Trump Accounts

The Working Families Tax Cuts allows parents, guardians and other authorized individuals to establish a new type of individual retirement account for their children, called Trump Accounts. The account is for a child who has not turned 18 before the end of the calendar year in which the election is made and has a valid Social Security number.

The account features a pilot program contribution of \$1,000 for children born between Jan. 1, 2025, and Dec. 31, 2028, and who are U.S. citizens with a valid Social Security number.

Unable to process one or more elections

View your [notices and letters](#) for further explanation on why your child's election to open a Trump Account or receive a \$1,000 contribution payment (or both) couldn't be processed. Elections may be unable to process for various reasons, including missing/illegible information, information provided does not match records on file, or child is ineligible. Your notice will provide the specific reason and next steps.

The Treasury Department, or its agent, will send you information on how to activate your child's account. The activation of the account will require an authentication process, after which contributions may be deposited into the account. The Treasury Department, or its agent, will send this information starting in May 2026. Visit trumpaccounts.gov for more information on the account activation process.
