

OMB # 0925-0764

Expiration Date: 07/31/2027

INTRODUCTION TO THE PRINCIPLES AND PRACTICE OF CLINICAL RESEARCH
FINAL COURSE EVALUATION FORM (online)

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0764). Do not return the completed form to this address.

Please rate the following statements. As a result of my participation in this course, I now understand:

1. The principles, the legal issues, and the regulations involved in human subjects research, including the role of IRBs in clinical research.
 - a. Completely
 - b. Considerably
 - c. Moderately
 - d. Very little
 - e. None or not at all

2. The basic statistical and epidemiological methods involved in clinical research.
 - a. Completely
 - b. Considerably
 - c. Moderately
 - d. Very little
 - e. None or not at all

3. The infrastructure required in developing and performing clinical research.
 - a. Completely
 - b. Considerably
 - c. Moderately
 - d. Very little
 - e. None or not at all

4. The principles and methods involving data management.
 - a. Completely
 - b. Considerably
 - c. Moderately
 - d. Very little
 - e. None or not at all

5. The principles and methods for monitoring and auditing patient-oriented research.
 - a. Completely
 - b. Considerably
 - c. Moderately
 - d. Very little
 - e. None or not at all

Please rate the following statements based on your overall experience with the course:

6. The course was well organized.
 - a. Completely
 - b. Considerably
 - c. Moderately

- d. Minimally
 - e. None or not at all
7. The overall quality of the faculty was an asset to the program.
- a. Completely
 - b. Considerably
 - c. Moderately
 - d. Minimally
 - e. None or not at all
8. Participation in this activity enhanced my professional/academic goals.
- a. Completely
 - b. Considerably
 - c. Moderately
 - d. Minimally
 - e. None or not at all
9. The final exam was fair and representative of the course material presented.
- a. Completely
 - b. Considerably
 - c. Moderately
 - d. Minimally
 - e. None or not at all
 - f. I have not taken the exam yet.
10. The technical level of the course was:
- a. Appropriate
 - b. Too high
 - c. Too low

11. Did you perceive any commercial bias?

- a. No
- b. Yes

12. The course website was easy to navigate.

- a. Completely
- b. Considerably
- c. Moderately
- d. Minimally
- e. None or not at all

13. Optional: Which aspects of the course were most helpful in learning the material (50 words maximum)?

14. Optional: Which aspects of the course need improvement (50 words maximum)?
