U.S. Energy Information Administration

FORM EIA-930

HOURLY AND DAILY BALANCING AUTHORITY OPERATIONS REPORT

OMB No. 1905-0129

Approval Expires: xx/xx/xxxx

Burden Hours: 80 per year

NOTICE: This report is mandatory under the Federal Energy Administration Act of 1974 (Public Law 93-275). Failure to comply may result in criminal fines, civil penalties and other sanctions as provided by law. For further information concerning sanctions and data protections, see the provisions on sanctions and the provisions concerning the confidentiality of information in the instructions. **Title 18 U.S.C. 1001 makes it a criminal offense for any person knowingly and willingly to make to any Agency or Department of the United States any false, fictitious, or fraudulent statements as to any matter within its jurisdiction.** In the case of the EIA-930, EIA will not pursue sanctions if mechanical failure or other factors beyond the control of the respondent cause a failure to report.

Entity Name:

eTag ID:

NERC Compliance Registry (NCR) ID #:

Information submissions required by this survey consist of two elements:

1. The Identification and Data Access Method specified below. The Identification and Data Access Method is to be submitted (a) annually at least by the first business day after January 1, and (b) at least seven business days prior to any change in the Identification and Data Access Method. The Identification and data Access Method is to be filed electronically as described in the Instructions.
2. Hourly Balancing Authority Operating Data, to be posted on a website hourly and daily as described in the Instructions.

For information on which entities are required to file the Form EIA-930 survey, see the Instructions.

Check here if this is an annual filing:

If checked, provide the reporting year:

Check here if this is an as needed filing:

If checked, provide the effective date of the changes to the information on this form (MM/DD/YYYY):

Entity and Preparer Information

What is the legal name of the entity that this form is being prepared for?

What is the current physical address for this entity's principal business office?

What is the preparer's legal name?

(Enter the legal name of the company which prepares this form, if different from the entity's legal name)

What is the preparer's current physical address?

Data Access Method

Provide a description of how data for Form EIA-930 is submitted each hour and each day. Examples include submission to EIA via an automated business-to-business data transfer or web services technology or data being posted to a respondent-specified internet website that may or may not require access with a user name and password. When applicable provide the internet address where your same-day and next day data posts are located

Directly Interconnected Balancing Authorities

Below is a list of the eTag ID and NERC Compliance Registry ID # and name of balancing authorities to which your balancing authority is directly interconnected:

eTag ID

NCR #

Name

Add Interconnected Balancing Authority: Check if you are adding a new interconnected balancing authority:

If checked, provide the eTag ID and NERC Compliance Registry ID # and Name of the balancing Authority.

eTag ID

NCR #

Name

Remove Balancing Authority: Check if you are deleting a BA with which you are no longer interconnected:

If checked, provide the eTag ID and NERC Compliance Registry ID # and Name of the balancing Authority.

eTag ID

NCR #

Name

Change in Balancing Authority Identification: Check if you are changing the eTag ID or name of an interconnected BA:

If checked, provide the eTag ID and NERC Compliance Registry ID # and Name of the balancing Authority.
