Collection and Use of Personal Information

Section 202 of the Social Security Act, as amended, allows us to collect this information, which we will use to determine whether you meet the statutory “child-in-care” requirement for benefits. Providing the information is voluntary, but not providing all or part of the information may prevent us from making an accurate and timely decision on your claim. As law permits, we may use and share the information you submit, including with other Federal agencies, contractors, and others, as outlined in the routine uses within System of Records Notice 60-0089, available at www.ssa.gov/privacy. The information you submit may also be used in computer matching programs for Federal benefits eligibility or to recoup debts under these programs.
