FAQ 1

FAQ #1: Why do I have to give my email address or cell phone number to log in?

We use this information to secure the survey data.

When you first log in, you will use:

- 1) a one-time, 8-digit verification code sent to your email address or cell phone number and
- 2) the unique 12-digit User ID from your survey materials.

Each time you log back into the survey, you will be sent a new, unique one-time verification code; however, you will not need to use your User ID after the first login.

FAQ 2

FAQ #2: What do I do if I don't receive a verification code?

It may take several minutes for the code to arrive. If you requested a code via email, check your junk mail or spam folder. If you still don't receive the code, you may request a new code. Alternatively, you could try a different email address or cell phone number.
