

NREVSS

National Respiratory and Enteric Virus Surveillance System

2025-2026 Antigen Detection Worksheet

U.S. DEPARTMENT OF HEALTH & HUMAN SERVICES · Public Health Service

Public reporting burden of this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS H24-9, Atlanta, Georgia 30333; ATTN: PRA (0920-0004).
