SUBJECT: Justification to Upload the Correct Burden Chart, Burden Narrative, and Regulations Attachments for the “Child Nutrition Programs: Meal Patterns Consistent with the 2020-2025 Dietary Guidelines for Americans” (RIN 0584-AE88) Final Rule Submission for OMB Control Number 0584-0055 Child and Adult Care Food Program (CACFP).

The Food and Nutrition Service (FNS) is requesting a non-substantive change to OMB Control Number 0584-0055 Child and Adult Care Food Program (CACFP), expiration date of October 31, 2027 to upload the correct burden chart, burden narrative, and regulation attachments related to the “Child Nutrition Programs: Meal Patterns Consistent with the 2020-2025 Dietary Guidelines for Americans (RIN 0584-AE88)” final rule submission. After OMB cleared the rule submission on October 4, 2024, FNS discovered that the burden chart, burden narrative, and regulation attachments that were uploaded in the ROCIS entry for OMB Control Number 0584-0055 were for another information collection request related to the final rule, OMB Control Number 0584-0280 7 CFR Part 225, Summer Food Service Program, expiration date October 31, 2027. Upon further review, FNS determined that the burden estimates and other data entered into ROCIS for OMB Control Number 0584-0055 were correct for the CACFP final rule submission and that we had just mistakenly uploaded the wrong attachments.

We would like to take the opportunity through this memorandum to upload the correct attachments for this submission. FNS requests approval to upload the following attachments to this collection:

1. Attachment A: Burden Chart for OMB Control Number 0584-0055, Final Rule, *Child Nutrition Programs: Meal Patterns Consistent with the 2020-2025 Dietary Guidelines for Americans*
2. Attachment B: Estimate of the Information Collection Burden (Narrative) for the final rule, *Child Nutrition Programs: Meal Patterns Consistent with the 2020-2025 Dietary Guidelines for Americans*
3. Attachment F: Title 7 CFR Part 226 – Child and Adult Care Food Program Regulations

If you have any questions regarding this request, please contact Christina Sandberg, FNS Information Collection Clearance Officer for the Food and Nutrition Service, Planning & Regulatory Affairs Office at (703) 305-2337.
