Q#	Question	Response Options	Q#	Question	Response Options	
			A.2	Main Office Telephone Number:	[Open phone number response]	New question added – Request for main office telephone number to ensure maintenance of current contact information.
			A.2	Main Office Toll-Free Number:	[Open phone number response]	New question added – Request for main office toll-free number to ensure maintenance of current contact information.
			A.2	Main Office Website Address:	[Open response]	New question added – Request for website address to ensure maintenance of current contact information.
			A.2	Main Office Organization Email Address:	[Open response]	New question added – Request for organization email address to ensure maintenance of current contact information.
0	PABSS Coordinator:	[Open response]				Existing question removed – Information can be obtained from alternative sources
0	Report Prepared By:	[Open response]	A.3	Person Completing Report Name:	[Open response]	Question revision – Revised to clarify the request.
			A.3	Person Completing Report Position Title:	[Open response]	New question added – Request for the position title of the person completing the report.
0	Telephone Number:	[Open phone number response]	A.3	Person Completing Report Telephone Number:	[Open phone number response]	Question numbering change only – no change to question or response options.
			A.3	Person Completing Report Extension:	[Open numeric response]	New question added – Request added to allow responders to include their telephone extension.
0	Email Address:	[Open response]	A.3	Person Completing Report Email Address:	[Open response]	Question numbering change only – no change to question or response options.
0	Fax Number:	[Open fax number response]				Existing question removed – Information can be obtained from alternative sources.
0	Date Submitted:	[Open numeric date response]				Existing question removed – Information can be obtained from alternative sources.
1A.1	Information and Referral (I&R) How many individuals received I&R under PABSS funding during the reporting period?	[Open numeric response]	B.1	Provide the number of PABSS eligible individuals who received I&R assistance under the PABSS program during the reporting period. Do not count individuals more than once for this response:	[Open numeric response]	Question revision – Revised to clarify the request.

SSA-4570 – Original Version			SSA-4570 – Revised Version			Revision Notes
Q#	Question	Response Options	Q#	Question	Response Options	
			B.2	Provide the number of PABSS related I&R requests made during the reporting period. Include all PABSS related I&R requests. If you receive more than one request from the same PABSS eligible individual, count each issue separately. This number may exceed the number listed in B.1:	[Open numeric response]	New question added – Request added to better understand the number of PABSS related I&R requests received.
			C.1	Indicate the number of new PABSS eligible clients:	[Open numeric response]	New question added – Request added to better understand the number of new PABSS clients.
1A.6b	<i>Beneficiary Services (provide counts by type of benefits)</i> Social Security Disability (SSDI) eligible:	[Open numeric response]	C.2a	<i>Type of Social Security administered benefit the new PABSS eligible clients received at the time PABSS staff open a case. The total should match the number of new PABSS eligible clients listed in C.1:</i> SSDI related benefits	[Open numeric response]	Question revision – Revised to clarify the request.
1A.6a	<i>Beneficiary Services (provide counts by type of benefits)</i> Supplemental Security Income (SSI) eligible:	[Open numeric response]	C.2b	<i>Type of Social Security administered benefit the new PABSS eligible clients received at the time PABSS staff open a case. The total should match the number of new PABSS eligible clients listed in C.1:</i> SSI related benefits	[Open numeric response]	Question revision – Revised to clarify the request.
1A.6c	<i>Beneficiary Services (provide counts by type of benefits)</i> Eligible for both SSI and SSDI:	[Open numeric response]	C.2c	<i>Type of Social Security administered benefit the new PABSS eligible clients received at the time PABSS staff open a case. The total should match the number of new PABSS eligible clients listed in C.1:</i> Both SSDI and SSI	[Open numeric response]	Question revision – Revised to clarify the request.
			C.2d	<i>Type of Social Security administered benefit the new PABSS eligible clients received at the time PABSS staff open a case. The total should match the number of new PABSS eligible clients listed in C.1:</i> Total	[Calculated field]	New question added – Automated validation check added to detect and flag discrepancies or errors.
			C.3a	<i>Employment status of the new PABSS eligible client at the time PABSS staff open a case. The total should match the number of new PABSS eligible clients listed in C.1:</i> Full-time employment or self-employment	[Open numeric response]	New question added – Request for employment status of new PABSS clients before the provision of services to better understand impact of services on employment status.

SSA-4570 – Original Version			SSA-4570 – Revised Version			Revision Notes
Q#	Question	Response Options	Q#	Question	Response Options	
			C.3b	<i>Employment status of the new PABSS eligible client at the time PABSS staff open a case. The total should match the number of new PABSS eligible clients listed in C.1:</i> Part-time employment or self-employment	[Open numeric response]	New question added – Request for employment status of new PABSS clients before the provision of services to better understand impact of services on employment status.
			C.3c	<i>Employment status of the new PABSS eligible client at the time PABSS staff open a case. The total should match the number of new PABSS eligible clients listed in C.1:</i> Not working; preparing for employment or self-employment	[Open numeric response]	New question added – Request for employment status of new PABSS clients before the provision of services to better understand impact of services on employment status.
			C.3d	<i>Employment status of the new PABSS eligible client at the time PABSS staff open a case. The total should match the number of new PABSS eligible clients listed in C.1:</i> Total	[Calculated field]	New question added – Automated validation check added to detect and flag discrepancies or errors.
1A.5	Provide counts of individuals served during the reporting period who were - Age 14 to 25:	[Open numeric response]	C.4a	<i>Age of new PABSS eligible clients at the time PABSS staff open a case. The total should match the number of new PABSS eligible clients listed in C.1:</i> Youth aged 14 through 17	[Open numeric response]	Question revision – Revised to become two separate questions to better understand the youth population served.
			C.4b	<i>Age of new PABSS eligible clients at the time PABSS staff open a case. The total should match the number of new PABSS eligible clients listed in C.1:</i> Youth aged 18 through 25	[Open numeric response]	Question revision – Revised to become two separate questions to better understand the youth population served.
			C.4c	<i>Age of new PABSS eligible clients at the time PABSS staff open a case. The total should match the number of new PABSS eligible clients listed in C.1:</i> Working age beneficiaries – age 26 through Full Retirement Age (FRA)	[Open numeric response]	New question added – Request added to capture the number of new adult PABSS clients before the provision of services.
			C.4d	<i>Age of new PABSS eligible clients at the time PABSS staff open a case. The total should match the number of new PABSS eligible clients listed in C.1:</i> Total	[Calculated field]	New question added – Automated validation check added to detect and flag discrepancies or errors.
