Why am I getting this letter?

The United States Department of Agriculture is conducting the 2027 Census of Agriculture.

Please complete and return the enclosed census form by February x, 20xx. If you need assistance completing your census form or have questions, call toll free 1-866-716-5655. You will need the response code found on your census mailing label.

How will the data be used?

Your input will help tell the story of Puerto Rico's agriculture. The Census of Agriculture is the only source of comprehensive agricultural data for every state and county in the nation. The data are widely used to inform decisions that benefit you and your community – from decisions guiding succession planning and new and beginning farmer programs to decisions impacting agriculture practices, land stewardship, and sustainability.

What else do I need to know?

If you are not currently farming, please respond so we can update our records accordingly. The online questionnaire will take you through a few quick questions then straight to the end. If you are responding by mail, please make a note on the front of the questionnaire and mail it back to us.

All information you provide is confidential, protected by federal law (Title V, Subtitle A, Public Law 107-347). If you need assistance completing the census, call toll-free (888) 424-7828. For more information about the Census of Agriculture, visit www.nass.usda.gov/AgCensus.

Thank you for taking part in the 2027 Census of Agriculture to provide a complete picture of farming in Puerto Rico. This is your chance to make a positive impact for your community and for U.S. and Puerto Rican agriculture – it's ***Your Voice, Your Future, Your Opportunity.***

Sincerely,

Joseph L. Parsons

Administrator, National Agricultural Statistics
