Subject: EN/VR providers: SSA Ticket Act Provider Survey ending soon

OMB Control #: XXXX-XXXX;
Expiration Date: 06/30/20xx

Dear Ticket Act Service Provider:

I am writing to follow up on an invitation to take part in the **Ticket Act Provider Survey of Employment Networks (ENs) and State Vocational Rehabilitation Agencies**. Please consider taking part in this national survey, sponsored by the Social Security Administration (SSA). It is part of an evaluation SSA is conducting about Ticket to Work and Work Incentives Improvement Act programs. SSA hired Mathematica, an independent research firm, to carry out the evaluation and field this survey.

To complete the survey:

Go to: [FILL personalized URL] **or** **Scan this QR Code:**

Please complete the survey before it ends on [FILL END DATE].

Taking part in this survey is voluntary. You will be responding on behalf of your organization. The survey takes about 38 minutes to complete, on average, and Mathematica will send you \$40 for completing it. The survey has questions about your organization overall and your approach to intake and service provision. By taking part in the survey, you will help SSA better understand the extent to which Ticket Act services are meeting Supplemental Security Income and Social Security Disability Insurance beneficiaries' needs, features of the Ticket Act program that work well, and areas for improvement. You may skip any questions you do not want to answer. To protect your privacy, Mathematica will not share your answers in any way that reveals who you are unless required to do so by Federal laws, regulations, and directives.

ENs that are no longer in operation: ENs are eligible for this survey if they were active at any time in the past year. If your EN was not active for the whole year, please consider only the period that your EN was active when responding to the survey.

Have questions or need help? If you have questions, or if someone else at your organization should complete the survey, please call me at XXX-XXX-XXX.

Sincerely,

Holly Matulewicz
Survey Director at Mathematica
