RE: FSTD LETTER of COMPLIANCE

(Operator Sponsor Name) requests evaluation of our (Aircraft Type) Flight Simulation Training Device (FSTD) for Level (4/5/6/A/B/C/D) qualification. The (FSTD Mfgr. Name) FSTD with (FAA ID# or project number #####) is fully defined on the Preliminary Statement of Qualification FSTD Configuration List enclosed. We have completed the tests of the FSTD and certify that it meets all requirements of 14 CFR Part 60 to include other applicable Qualification basis if any. Appropriate hardware and software configuration control procedures have been established. Our Pilot(s), (Name(s)), who are qualified on (Aircraft Type) aircraft have assessed the FSTD and have found that it conforms to the (Operator/Sponsor) (Aircraft Type) cockpit configuration and that the simulated systems and subsystems function equivalently to those in the aircraft. The above named pilot(s) have also assessed the performance and the flying qualities of the FSTD and find that it represents the respective aircraft.

Any exceptions to the statements above including documented discrepancies or other considerations concerning FSTD status or condition are attached along with expected correction or completion dates.

Sincerely,
(Sponsor Management Representative)
