[Docket No. FAA–2026–4678]

Agency Information Collection

Activities: Requests for Comments; Clearance of a Renewed Approval of Information Collection: Flight Engineers and Flight Navigators

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to reinstate an information collection. The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on May 6, 2026. This collection involves FAA Form 8400–3, Application for an Airman Certificate and/or Rating, (for flight engineer and flight navigator) and applications for approval of related training courses that are submitted to FAA for evaluation. The information collection is necessary to determine applicant eligibility for flight engineer or flight navigator certificates. This collection is also necessary to determine training course acceptability for those schools training flight engineers or navigators. This collection is being reinstated due to delays caused by the government shutdown and changeover of personnel.

DATES: Written comments should be submitted by August 19, 2026.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

Agency Information Collection

Activities: Requests for Comments; Clearance of Renewed Approval of Information Collection: Monitoring, Reporting, and Verification (MRV) Program for Annex 16, Volume IV of the Convention on Civil Aviation

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request Office of Management and Budget (OMB) approval to renew an information collection. The collection involves a request that airplane operators subject to the applicability of Annex 16, Volume IV of the Convention on Civil Aviation (hereinafter the “Chicago Convention”) submit electronically an Emissions Monitoring Plan (EMP), an annual Emissions Report (ER) to the FAA. Airplane operators may also submit an optional ER Eligible Fuels Annex (EFA) to the FAA if they want to receive credit for their use of Synthetic Aviation Fuel (SAF) or other fuel types. The information to be collected is necessary because FAA will use the information to fulfill the United States' responsibilities under the Chicago Convention.
