately involved with, may not ride with a law enforcement officer or agent who is a member of their family.
