EPA Form No. 9600-030

OMB Control No. 2070-0046

Expiration 4/30/2026

**CHEMICAL INFORMATION SUBMISSION  
SYSTEM**

TSCA FYI Submission

For Your Information (FYI) submissions are submissions from a classification system that was established by EPA to distinguish voluntary submissions from "substantial risk" notices submitted annually to EPA under TSCA Section 8(e). The FYI classification was created by EPA to capture submissions by persons or organizations not subject to the reporting requirements, but who wished to inform EPA of a potential risk or information related to a chemical substance or mixture.

This electronic application is optional for FYI submissions. The paper option for filing will continue to be allowed.

**Paperwork Reduction Act Notice**

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (OMB Control No. 2070-0046). Responses to this collection of information are mandatory for certain persons, as specified at 15 USC 2607(e). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to be 50 hours per response. Send comments on the Agency's need for this information, the accuracy of the provided burden estimates and any suggested methods for minimizing respondent burden to the Information Engagement Division Director, U.S. Environmental Protection Agency (2821T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.

#### Submissions

For Your Information (FYI) submissions are submissions from a classification system that was established by EPA to distinguish voluntary submissions from "substantial risk" notices submitted formally to EPA under TSCA Section 8(e). The FYI classification was created by EPA to capture submissions by persons or organizations not subject to the reporting requirements, but who wished to inform EPA of a potential risk or information related to a chemical or mixture.

#### User Management

Manage the access rights of Supports for each FYI Submission. For every Support, the Authorized Official may grant him/her the ability to edit (but not unlock, create, delete, or submit) the data.

#### Resources

A helpful guide that describes the FYI Submission system and provides useful links for further usability instruction.

#### Authorized Official

An Authorized Official has the ability to create, amend, and unlock FYI Submissions. The Authorized Official must also submit completed data electronically. Finally, the Authorized Official has the ability to assign Supports to individual submissions.

The Authorized Official is responsible for restricting a Support's access to select submissions by assigning or unassigning them to each submission. The Support can access and edit only those submissions for which the Authorized Official has granted access. Select a submission from the drop-down menu, and assign a Support to the submission by highlighting the individual and clicking the **add** link. To unassign a Support, highlight the individual and click the **remove** link. To highlight and assign or unassign multiple Supports, hold down the **Ctrl** or **Shift** keys on the keyboard and click each Support before moving.
