Terms of Clearance

OMB placed the following Terms of Clearance on this Information Collection when they last approved it on 6/22/23:

- **Term #1: When the agency submits this information collection for re-approval, it will make minor additions to the response to Question Prompt #2 in the Supporting Statement to explain the differences between the questions asked on the SSA-L725 and the SSA-4201 and the policy reasons for these differences.**

SSA response: We made minor additions to the response to Question Prompt #2 in the Supporting Statement to explain the differences between the questions we ask on the SSA-725 and the SSA-4201, and the policy reasons for these differences.

- **Term #2: The agency will also make minor additions to #2 to add in additional explanation for why developing this income information from the employer can be particularly useful for identifying the time and timeline for income a beneficiary many have received.**

SSA response: We made minor additions to #2 in the Supporting Statement explaining why developing income information from the employer can be particularly useful for identifying the time and timeline for income a beneficiary may have received.
