

Addendum to the Supporting Statement for Form SSA-131
Employer Report of Special Wage Payments
20 CFR 404.428-404.429
OMB No. 0960-0565

Terms of Clearance

OMB placed the following Terms of Clearance on this Information Collection when they last approved it on 4/18/23:

The agency modified its description of the information collection, including the discussion regarding submitting electronically. It also revised the burden estimate.

SSA Response:

We have made no changes to the form since we implemented the revisions OMB last approved. While we had discussed submitting the form electronically, that is still something we are working towards now. We discuss electronic submission in #3 of the Supporting Statement. At this time, approximately 77% of respondents use Business Services Online (BSO) to submit the form to SSA electronically. We are also reviewing other platforms, such as Upload Documents (OMB No. 0960-0830) for electronic submission in the future.
