This worksheet may be used by the assignor in responding to Section II, Item 3 of FCC Form 315-IBFS; it may also be used by the assignee in responding to Section III, Item 3. The assignor and assignee must review these questions with respect to all contractual documents, agreements, and/or understandings between the assignor and the assignee.

WORKSHEET # 3

This Worksheet may be used in connection with Section III, Item 6 of FCC Form 315-IBFS regarding media ownership. For the convenience of the applicant, the various ownership restrictions are treated under the following separate headings:

A. Future Ownership Rights; B. Time Brokerage/Local Marketing/Joint Sales Agreements, and C. Investor Insulation/Non-party Influence.

A. FUTURE OWNERSHIP RIGHTS

This section of the worksheet may be used in connection with Section III, Item 6, which requires the assignee to certify that the proposed acquisition complies with the Communications Act and the Commission's regulations and policies concerning future ownership rights in broadcast stations.

Section 310(d) of the Communications Act of 1934, as amended, prohibits assignment, transfer or any disposition of a broadcast license without first applying to the Commission and receiving approval. Similarly, Commission precedent currently prohibits (1) pledge of a broadcast license as collateral for a loan, or (2) grant of a security interest (or any similar encumbrance) in a broadcast license. These inquiries are directed to current and prospective third-party interests in the assignee.

In order to certify compliance with Item 6 of Section III of FCC Form 315-IBFS, the Assignee must review the following questions

*1. Are there any documents, instruments, contracts, or understandings relating to future ownership rights in the assignee or any party to the application including, but not limited to: (1) stock pledges; (2) security agreements; (3) non-voting stock interests; (4) beneficial stock ownership interests; (5) options; (6) warrants; or (7) debentures?

- Yes No

B. TIME BROKERAGE/LOCAL MARKETING AGREEMENTS /JOINT SALES AGREEMENT

This worksheet should be reviewed in connection with several different certifications. These include Section II, Item 3 and Section III, Item 3 (certifications by assignor and assignee relating to agreements for sale of station) and Section III, Items 6.

1. Has the licensee retained sufficient rights and obligations over the station's personnel, programming, and finances such that it retains control of the station under applicable Commission precedent, i.e., does the licensee/permittee:

If the response to any of these questions is "No," the agreement may not comport with existing Commission precedent. The applicant should therefore mark "No" in the appropriate certification and supply an exhibit explaining how the agreement does not amount to a premature assumption of control by the assignee.

*1. Do any agreements entered into by the assignor/transferor and the assignee/transferee contain a time brokerage agreement or local marketing agreement pursuant to which the assignee/transferee will provide programming to the station prior to Commission approval of the assignee/transferee's acquisition of the station?

- Yes No

C. INVESTOR INSULATION AND NON-PARTY INFLUENCE OVER ASSIGNEE/APPLICANT

This section of the worksheet may be used in connection with Section III, Item 6, which requires the assignee to certify that it complies with the Commission's restrictions relating to the insulation and non-participation of non-party investors and creditors. See, e.g., Review of the Commission's Regulations Governing Attribution of Broadcast and Cable/MDS Interests, Report and Order, 14 FCC Rcd 12559 (1999). It indicates the kinds of contractual relationships that may, in the Commission's view, exceed the authority of a properly insulated investor or demonstrate some indicia of de facto control by a creditor.

1. Investor Insulation

If an assignee is a limited partnership or a limited liability company ("LLC") that seeks to insulate partners or members in accordance with the Commission's attribution rules, the assignee shall ensure that each such limited partner or LLC member is not materially involved, directly or indirectly, in the management or operation of the media-related activities of the partnership or LLC. To ensure that each such limited partner or LLC member is not materially involved, directly or indirectly, in the management or operation of the media-related activities of the partnership or LLC, the applicant must answer the following inquiries. Do the limited partnership or LLC enabling documents:

- *1 (a) specify that any exempt limited partner/LLC member (if not a natural person, its directors, officers, partners, etc.) cannot act as an employee of the limited partnership/LLC member if his or her functions, directly or indirectly, relate to the media enterprises of such entity?
*1 (b) bar any exempt limited partner/LLC from serving, in any material capacity, as an independent contractor or agent with respect to the partnership/LLC's media enterprises?
*1 (c) restrict any exempt limited partner/LLC member from communicating with the limited partnership/LLC, the general partner, or any LLC management committee on matters pertaining to the day-to-day operations of its business?
*1 (d) empower the general partner/LLC management committee to veto any admissions of additional general partners/LLC members admitted by vote of the exempt limited partners/LLC members?
*1 (e) prohibit any exempt limited partner/LLC member from voting on the removal of a general partner/LLC member or limit this right to situations where the general partner/LLC member is (i) subject to bankruptcy proceedings, as described in Section 402(4)-(5) of the Revised Uniform Limited Partnership Act, (ii) is adjudicated incompetent by a court of competent jurisdiction, or (iii) is removed for cause, as determined by an independent party?
*1 (f) bar any exempt limited partner/LLC member from performing any services to the limited partnership/LLC materially relating to its media activities, with the exception of making loans to, or acting as a surety for, the business?
*1 (g) state, in express terms, that any exempt limited partner/LLC member is prohibited from becoming actively involved in the management or operation of the media businesses of the limited partnership/LLC?

2. Non-Party Influence Over Assignee

(a) Non-party investors, i.e., investors with nonattributable interests, may have very limited powers over the operations of a licensee. Accordingly, with respect to any agreement, arrangement or understanding involving insulated parties or other investors with nonattributable interests, including creditors, secured parties, program suppliers, and any other persons not disclosed as parties to this application, does such agreement:

*2(a) 1. give any non-party investor the right to vote on any matters decided by the assignee's board of directors, partnership committee or other management group?

If the answer to all of these conditions is "No" with regard to every non-party investor and creditor, and there are no other provisions that cede de facto control to a non-party, applicant may certify that it complies with the Commission's restrictions regarding non-participation of non-party investors and creditors.

Yes No

*2(a) 2. give any non-party investor the right to attend, or appoint an observer to attend, assignee board, partnership or other management meetings?

Yes No

*2(a) 3. place any limitation on assignee programming discretion?

Yes No

*2(a) 4. give any non-party investor the right to vote on, approve or restrict assignee's actions on any matter relating to programming, personnel or finances?

Yes No

*2(a) 5. give any non-party creditor or any bond, debenture or warrant holder the right to vote on, approve or restrict the assignee's actions on any matter relating to programming, personnel or finances?

Yes No

*2(a) 6. give any non-party creditor or any bond, debenture or warrant holder the right to share in the profits of the assignee?

Yes No

*2(a) 7. give any non-party creditor or any bond, debenture or warrant holder the right to share in the profits of the assignee?

Yes No

*2(a) 8. give any non-party investor, creditor, or bond, debenture or warrant holder the right to vote on, approve or deny the selection or removal of a general partner of an assignee partnership or a member of the assignee's governing body?

Yes No

*2(a) 9. give any non-party investor, creditor, or bond, debenture or warrant holder the right to convert, tender or require the tendering of stock pursuant to a put-or-call agreement based on the actions of the assignee relating to programming, personnel or financing?

Yes No

(b) With respect to any loan agreement, has the assignee ensured that such agreement:

*2(b) 1. includes an unconditional promise by the assignee to pay on demand or on a specific date a sum certain?

If the answer to each of these inquiries is "Yes," and if there are no other provisions that may give non-party investors control, the applicant may conclude that it complies with the Commission's restrictions regarding non-participation of non-party investors and creditors.

Yes No

*2(b) 2. contains a fixed or defined variable rate of interest on the loan?

Yes No

*2(b) 3. does not prohibit the redemption of the loan by the assignee, or permit redemption at the option of the lender only?

Yes No

Application Fees

Will a fee be paid?
 Yes No

Attachments/Confidential Treatment of Attachments
