Title: NASA Software Release Request System (SRS)

I am requesting Approval and for Authorization for the NASA SRS, Under the National Aeronautics and Space Administration, the Department of Transportation, the Department of Defense, the Department of Homeland Security, the Department of Interior, the Department of State the Office of Management and Budget, the Secretary of State, the Space Act, the Department of the Treasury, and all agencies and departments involved, on my behalf to access to emails, updates and other updates for Government personnel. This is required for compliance and for deployment of the appropriate protocols to protect the integrity of National Security, Intelligence and Safety for the missions that are mandated by Congress and the President of the United States.
