

**Non-substantive Change Request
OMB Control Number 0920-1283**

Monitoring and Reporting for the Overdose Data to Action Cooperative Agreement

Date Submitted: 08/14/25

Summary of request: CDC/NCIPC is requesting a change request to revise questions to align with EO 14168 *Defending Women From Gender Ideology Extremism and Restoring Biological Truth to the Federal Government* and EO 14151 *Ending Radical and Wasteful government DEI Programs and Preferencing*.

Description of Changes Requested: This request updates questions used in OMB 0920-1283 Monitoring and Reporting for the Overdose Data to Action Cooperative Agreement to be in accordance with EO 14168 & EO 14151.

The table below crosswalks the changes made to all documents. Changes include both text revision and deletions.

Table A: Description of Changes (optional, helpful if multiple changes to multiple forms):	Type of Change	Question/Item	Requested Change
OD2A-S Annual Performance Report and Work Plan, page 7	Text Revision	<ul style="list-style-type: none"> • Designated race • Designated ethnicity • Gender • Age group 	<ul style="list-style-type: none"> • Designated race • Designated ethnicity • Sex • Age group
OD2A-S Annual Performance Report and Work Plan, page 7	Text Revision	<ul style="list-style-type: none"> • Why was this population chosen and how does focusing on this population address health equity or disproportionately affected populations? 	<ul style="list-style-type: none"> • Why was this population chosen and how does focusing on this population address health outcomes for disproportionately affected populations?
OD2A-S Annual Performance Report and Work Plan, page 8	Text Deletion	Please answer the following question with consideration of all your prevention strategies:	<i>Question removed from survey</i>

		<p>Develop a disparity impact statement to address how planned interventions across all prevention strategies will reach specific populations of focus, including underserved communities and/or disproportionately impacted populations. We recommend using the guidance below in drafting your statement.</p> <ul style="list-style-type: none"> • CDC.gov: Social Determinants of Health CDC, CMS.gov: Quality Improvement & Interventions: Disparity Impact Statement, SAMHSA.gov: Disparity Impact Statement 	
OD2A-S Annual Performance Report and Work Plan, page 32	Text Revision	<ul style="list-style-type: none"> o WHAT innovative approaches and culturally tailored activities were used to address health equity? 	<ul style="list-style-type: none"> o WHAT innovative approaches and culturally tailored activities were used to address improvements in health outcomes for disproportionately affected populations?
OD2A-Local Annual Performance Report and Work Plan, page 1	Text revision	<ul style="list-style-type: none"> o Race and ethnicity o Gender o Age group o Persons involved in the criminal justice setting 	<ul style="list-style-type: none"> o Race and ethnicity o Sex o Age group o Persons involved in the criminal justice setting
OD2A-Local Annual Performance Report and Work Plan, page 2	Text Revision	<ul style="list-style-type: none"> • How will the interventions lead to improved health equity? <i>(free-text response adding to and revising from prior year's response)</i> 	<ul style="list-style-type: none"> • How will the interventions lead to improved health outcomes for disproportionately affected populations? <i>(free-</i>

			<i>text response adding to and revising from prior year's response)</i>
OD2A-Local Annual Performance Report and Work Plan, page 22	Text Revision	<ul style="list-style-type: none"> WHAT innovative approaches and culturally tailored activities were used to address health equity? 	<ul style="list-style-type: none"> WHAT innovative approaches and culturally tailored activities were used to address improvements in health outcomes for disproportionately affected populations?
OD2A-Local Annual Performance Report and Work Plan, page 39	Text Revision	<ul style="list-style-type: none"> WHAT innovative approaches and culturally tailored activities were used to address health equity (if applicable)? 	<ul style="list-style-type: none"> WHAT innovative approaches and culturally tailored activities were used to address improvements in health outcomes for disproportionately affected populations (if applicable)?

There is no change in Burden Hours associated with the modifications made to comply with EO 14168 & EO 14151.

Attached are two copies of each document, one with tracked changes and one clean copy.
