General Comment

Please do your best to protect the Bald Eagles and the Golden Eagles from destruction. Please protect these wonderful animals. They need high-level protections as do all animals. Couldn't Native Americans use the feathers that they have already taken from birds to use in these religious ceremonies of theirs, instead of getting new ones? Please protect all these Eagles from harassment and from getting killed. People don't need to kill and/or harass these animals. The Eagles deserve protection and to live in peace. Please protect these animals.
