

Subject Line: Complete your National Survey of TRIO Grantees and receive a \$50 electronic gift card!

Dear <FIRSTNAME> <LASTNAME>,

We haven't received your response to the National Survey of TRIO Grantees yet, but there's still time to participate! The survey should take an average of 70 minutes to complete. To thank you for your time you will receive a **\$50 electronic gift card** when you complete the survey.

You will need to reference your TRIO budget for the grant year 2024-2025 to answer some of the questions. It may also be helpful to consult with others within your program if there are questions you are not able to answer. If you'd like to see the questions in advance, you may view a PDF version of the survey here: [LINK TO PDF VERSION OF SURVEY].

To participate, click on your unique link: [PERSONALIZED LINK]

If you need to stop the survey and finish at a different time, you can click on the same link above, or type the survey URL into your browser and enter your PIN:

PIN: [PIN]

Directors of multiple TRIO programs will receive a separate survey link for each. When using this link, please ensure your responses apply only to your [PROGRAM_NAME] program.

Although taking part is voluntary, your answers are essential to our understanding of differences in services, costs, and participation among TRIO grantees. We will keep your responses confidential, and they will not impact your TRIO program funding nor be reviewed for compliance purposes. Your feedback will be combined with responses from other TRIO grantees in reports and data products shared at the conclusion of the study. The results of this descriptive study will also provide you and other TRIO programs with insights about services and programming that are not currently captured by any other required reporting.

If you are having trouble accessing the online survey, contact the project team by submitting a technical support form here [LINK TO AIRTABLE FORM].

We look forward to hearing from you!
