Dear Sir/Madam,

OMB No. 0535-0275 Exp. Date 6/30/2026

You should have recently received your 2025 Agricultural Resource Management Survey. **Thank you if you have already responded. If not, there is still time.** You are encouraged to respond online at [agcounts.usda.gov](https://agcounts.usda.gov), by phone, or mail.

This survey measures the economic well-being of U.S. farms, focusing on farm finances, farm households, and costs associated with producing agricultural commodities. Data from the survey help evaluate the financial impacts of numerous programs, including crop insurance, dairy margin protection, and local payments.

The information you provide will be used for statistical purposes only and combined with many others to ensure that no individual operation or producer can be identified. For more information about this survey, visit [nass.usda.gov/go/arms](https://nass.usda.gov/go/arms). If you have questions or difficulty completing your survey, please call toll-free 888-424-7828.

Sincerely,

Lance Honig  
Chair, Agricultural Statistics Board  
USDA National Agricultural Statistics Service
