## Warning

This is a Federal computer system and is the property of the United States Government. It is for authorized use only. Users (authorized or unauthorized) have no explicit or implicit expectation of privacy. Any or all uses of this system and all files on this system may be intercepted, monitored, recorded, copied, audited, inspected, and disclosed to authorized site, Department of Energy, and law enforcement personnel, as well as authorized officials of other agencies, both domestic and foreign.

The unauthorized disclosure, unauthorized retention, or negligent handling of any DOE information could cause damage or irreparable injury to the United States or could be used to advantage by a foreign nation.

All DOE and classified, sensitive, and propriety information is and will remain the property of, or under the control of the United States Government.

By continuing to use this system, the user consents to such interception, monitoring, recording, copying, auditing, inspection, and disclosure at the discretion of authorized site or Department of Energy personnel.

By continuing to use this system, the user agrees to not divulge any sensitive or propriety information and to comply with laws and regulations that prohibit the unauthorized disclosure of classified, sensitive or propriety information.

By continuing to use this system, the user agrees that DOE materials shall not be downloaded, printed, forwarded or otherwise transferred to either personal possession or other Non-DOE possession. The user also agrees not to take this material with them or discuss it after their employment with EDF is terminated.

Unauthorized or improper use of this system may result in administrative disciplinary action and civil and criminal penalties. By continuing to use this system, you indicate your awareness of and consent to these terms and conditions of use. LOG OFF IMMEDIATELY if you do not agree to the conditions stated in this warning.

### Preliminary Questions

Answer the following questions. If the answer to Questions 1-5 is "No" or Question 6 is "Yes", include a detailed explanation of the circumstances in the space provided.

- Do you confirm you have read and understand the Loan Guarantee Solicitation Announcement from the U.S. Department of Energy Office of Energy Dominance Financing regarding Federal Loan Guarantees for Renewable Energy Projects and Efficient Energy Projects?  
 Yes  No
- Is the Applicant legally authorized to enter into loan guarantee transactions and in good standing with the U.S. Department of Energy and/or any other Federal agency loan guarantee program?  
 Yes  No
- Is the Applicant current on payment of all amounts owed to the Federal government?  
 Yes  No
- Will the project be built and operated entirely within the United States or its territories?  
 Yes  No
- Do you confirm that to the best of the Applicant's knowledge, after making diligent inquiry, that no project participant has been charged with or convicted of a misdemeanor or felony (other than routine traffic violations) or been involved in any securities litigation?  
 Yes  No
- Does the Applicant have any active or pending lawsuits?  
 Yes  No

f. Summary of Request:

U.S. DEPARTMENT of ENERGY Office of Energy Dominance Financing

Advanced Technology Vehicles Manufacturing Loan Application - Draft

Please remember to click **Save and Proceed** after any data is entered.

[Need Help?](#) [Logout](#)

### Summary of Request

Enter the following information regarding the Applicant's loan guarantee request: Requested Period of Guarantee (yrs), Total Project Costs, Proposed Guarantee Amount, Debt, and Equity. The sum of the amount entered for Debt and the amount entered for Equity should equal the amount entered for Total Project Costs. The amount entered for the Proposed Guarantee Amount should not be more than the amount entered for Debt. On the basis of the above entered amounts, calculations will be made to determine the following amounts: Debt to Equity Ratio, Proposed Guarantee Amount to Debt Percentage and Proposed Guarantee Amount to Total Project Cost Percentage.

Requested Period of Guarantee (yrs)	20	Debt	\$3,000,000
Total Project Costs	\$5,000,000	Equity	\$2,000,000
Proposed Guarantee Amount	\$3,000,000		

Debt to Equity Ratio	Proposed Guarantee Amount to Debt Percentage	Proposed Guarantee Amount to Project Cost Percentage
60%/40%	100%	60%
