CMS Response to Public Comments Received for CMS-10266

The Centers for Medicare and Medicaid Services (CMS) received one comment during the public comment period from an anonymous individual. This is the reconciliation of the comments.

Comment:

CMS received a comment from an individual regarding concerns about organ trafficking.

Response:

CMS appreciates the comment and concern expressed by this commenter; however, the comment is outside the scope of the information collection requirements associated with this Paperwork Reduction Act (PRA) package as the comment does not address burden, reporting, or recordkeeping requirements.

Based on review of the public comments, CMS has determined that no changes are needed to the information collection requirements or burden estimates associated with this PRA package.
