PIN CODE REQUEST

Instructions:

Some physical access control systems (PACS) require the use of a 4-digit PIN code for access to specifically identified areas within BPA. These areas include, but are not limited to the Dittmer building, Dittmer Control Center, Munro Control Center, NERC CIP field sites, and other sensitive areas. BPA employees who have access permissions for these areas, or who would like general access to the Dittmer building, need to establish a single PIN which will be associated with each access card held by the employee.

This form when completed should be emailed to: Employee Badging at BPABadging@bpa.gov.

Employees who would like to change their 4-digit PIN can do so via the agency's automated PIN web application at <https://accesscardpin.bud.bpa.gov/>.

PIN SELECTION

Last Name	First Name	Middle Initial/NMN
-----------	------------	--------------------

Choose a PIN number for your access card. Select 4 digits (example – 1130).

- Do not choose numbers that are confidential or Personally Identifiable Information (PII) such as the last four digits of your social security number.

Write in your selected PIN below:

--	--	--	--

Select one of the three security questions identified below as your security question:

What was the model of your first car?

What was your first pet's name?

What is your favorite movie or book?

Provide your answer to the security question selected above:

Controlled Distribution – filled out by BPA upon receipt

Access is restricted to those with a Lawful Government Purpose and must be protected and marked when printed or distributed.

Paperwork Reduction Act Burden Disclosure Statement

This data is being collected to ensure the security and safety of BPA employees, contractors, and facilities. The data you supply employees/contractors to set a pin code associated with a local site-specific only badge or proximity card. Public reporting burden for this collection of information is estimated to average .083 hours (5 minutes) per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining that data needed, and completing and reviewing the collection of information.

Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Office of the Chief Information Officer, Enterprise Policy Development & Implementation Office, IM-22, Paperwork Reduction Project (OMB control number 1910-5188), U.S. Department of Energy, 1000 Independence Ave SW, Washington, DC, 20585-1290; and to the Office of Management and Budget (OMB), OIRA, Paperwork Reduction Project (OMB control number 1910-5188), Washington, DC 20503.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB control number.

The Paperwork Reduction Act (PRA) of 1995 requires each Federal agency to seek and obtain approval from the Office of Management and Budget (OMB) before undertaking a collection of information directed to 10 or more persons of the general public, including persons involved in or supporting the operations of Government-owned, contractor-operated facilities.

Submission of this data is required.
