

status during active emergency incidents.

(9) To a court, magistrate, administrative tribunal, or arbitrator in the course of presenting evidence, including disclosures to opposing counsel or witnesses or jurors in the course of civil discovery, litigation, mediation, or settlement negotiations, or in connection with criminal law proceedings; when HUD determines that use of such records is relevant and necessary to the litigation and when any of the following is a party to the litigation or have an interest in such litigation: (1) HUD, or any component thereof; or (2) any HUD employee in his or her official capacity; or (3) any HUD employee in his or her individual capacity where HUD has agreed to represent the employee; or (4) the United States, or any agency thereof, where HUD determines that litigation is likely to affect HUD or any of its components.

POLICIES AND PRACTICES FOR STORAGE OF RECORDS:

Records are stored in electronic and paper formats. Electronic records are maintained within HUD-authorized systems using encryption and restricted-access directories. Paper records are stored in secured offices or file cabinets with physical access controls.

POLICIES AND PRACTICES FOR RETRIEVAL OF RECORDS:

Records are retrievable by name, email address, phone number, organization/office assignment, duty station, work address, employee identification number.

POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:

The system is subject to HUD's Records Disposition Schedule and NARA's General Records Schedule. Active records for current HUD personnel are maintained for the duration of employment. Records are retained for three years after separation from HUD, with longer retention authorized if required for business use, legal hold, or litigation. Electronic records are securely deleted, and paper records are shredded upon disposal. Notification logs and audit records are retained for three years for operational and security purposes.

ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

The Emergency Notification System operates under Everbridge's FedRAMP Moderate authorization with comprehensive security controls. Technical safeguards include FIPS 140-2 validated cryptography with Transport

Layer Security (TLS) version 1.2 or higher for all data transmissions, and AES encryption for data at rest using standard encryption features. Administrative safeguards include role-based access controls, quarterly reviews of privileged accounts, annual reviews of non-privileged accounts, and mandatory security awareness training for all authorized personnel. Access to electronic records is restricted to authorized personnel who have been issued non-transferable access codes, unique identifiers, and multi-factor authentication credentials. Physical safeguards include secure data center facilities in Northern California and West Virginia with continuous monitoring, intrusion detection systems, environmental controls, fire suppression systems, and restricted physical access controls. The system implements comprehensive audit logging and monitoring with FedRAMP-compliant incident response procedures, vulnerability scanning, and continuous monitoring protocols. Paper records are printed only for quality control purposes, stored in locked file cabinets, and maintained in accordance with the Policies and Practices for Retention and Disposal of Records.

RECORD ACCESS PROCEDURES:

Individuals requesting records of themselves should address written inquiries to the Department of Housing and Urban Development, 451 7th Street SW, Washington, DC 20410-0001. For verification, individuals should provide their full name, current address, and telephone number. In addition, the requester must provide either a notarized statement or an unsworn declaration made under 24 CFR 16.4.

CONTESTING RECORD PROCEDURES:

The HUD rule for contesting the content of any record pertaining to the individual by the individual concerned is published in 24 CFR 16.8 or may be obtained from the system manager.

NOTIFICATION PROCEDURES:

Individuals requesting notification of records of themselves should address written inquiries to the Department of Housing and Urban Development, 451 7th Street SW, Washington, DC 20410-0001. For verification purposes, individuals should provide their full name, office or organization where assigned, if applicable, and current address and telephone number. In addition, the requester must provide either a notarized statement or an unsworn declaration made under 24 CFR 16.4.

EXEMPTIONS PROMULGATED FOR THE SYSTEM:

None.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60

days was published on February 18, 2026 at 91 FR 7510.

A. Overview of Information Collection

Title of Information Collection: Ginnie Mae Digital Collateral Program.

OMB Approval Number: 2503–0034.

Type of Request: Revision of Approved Collection.

Form Number: eIssuer Application to Participate in Digital Collateral Program (Formerly the HUD–11701–A); eCustodian Application to Participate in Digital Collateral Program (Formerly the HUD–11701–B).

Description of the need for the information and proposed use: Adapting to the needs of the industry, Ginnie Mae is permitting the securitization of mortgage loans where the note is an eligible eNote. The forms listed above are necessary due to the unique requirements of managing eNotes and eMortgages. This collection permits Ginnie Mae to verify: (1) that eIssuers and eMortgages have the specialized knowledge and experience to participate; (2) that eIssuers and eCustodians have the technological capability to service eMortgages and safeguard eMortgage documents; (3) the name and location of the entities responsible for the various Ginnie Mae accounts and eMortgage documents, and (4) those entities that are responsible for servicing the eMortgages that back the Ginnie Mae pools. Ginnie Mae needs this information to mitigate risk and evaluate its business operations, procedures and programs and assist lenders in processing borrower requests more efficiently. Ginnie Mae also requires the collection of information to ensure that there are no deficiencies, which could affect the pass-through of securities to its investors.
