These plans are described in Section 5B

Direct Consolidation Loans disbursed before July 1, 2006 that repaid Direct Parent PLUS Loans or Federal Parent PLUS Loans (these are called "Direct PLUS Consolidation Loans")

Only Tiered Standard Plan. Not eligible for the Repayment Assistance Plan.

### Section 3: Borrower Understandings, Certifications, and Authorization

I understand that:

- I must choose the same repayment plan for all of my Direct Loans (regardless of when those loans were received) unless I want to repay some of my loans under one of the IDR plans and I have other loans that may not be repaid under those plans. In this case, I may select an eligible IDR plan for the loans that are eligible for that plan by submitting the IDR Request, and may use this form to select a different repayment plan for the other loans.
- If I am beginning repayment of my loans for the first time and I do not select a repayment plan, I will be placed on the Tiered Standard Plan.
- If I have a new loan disbursed on or after July 1, 2026 but did not complete Section 2B or incorrectly completed Section 2A, I request that my loan holder treat my request as if I had selected Item 1 in Section 2B which requires that all my Direct Loans be placed in the Tiered Standard Plan.
- If I am delinquent in making payments under my current repayment plan at the time I request to change to a different plan, my servicer may grant me a forbearance to cover any payments that are overdue at the time I enter the repayment plan I selected in Section 2A or 2B.

I certify under penalty of perjury under the laws of the United States of America, that all information I have provided on this form is true, complete, and correct to the best of my knowledge and belief. I further certify that I will repay my loans according to the terms of my promissory note and repayment schedule.

I authorize the entity to which I submit this request and its agents to contact me regarding my request or my loan(s) at any cellular telephone number that I provide now or in the future using automated telephone dialing equipment or artificial or prerecorded voice or text messages.

#### Section 5A: [Fixed Payment Repayment Plan Descriptions for borrowers with only loans disbursed before July 1, 2026](#)

##### STANDARD REPAYMENT PLAN

Under this plan, you will pay a fixed amount each month over the course of your maximum repayment period in an amount that will ensure that your loan is fully repaid by the end of your repayment period.

Formatted: Font: Not Bold

This plan may result in lower total interest paid when compared to other plans. For Direct Subsidized Loans, Direct Unsubsidized Loans, and Direct PLUS Loans, the maximum repayment period is 10 years. For Direct Consolidation Loans [disbursed before July 1, 2026](#), the maximum repayment period ranges from 10 to 30 years, depending on loan debt.

##### GRADUATED REPAYMENT PLAN

Under this plan, your payments start out low and then increase every two years. No single payment under this plan will be more than three times greater than any other payment. Your scheduled payment amount will ensure that your loan is fully repaid by the end of your repayment period. Generally, the amount you will repay over the life of your loan will be higher under this plan than under the Standard Repayment Plan. This plan may be beneficial if your income is low now but is likely to steadily increase. For Direct Subsidized Loans, Direct Unsubsidized Loans, and Direct PLUS Loans, the maximum repayment period is 10 years. For Direct Consolidation Loans [disbursed before July 1, 2026](#), the maximum repayment period ranges from 10 to 30 years, depending on loan debt.

Formatted: Font: Not Bold

Formatted: Space Before: 7.6 pt

##### EXTENDED REPAYMENT PLAN

You may choose this plan only if **(1)** you had no outstanding balance on a Direct Loan on October 7, 1998 or on the date you obtained a Direct Loan after that date, and **(2)** you owe more than \$30,000 in outstanding Direct Loans.

Formatted: Font: Not Bold

Formatted: Space Before: 7.6 pt

Under this plan, you have the option of making either fixed or graduated payments over your maximum repayment period. Your scheduled payment amount will ensure that your loan is fully repaid by the end of your repayment period. If you choose graduated payments, your payments start out low and then increase every two years.

Under either the fixed or graduated monthly payment option, the Extended Repayment Plan will give you a lower monthly payment on your non-consolidation loans than the Standard or Graduated Repayment Plans. However, because of the longer repayment period, you will pay more interest over the life of your loans.

For all loan types, the maximum repayment period is 25 years.

#### [TIERED STANDARD REPAYMENT PLAN](#)

[You may choose this plan only if you have at least one direct loan disbursed on or after July 1, 2026. All Direct Loans are eligible for this plan. The Tiered Standard Plan is the \*\*only\*\* plan available for \(1\) a Direct PLUS Loan made to a parent borrower, \(2\) a Direct Consolidation Loan that was used to repay a PLUS Loan made to a parent borrower, or \(3\) a Consolidation Loan that repaid a Consolidation Loan that was itself used to repay a PLUS Loan made to a parent borrower regardless of when such loan was received once the borrower has any loan disbursed on or after July 1, 2026.](#)

[Under the Tiered Standard Plan, you will make fixed monthly payments and repay your loan in full within the maximum repayment period outlined in the chart below \(not including periods of deferment or forbearance\) from the date the loan entered the Tiered Standard Plan. If you add additional loans to the plan at a later date \(or leave the plan and return\), your maximum repayment period will be recalculated based on your total outstanding principal balance on Direct Loans upon re-entering the Tiered Standard Plan. Your payments must be at least \\$50 a month and will be more, if necessary, to repay the loan within the required time period.](#)
