**RE: Proposed Information Collection Activity; Central Authority Payment Service (New Collection)**

To Whom It May Concern:

The Minnesota Child Support Division submits these comments pursuant to “Proposed Information Collection Activity; Central Authority Payment Service (New Collection)” published Sept. 22, 2025, under Docket No. ACF-2025-45385.

The Minnesota Child Support Division utilizes the Central Authority Payment Service (CAP) to transmit funds collected for international cases. The program finds CAP to be a positive and efficient tool. The Minnesota program staff that completed the CAP Service State Contact Form found the form easy to use and submit and found the burden estimates outlined in the Sept. 22 publication in line with their experience.

Thank you for this opportunity to comment.

Sincerely,
