

## Coral Reef At Sea Notifications

---

⦿ **§ 665.126 Notifications.**

Any special permit holder subject to the requirements of this subpart must contact the appropriate NMFS enforcement agent in American Samoa, Guam, or Hawaii at least 24 hours before landing any American Samoa coral reef ECS harvested under a special permit and report the port and the approximate date and time at which the catch will be landed.

*[84 FR 2770, Feb. 8, 2019]*

⦿ **§ 665.226 Notifications.**

Any special permit holder subject to the requirements of this subpart must contact the appropriate NMFS enforcement agent in American Samoa, Guam, or Hawaii at least 24 hours before landing any Hawaii coral reef ECS harvested under a special permit, and report the port and the approximate date and time at which the catch will be landed.

*[84 FR 2773, Feb. 8, 2019]*

⦿ **§ 665.426 Notifications.**

Any special permit holder subject to the requirements of this subpart must contact the appropriate NMFS enforcement agent in American Samoa, Guam, or Hawaii at least 24 hours before landing any Mariana coral reef ECS harvested under a special permit, and report the port and the approximate date and time at which the catch will be landed.

*[84 FR 2775, Feb. 8, 2019]*

---

⦿ **§ 665.626 Notifications.**

Any special permit holder subject to the requirements of this subpart must contact the appropriate NMFS enforcement agent in American Samoa, Guam, or Hawaii at least 24 hours before landing any PRIA coral reef ecosystem MUS unit species harvested under a special permit, and report the port and the approximate date and time at which the catch will be landed.

---

We estimate that completing the coral reef at sea notifications will take 3 minutes on average. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to NOAA, Nate Chan, [Nathan.chan@noaa.gov](mailto:Nathan.chan@noaa.gov). This collection has been approved by the Office of Management and Budget (OMB). The eight-digit OMB approval number that appears at the upper left of the form confirms this approval. If this number were not displayed, we could not conduct this information collection.

**OMB Control Number: 0648-0214**

**Expiration Date: 5/31/26**
