

Paperwork Reduction Act Burden Statement

A federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB Control Number. The OMB Control Number for this information collection is 2105-0584. Public reporting for this collection of information is estimated to be approximately 19 hours, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, completing and reviewing the collection of information. All responses to this collection of information are required to obtain according to the [Infrastructure Investment and Jobs Act, Pub. L. No. 117-58, \(2021\)](#). Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Jennifer.Hara@dot.gov, U.S. Department of Transportation, 1200 New Jersey Avenue, Washington, D.C. 20590.

IFAC Asset Information Template

Applicants should provide information on the Existing Asset(s), the TIFIA-eligible Project(s) being considered, and the innovative project financing or delivery method being evaluated, and the Proposed Activity. **This information must be submitted via grants.gov.**

Entities applying for a Technical Assistance Cooperative Agreement should submit one completed form using the template below for a) each Asset being nominated for an Asset Scan, or b) each Asset and TIFIA-eligible Project being considered for a Program of Existing Assets (two pages maximum for each submitted form)

For Technical Assistance Cooperative Agreement applications with a large list of Existing Assets for evaluation, this information can be provided as an Appendix to the Cooperative Agreement Plan.

Entities applying for an Expert Services Cooperative Agreement should submit the completed form using the template below for the Existing Asset for which the Expert Services funding is being requested.

Existing Asset Information Template (2-page max per Existing Asset)	
Asset Name: _____	
Submission # ___ of ___	
Asset Location	Address, geo-location, or other identifying information for the Asset. Include the name of the jurisdiction where the Asset is located.
Asset Location Primary Census Tract Information	Identify the primary and any other census tracts that contain or adjoin the Asset.

Asset Description	Describe the current condition, use, and operation of the Asset. Include any utilization or other descriptive and operational information available.
TIFIA-eligible Project Description	<p>Provide project description, scope, cost, and other information, if known, sufficient to determine that the TIFIA-eligible project is a project as defined in 23 U.S.C. § 601(a)(12)</p> <p>[Note: this is optional for entities applying for an Asset Scan.]</p>
Innovative Finance or Delivery Methods being Considered	Describe the innovative financing or delivery method being evaluated to design, build, finance, operate, and/or maintain the Enhanced Asset, its governance structure, partnerships, and a brief explanation of why the applicant seeks to evaluate this approach.
