General Comment

I myself have been on SNAP now for almost 5 years and I am grateful to have the benefit. But I honestly think that with everything I've seen and heard (whether I'm at the Social Services office or Supermarket) there is no reason to be replacing your card % times a year.
Unfortunately this new Rule will probably HURT the rest of us badly but something very shady is happening if you need 5 Replacement Cards a year.
Sorry but that's my opinion from everything I see here in NJ.
Don't forget in Philly (I think last winter) Investigators found addicts selling their EBT Cards to Liquor stores. The Investigator had the nerve to say that they (ADDICTS) were being taken advantage of by the Liquor Stores. I highly doubt it!!!
