

Estimate of the Information Collection Burden for
Child and Adult Care Food Program

Merge Burden for OMB Control Number 0584-0610 into
Burden for OMB Control Number 0584-0055

This document explains the calculation of the information collection burden for the OMB Control Number 0584-0610 for the Child Nutrition Program Integrity Final Rule and the merging of the requirements into OMB Control Number 0584-0055, 7 CFR 226 Child and Adult Care Food Program.

REPORTING REQUIREMENTS

AFFECTED PUBLIC: STATE, LOCAL, AND TRIBAL GOVERNMENT

State Agencies (SAs)

This section of the burden narrative describes the burden associated with State government agencies.

1. Section 226.3(c) requires SAs that have been approved to administer the Program to enter into written agreement with FNA for the administration of the Program in the State (Federal/State agreement). Ongoing burden hours: FNS estimates that the burden for entering into written agreement with FNA is 0 hours because the burden for completing the FNS-74 form will be captured in the upcoming renewal of the State Administrative Expense (SAE) Funds Information Collection Request (ICR), OMB Control Number 0584-0067. There is no change in the burden. There is no change in burden.
2. **Section 226.4(j) requires State agencies to submit plan to FNS for additional audit funding. This is a new information requirement that was established by the Child Nutrition Program Integrity Final Rule. FNA estimates that on average there are 8 State agencies that will each file 1 report annually for a total of 8 responses (8 X 1=8). The estimated average number of burden hours per response is 4 hours resulting in estimated total burden hours of 32 (8 X 4 =32). FNS estimates that this information requirement will have 32 hours and 8 responses. Once this requirement and its associated burden is merged into OMB Control Number 0584-0055 (7 CFR Part 226 Child and Adult Care Food Program), FNS estimates that this final rule will add 32 burden hours and 8 responses to OMB's inventory due to a program change.**
3. Section 226.6(b)(1) requires SAs to review applications submitted by new institutions. Ongoing burden hours: FNA estimates that 56 SAs will each review 5 applications annually, for a total of 280 responses (56 x 5 = 280). The estimated average number of burden hours per response is 1 hour, resulting in a total estimated burden of 280 hours (280 x 1 = 280). There is no change in burden.
4. **Section 226.6(b)(2) requires that State agencies review annual certification of an institution's eligibility to continue participating in CACFP (which replaces the renewal application process). FNS estimates that there are 56 State agencies that will each have to review 390 certifications, for a total of 21,840 reviews annually (56 X 390 = 21,840). The estimated average number of burden hours per review is 20 minutes (.334 hours), resulting in estimated total burden hours of 7,295 (21,840 X .334 = 7,295). When OMB approves the information collection request (ICR) for this final rule, FNS estimates that**

This requirement is currently approved with 10,920 burden hours and 21,840 responses. Originally, FNA estimated that this requirement would take 30 minutes to complete. But due to changes resulting from the Child Nutrition Program Integrity Final Rule, the time estimate to complete this requirement was adjusted from 30 minutes to 20 minutes because it now takes State agencies less time to review. This change reduces the burden hours by 3,625 hours, from 10,920 to 7,295 hours. It does not, however, impact the number of responses, which remains at 21,840 responses. This reduction in burden hours is the result of a program change, due to the Final Rule.

5. Section 226.6(b)(3) requires SAs to notify an institution of approval or disapproval of its application within 30 calendar days of receipt of a complete application. The agreement shall contain an assurance that the State agency will comply with policy, instructions, guidance, and handbooks issued by FNA. Ongoing burden hours: FNS estimates that 56 SAs will each send 15 notices annually, for a total of 840 responses ($56 \times 15 = 840$). The estimated average burden per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 210 hours ($840 \times 0.25 = 210$). There is no change in the burden.
6. Section 226.6(b)(4) requires SAs to enter into written agreement with an institution that has been approved for participation in the Program (State/Institution agreement). Ongoing burden hours: FNA estimates that 56 SAs will each enter into a written agreement with 5 new institutions annually, for a total of 280 responses ($56 \times 5 = 280$). The estimated average number of burden hours per response is 30 minutes (0.5 hours), resulting in a total estimated burden of 140 hours ($280 \times 0.5 = 140$). There is no change in the burden.
7. **Section 226.6(b)(4)(ii) requires State agencies to consult with FNA prior to taking action to terminate for convenience. FNA estimates that each of the 56 State agencies will consult with FNA once per year prior to terminating a sponsoring organization for convenience, for a total of 56 responses annually ($56 \times 1 = 56$). The estimated average number of burden hours per response is 30 minutes (0.5 hours), resulting in estimated total burden hours of 28 hours ($56 \times 0.5 = 28$). This is a new information collection requirement that is being merged into this collection as a result of the Child Nutrition Program Integrity Final Rule, which adds 28 burden hours and 56 responses due to a program change.**
8. Sections 226.6(c)(1)(iii)(A), 226.6(c)(2)(iii)(A), 226.6(c)(3)(iii)(A), and 226.6(c)(6)(ii)(A) require SAs to notify an institution's executive director and chairman of the board of directors that the institution has been determined to be seriously deficient. At the same time the notice is issued, the SAs must add the institution to the SA list, along with the basis for the serious deficiency determination, and provide a copy of the notice to the appropriate FNA Regional Office (FNARO). Ongoing burden hours: FNA estimates that 56 SAs will each send 10 notices annually, for a total of 560 responses ($56 \times 10 = 560$). The estimated average burden per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 140 hours ($560 \times 0.25 = 140$). There is no change in burden.

9. Sections 226.6(c)(1)(iii)(B), 226.6(c)(2)(iii)(B), 226.6(c)(3)(iii)(B), and 226.6(c)(6)(ii)(C) require SAs to submit a copy of successful corrective action (temporary deferment or serious deficiency determination) notices to FNARO for new, renewing, and participating institutions. Ongoing burden hours: FNA estimates that 56 SAs will each send 7 notices annually, for a total of 392 responses ($56 \times 7 = 392$). The estimated average burden per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 98 hours ($392 \times 0.25 = 98$). There is no change in burden.
10. Sections 226.6(c)(1)(iii)(C), 226.6(c)(2)(iii)(C), 226.6(c)(3)(iii)(C), and 226.6(c)(6)(ii)(D) require SAs to submit a copy of application denial and proposed disqualification notice to FNARO. Ongoing burden hours: FNA estimates that 56 SAs will each send 3 notices annually, for a total of 168 responses ($56 \times 3 = 168$). The estimated average burden per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 42 hours ($168 \times 0.25 = 42$). There is no change in burden.
11. Sections 226.6(c)(1)(iii)(E), 226.6(c)(2)(iii)(D), 226.6(c)(3)(iii)(E), and 226.6(c)(5)(i)(C) require SAs submit copies of disqualification notices to the FNARO for new, renewing, and participating institutions. Ongoing burden hours: FNS estimates that 56 SAs will each send 3 notices annually, for a total of 168 responses ($56 \times 3 = 168$). The estimated average burden per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 42 hours ($168 \times 0.25 = 42$). There is no change in burden.
12. Section 226.6(c)(3)(i) states that, if a SA holds an agreement with an institution operating in more than one State that has been disqualified from the Program by another SA and has been placed on the National Disqualified List, the SA must terminate the institution's agreement effective no later than 45 days from the date of the institution's disqualification by the other SA. Ongoing burden hours: FNA estimates that 56 SAs will each send 3 notices annually, for a total of 168 responses ($56 \times 3 = 168$). The estimated average burden per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 42 hours ($168 \times 0.25 = 42$). There is no change in burden.
13. Sections 226.6(c)(1)(iii)(E), 226.6(c)(2)(iii)(D), 226.6(c)(3)(i), 226.6(c)(3)(iii)(E), 226.6(c)(5)(i)(C), and 226.6(c)(6)(ii)(E) require SAs to submit copies of disqualification notices and supportive documentation to the FNARO. Ongoing burden hours: FNS estimates that 56 SAs will each send 3 notices and supportive documentation annually, for a total of 168 responses ($56 \times 3 = 168$). The estimated average burden per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 42 hours ($168 \times 0.25 = 42$). There is no change in burden.
14. Sections 226.6(c)(5)(i)(A)-(B), 226.6(c)(5)(ii)(A)-(B), 226.6(c)(5)(ii)(B), 226.6(c)(5)(ii)(D), and 226.6(c)(6)(ii)(B) require SAs to submit copies of proposed suspension of participation notices to the FNSRO. Ongoing burden hours: FNA estimates that 56 SAs will each submit 1 notice annually, for a total of 56 responses ($56 \times 1 = 56$). The estimated average burden per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 14 hours ($56 \times 0.25 = 14$). There is no change in burden.

15. Section 226.6(c)(6)(ii)(G) requires SAs to terminate an institution's agreement no later than 45 days after the date of the institution's disqualification if FNA determines that institution to be seriously deficient and subsequently disqualifies the institution. At the same time the notice of termination is issued, the SA must add the institution to the State agency list and provide a copy of the notice to the appropriate FNARO. Ongoing burden hours: FNA estimates that 56 SAs will each send 3 notices annually, for a total of 168 responses ($56 \times 3 = 168$). The estimated average number of burden hours per response is 15 minutes (0.25 hours), resulting in a total estimated ongoing burden of 42 hours ($168 \times 0.25 = 42$). There is no change in burden.
16. Section 226.6(c)(8)(C)(ii) states that the SA must provide the appropriate FNARO the name, mailing address, and date of birth of each day care home provider whose agreement is terminated for cause, within 10 days of receiving a notice of termination and disqualification from a sponsoring organization. Ongoing burden hours: FNA estimates that 56 SAs will each provide the required information for 12 sponsoring organizations annually, for a total of 672 responses ($56 \times 12 = 672$). The estimated average burden per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 168 hours ($672 \times 0.25 = 168$). There is no change in burden.
17. Sections 226.6(d)(1) and 226.6(e) require SAs to establish licensing/compliance review procedures for child care centers, at-risk afterschool care centers, day care homes, outside-school hours care centers, and adult day centers. Because SAs currently administer the Program in accordance with licensing/compliance review procedures, now the burden associated with this requirement is to revise/update the established procedures, as necessary. Ongoing burden hours: FNA estimates that 10 SAs will each revise/update 1 established procedure annually for a total of 10 responses ($10 \times 1 = 10$). The estimated average burden per response is 1 hour, resulting in a total estimated burden of 10 hours ($10 \times 1 = 10$). There is no change in burden.
18. Section 226.6(d)(3) requires SAs to establish alternate procedures for review of institutions for which licensing or approval is not available. Ongoing burden hours: FNA estimates that 10 SAs will each establish 1 alternate procedure annually, for a total of 10 responses ($10 \times 1 = 10$). The estimated average burden per response is 3 hours, resulting in a total estimated burden of 30 hours ($10 \times 3 = 30$). There is no change in burden.
19. Section 226.6(e)(1)(ix)(A) requires SAs to coordinate with the NSLP State agency to ensure the receipt of a list of schools in the State in which at least one-half of the children enrolled are certified eligible to receive free or reduced-price meals. Ongoing burden hours: FNA estimates that 56 SAs will each coordinate with the NSLP State agency once annually, for a total of 56 responses ($56 \times 1 = 56$). The estimated average number of burden hours per response is 30 minutes (0.5 hours), resulting in a total estimated burden of 28 hours ($56 \times 0.5 = 28$). There is no change in burden.
20. Section 226.6(f)(1)(i) requires SAs to annually inform institutions that are pricing programs of their responsibility to ensure that free and reduced-price meals are served to participants unable to pay the full price. Ongoing burden hours: FNA estimates that 56 SAs will each

inform institutions once annually, for a total of 56 responses ($56 \times 1 = 56$). The estimated average number of burden hours per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 14 hours ($56 \times 0.25 = 14$). There is no change in burden.

21. Section 226.6(f)(1)(ii) requires SAs to annually provide all institutions a copy of the income standards to be used by institutions for determining the eligibility of participants for free and reduced-price meals under the Program. These standards are provided in Appendix E5. Child Nutrition Programs Income Eligibility Guidelines. Ongoing burden hours: FNA estimates that 56 SAs will each provide 1 copy of the income standards annually, for a total of 56 responses ($56 \times 1 = 56$). The estimated average burden per response is 30 minutes (0.50 hours), resulting in a total estimated burden of 28 hours ($56 \times 0.50 = 28$). There is no change in burden.
22. Section 226.6(f)(1)(viii)(A) requires SAs provide day care home sponsoring organizations a list of elementary schools in which at least one-half of the children enrolled receive free/reduced-price meals on an annual basis. Ongoing burden hours: FNA estimates that 56 SAs will each provide 11 lists annually, for a total of 616 responses ($56 \times 11 = 616$). The estimated average burden per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 154 hours ($616 \times 0.25 = 154$). There is no change in burden.
23. Section 226.6(f)(1)(viii)(D) requires SAs to provide day care home sponsors a listing of State-funded programs, participation in which a parent or child will qualify for a meal served to a child in a tier II home for the tier I rate of reimbursement on an annual basis. Ongoing burden hours: FNA estimates that 56 SAs will each provide 11 lists annually, for a total of 616 responses ($56 \times 11 = 616$). The estimated average burden per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 154 hours ($616 \times 0.25 = 154$). There is no change in burden.
24. Section 226.6(f)(1)(viii)(E) requires SAs to submit to the SNAP SA a list of family day care home providers receiving Tier I benefits on an annual basis. Ongoing burden hours: FNA estimates that 56 SAs will each submit 1 list annually, for a total of 56 responses ($56 \times 1 = 56$). The estimated average burden per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 14 hours ($56 \times 0.25 = 14$). There is no change in burden.
25. Section 226.6(f)(1)(ix)(A) requires SAs to provide at-risk-afterschool care centers and sponsoring organizations the list of schools in which one-half of children enrolled are eligible for free/reduced-price meals on an annual basis. Ongoing burden hours: FNA estimates that 56 SAs will each provide 1 list annually, for a total of 56 responses ($56 \times 1 = 56$). The estimated average burden per response is 2 hours, resulting in a total estimated burden of 112 hours ($56 \times 2 = 112$). There is no change in burden.
26. Section 226.6(f)(3)(iii) requires SAs to provide census data to day care home sponsoring organizations. Ongoing burden hours: FNA estimates that 56 SAs will each provide 11 census data sets annually, for a total of 616 responses ($56 \times 11 = 616$). The estimated average burden per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 154 hours ($616 \times 0.25 = 154$). There is no change in burden.

27. Section 226.6(h) requires SAs to submit, to the State commodity distribution agency, a list of institutions receiving commodities, by June 1 of each year. Ongoing burden hours: FNA estimates that 15 SAs will each submit 1 list annually, for a total of 15 responses ($15 \times 1 = 15$). The estimated average burden per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 3.75 hours ($15 \times 0.25 = 3.75$). There is no change in burden.
28. Section 226.6(i) requires SAs to develop a standard contract in accordance with section 226.21 for use between institutions and food service management companies. The contract must stipulate the requirements under 226.6(i), as well as adherence to procurement provisions. Ongoing burden hours: FNA estimates that 56 SAs will each develop 1 standard contract annually, for a total of 56 responses ($56 \times 1 = 56$). The estimated average burden per response is 1 hour, resulting in a total estimated burden of 56 hours ($56 \times 1 = 56$). There is no change in burden.
29. Section 226.6(k)(4)(i) requires SAs to annually submit administrative review (appeal) procedures to all institutions. Ongoing burden hours: FNA estimates that 56 SAs will each submit 390 administrative review procedures annually, for a total of 21,840 responses ($56 \times 390 = 21,840$). The estimated average burden per response is approximately 1 minute (0.0167 hours), resulting in a total estimated burden of approximately 364 hours and 44 minutes (364.7280 hours) ($21,840 \times 0.0167 = 364.7280$). There is no change in burden.
30. Section 226.6(k)(4)(ii) requires each SA to submit administrative review (appeal) procedures when applicable action is taken. Ongoing burden hours: FNA estimates that 56 SAs will each submit 5 reports annually for a total of 280 responses ($56 \times 5 = 280$). The estimated average burden per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 70 hours ($280 \times 0.25 = 70$). There is no change in burden.
31. Section 226.6(k)(5)(i) requires SAs to notify the institution's executive director and chairman of the board of directors, and the responsible principals and responsible individuals, of the action being taken or proposed, the basis for the action, and the procedures under which the institution and the responsible principals or responsible individuals may request an administrative review (appeal) of the action. Ongoing burden hours: FNA estimates that 56 SAs will each notify 3 institutions annually, for a total of 168 responses ($56 \times 3 = 168$). The estimated average number of burden hours per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 42 hours ($168 \times 0.25 = 42$). There is no change in burden.
32. Section 226.6(k)(5)(ii) requires the Administrative Review Official to acknowledge the receipt of the request for an administrative review (appeal) within 10 days of its receipt of the request. Ongoing burden hours: FNA estimates that 56 SAs will each acknowledge the receipt of a request from 3 institutions annually, for a total of 168 responses ($56 \times 3 = 168$). The estimated average number of burden hours per response is approximately 5 minutes (0.0835 hours), resulting in a total estimated burden of approximately 14 hours and 2 minutes (14.0280 hours) ($168 \times 0.0835 = 14.0280$). There is no change in burden.

33. Section 226.6(k)(5)(v) requires the Administrative Review Official to review documentation submitted to refute the findings contained in the notice of action. Ongoing burden hours: FNA estimates that 56 SAs will each review documentation from 3 institutions annually, for a total of 168 responses ($56 \times 3 = 168$). The estimated average number of burden hours per response is 2 hours, resulting in a total estimated ongoing burden of 336 hours ($168 \times 2 = 336$). There is no change in burden.
34. Section 226.6(k)(5)(vi) requires the Administrative Review Official to hold a hearing if requested in the written request for an administrative review (appeal). Ongoing burden hours: FNA estimates that 56 SAs will each hold 3 hearings annually, for a total of 168 responses ($56 \times 3 = 168$). The estimated average number of burden hours per response is 4 hours, resulting in a total estimated ongoing burden of 672 hours ($168 \times 4 = 672$). There is no change in burden.
35. Sections 226.6(k)(5)(ix) and 226.6(k)(9) require the Administrative Review Official to inform the SA, the institution's executive director, and chairman of the board of directors, and the responsible principals and responsible individuals, of the administrative review's outcome within 60 days of the State agency's receipt of the request for an administrative review. Ongoing burden hours: FNA estimates that 56 SAs will each inform of the outcome of 3 administrative reviews annually, for a total of 168 responses ($56 \times 3 = 168$). The estimated average number of burden hours per response is 30 minutes (0.5 hours), resulting in a total estimated burden of 84 hours ($168 \times 0.5 = 84$). There is no change in burden.
- 36. Section 226.6(k)(11)(iii) allows the SA to submit, for FNA review, information supporting a request for a reduction in the State's liability, a reconsideration of the State's liability, or an exception to the 60-day deadline, for exceptional circumstances. FNA estimates that on average there will be 5 State agencies that will each file 1 request annually for a total of 5 responses ($5 \times 1 = 5$). The estimated average number of burden hours per response is 4 hours resulting in estimated total burden hours of 20 ($5 \times 4 = 20$). This is a new information collection requirement which was proposed by the Child Nutrition Program Integrity Final Rule. This requirement is now being merged into this collection and adds 20 hours and 5 responses to OMB's inventory due to a program change.**
37. Section 226.6(l) mandates that the SA establish/revise administrative review (appeal) procedures for day care home providers AND notify the appropriate FNARO of any change to the procedures or the selected option for offering an administrative review (appeal) to day care home providers. Ongoing burden hours: FNA estimates that 18 SAs will each establish/revise procedures and send 1 notice annually for a total of 18 responses ($18 \times 1 = 18$). The estimated average burden per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 4 hours and 30 minutes (4.5 hours) ($18 \times 0.25 = 4.50$). There is no change in burden.
- 38. Section 226.6(m)(3)(ix) requires that State agencies assess the timing of each sponsoring organization's reviews of day care homes and sponsored centers. FNA estimates that there are 56 State agencies that will each have to review the timing of 390 sponsors, for**

a total of 21,840 reviews annually ($56 \times 390 = 21,840$). The estimated average number of burden hours per review is 10 minutes (.167 hours), resulting in estimated total burden hours of 3,640 ($21,840 \times .17 = 3,640$). This is a new information collection requirement that is being merged into this collection as a result of the Child Nutrition Program Integrity Final Rule. This merge adds 3,640 burden hours and 21,840 responses to the collection due to a program change.

39. Section 226.6(m)(5) states that SAs must submit to FNAROs, no later than April 1, 2005, the policies and procedures they have developed governing household contacts. Because SAs have already submitted these policies and procedures, now the burden associated with this requirement is to revise/update the established procedures, as necessary. Ongoing burden hours: FNA estimates that 15 SAs will each submit to FNARO revisions/edits to household contact policies once a year, for a total of 15 responses ($15 \times 1 = 15$). The estimated average burden per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 3 hours and 45 minutes (3.75 hours) ($15 \times 0.25 = 3.75$). There is no change in burden.
40. Section 226.6(m)(6) requires SAs to annually review at least 33.3 percent of all institutions. As part of its conduct of reviews, the SA must assess each institution's compliance with the requirements of 7 CFR 226 pertaining to: recordkeeping; meal counts; administrative costs; FNA instructions and handbooks; facility licensing and approval (if sponsoring organization); participant enrollment and eligibility; Civil Rights requirements; meal service; training and monitoring of facilities (if sponsoring organization); serious deficiency and termination procedures (if sponsoring organization); classification of Tier I and Tier II day care homes (if sponsoring organization); agreements; procurement standards, policies and actions; and all other Program requirements. Ongoing burden hours: FNA estimates that 56 SAs will each review 129 institutions annually, for a total of 7,224 responses ($56 \times 129 = 7,224$). The estimated average number of burden hours per response is 20 hours, resulting in a total estimated burden of 144,480 hours ($7,224 \times 20 = 144,480$). There is no change in burden.
- 41. Section 226.6(m)(6) requires that State agencies conduct reviews every two years for sponsoring organizations with less than 100 facilities and conduct activities other than the CACFP or are at risk of having serious management problems. FNA estimates that each of the 56 State agencies will each conduct 20 reviews for sponsoring organizations every two years (nationwide, average 10 with less than 100 centers and conduct activities other than CACFP and average 10 having serious management problems), for a total of 1,120 reviews biennially ($56 \times 20 = 1,120$). The estimated average number of burden hours per response is 4 hours resulting in estimated total burden hours of 4,480 ($1,064 \times 4 = 4,480$). This is a new information collection requirement that is being merged into this collection as a result of the Child Nutrition Program Integrity Final Rule. With this merge it adds 4,480 burden hours and 1,120 responses into the collection due to a program change.**

42. Section 226.6(p) requires SAs develop/revise and provide sponsoring organization agreement between sponsor and facilities. Ongoing burden hours: FNA estimates that 15 SAs will each provide a revised agreement once a year, for a total of 15 responses ($15 \times 1 = 15$). The estimated average burden per response is 6 hours, resulting in a total estimated burden of 90 hours ($15 \times 6 = 90$). There is no change in burden.
- 43. Section 226.6(p) requires State agencies to develop/revise and provide a sponsoring organization agreement between sponsor and facilities, which must have standard provisions. FNA estimates that there are 56 State agencies that will each have to develop 1 agreement, for a total of 56 agreements, as a one-time burden ($56 \times 1 = 56$). The estimated average number of burden hours per agreement is 6 hours, resulting in estimated total burden hours of 336 ($56 \times 6 = 336$). This is a new information collection requirement that is being merged into this collection as a result of the Child Nutrition Program Integrity Final Rule. This merges 336 burden hours and 56 responses into the collection due to a program change.**
44. Sections 226.6(r) requires SAs to provide information on the importance and benefits of the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) and WIC income eligibility guidelines to participating institutions. Ongoing burden hours: FNA estimates that 56 SAs will each disseminate information once annually, for a total of 56 responses ($56 \times 1 = 56$). The estimated average number of burden hours per response is 15 minutes (0.25 hours), resulting in a total estimated burden of 14 hours ($56 \times 0.25 = 14$). There is no change in burden.
- 45. Section 226.7(b)(1) requires that State agencies have procedures in place for annually reviewing at least one month of the sponsoring organization's bank account activity against other associated records to verify that the transactions meet program requirements. FNA estimates that each of the 56 State agencies will each have reviewing procedures in place to review sponsoring organization's bank account activity, for a total of 56 procedures annually ($56 \times 1 = 56$). The estimated average number of burden hours per response is 1 hour resulting in estimated total burden hours of 56 ($56 \times 1 = 56$). This is a new information collection requirement that is being merged into this collection as a result of the Child Nutrition Program Integrity Final Rule. This merge adds 56 burden hours and responses into this collection due to a program change.**

The estimated average number of burden hours per State agency is 1 hour, resulting in estimated total burden hours of 623 ($1 \times 623 = 623$). This is a new information collection requirement that is being merged into this collection as a result of the Child Nutrition Program Integrity Final Rule. This merges 623 burden hours and responses into the collection due to a program change.**
52. Sections 226.7(h), 226.7(i), and 226.7(j) require SAs to establish procedures for start-ups, advances, and recovery of over-payments. Annually, SAs revise/edit these policies, as necessary. Ongoing burden hours: FNA estimates that 10 SAs will each revise/edit their policies once a year, for a total of 10 responses ($10 \times 1 = 10$). The estimated average burden per response is 2 hours, resulting in a total estimated burden of 20 hours ($10 \times 2 = 20$). There is no change in burden.
- 53. Section 226.7(j) requires each State agency to establish procedures to recover administrative funds from sponsoring organizations of day care homes that are not properly payable under FNS Instruction 796-2, administrative funds that are in excess of the 10 percent maximum carryover amount, and carryover amounts that are not**

FNA estimates that there are 56 State agencies that will each establish 1 procedure, for a one-time burden total of 56 responses ($56 \times 1 = 56$). The estimated average number of burden hours per State agency is 2 hours, resulting in estimated total burden hours of 112 ($2 \times 56 = 112$). This is a new information collection requirement that is being merged into this collection as a result of the Child Nutrition Program Integrity Final Rule. This merge adds 112 burden hours and 56 responses to the collection due to a program change.

54. Section 226.7(k) requires each SA to process claims for reimbursement to institutions on a monthly basis. Ongoing burden hours: FNA estimates that 56 SAs will each process claims for reimbursement 12 times each year, for a total of 672 responses ($56 \times 12 = 672$). The estimated average burden per response is 1 hour, resulting in a total estimated burden of 672 hours ($672 \times 1 = 672$). There is no change in burden.
55. Section 226.9(a) requires each SA to annually assign rates of reimbursement to institutions on the basis of family-size and income information, and national average payment rates. 56. Section 226.10(e) requires SAs make adjustments to a final Claim for Reimbursement postmarked and/or submitted to the SA no later than 60 days following the last day of the full month covered by the claim. Ongoing burden hours: FNA estimates that 56 SAs will each make adjustments to final Claims for Reimbursement 12 times a year, for a total of 672 responses ($56 \times 12 = 672$). The estimated average burden per response is 2 hours, resulting in a total estimated burden of 1,344 hours ($672 \times 2 = 1,344$). There is no change in burden.
57. **Section 226.12(a) requires the State agency to multiply the appropriate administrative reimbursement rate by the number of day care homes submitting claims for reimbursement during the month, to determine the amount of payment that sponsoring organizations will receive. FNA estimates that there are 56 State agencies that will each determine payments for 11 sponsors, for a total of 623 sponsors paid annually ($56 \times 11 = 623$). The estimated average number of burden hours per sponsor's calculation is ten minutes per year (.167 hours), resulting in estimated total burden hours of 104 ($623 \times .167 = 104$). This is a new information collection requirement that is being merged into this collection as a result of the Child Nutrition Program Integrity Rule. This merge adds 104 burden hours and 623 responses to the collection due to a program change.**

The estimated average burden per response is approximately 1 minute (0.0167 hours), resulting in a total estimated burden of approximately 36 hours and 29 minutes (36.4728 hours) ($2,184 \times 0.0167 = 36.4728$). There is no change in burden.
59. Section 226.23(l) states that SAs must obtain written consent from children's parents or guardians prior to the use or disclosure of information, if the SA plans to use or disclose information about children eligible for free/reduced-price meals in ways not specified in the regulations. Ongoing burden hours: FNA estimates that none of the 56 SAs plan to use or disclose information about children eligible for free/reduced-price meals in ways not specified in the regulations. Therefore, the total burden hours associated with this requirement is 0. There is no change in burden.
60. Sections 226.23(m)(1) and 226.23(m)(2) state that SAs should enter into a written agreement with the party requesting children's free/reduced-price eligibility information. Ongoing burden hours: FNA estimates that all 56 SAs already have entered into written agreements with the parties requesting children's free/reduced-price eligibility information. Therefore, the total burden hours associated with this requirement is 0. There is no change in burden.
61. Section 226.24 states that administering agencies must follow the policies and procedures governing title, use, and disposition of equipment obtained by purchase, whose cost was acquired in whole or part with food service equipment assistance funds. Ongoing burden hours: FNA believes that all administering agencies have already established the policies and procedures governing the use, title, and disposition of equipment. Therefore, the total burden hours associated with this requirement is 0. There is no change in burden.
- 62. Section 226.25(j) requires that State agencies notify SFAs of fines and submit a copy of the notice to FNA. This merge adds 15.12 burden hours and 5.04 responses to the collection due to a program change.**

Local Government Agencies

FNS separated burden to institutions into: (1) burden to institutions that are local government agencies and (2) burden to institutions that are businesses. FNS estimates that, in total, there are 21,858 institutions. Of these, 3,257 are local government agencies (14.9%) and 18,601 are businesses (85.1%). This section of the burden narrative describes the burden associated with institutions that are local government agencies.

1. **Section 226.6(b) requires that each participating institution submit annual updates to continue its participation (annual certification of information, updated licensing information, and a budget). This replaces the renewal application process in 226.6(f)(2)(i). FNA estimates that there are 3,257 institutions that will each have 1 annual update, for a total of 3,257 updates annually ($3,257 \times 1 = 3,257$). The estimated average number of burden hours per review is 20 minutes (.33 hours), resulting in estimated total burden hours of 1,088 ($3,257 \times .334 = 1,088$). This requirement is currently approved with 1,629 burden hours and 3,257 responses. FNA originally estimated the time to complete this requirement at 30 minutes (0.5 hours). However, as a result of the Child Nutrition Program Integrity Final Rule, institutions will now be able to submit updates rather than renewal applications. This change reduced the estimated completion time from 30 to 20 minutes. As a result, this final rule will reduce the burden by 541 burden hours, from 1,629 to 1,088 hours. The number of responses remains unchanged at 3,257. The reduction in the burden hours is due to a program change.**
2. Section 226.6(b)(4) requires an institution that has been approved for participation in the Program to enter into written agreement with the SA (State/Institution agreement). Ongoing burden hours: FNA estimates that 42 institutions that are local government agencies will each enter into 1 written agreement with SAs annually, for a total of 42 responses ($42 \times 1 = 42$). The estimated average number of burden hours per response is 30 minutes (0.5 hours), resulting in a total estimated burden of 21 hours ($42 \times 0.5 = 21$). There is no change in burden.
3. Sections 226.6(d), 226.6(e), and 226.6(f)(1)(vi) require that sponsors and institutions submit documentation to SAs to demonstrate that facilities are in compliance with licensing/approval criteria. Ongoing burden hours: FNA estimates 3,257 institutions that are local government agencies will each submit 1 set of documentation annually, for a total of 3,257 responses ($3,257 \times 1 = 3,257$). The estimated average burden per response is approximately 5 minutes (0.0835 hours), resulting in a total estimated burden of approximately 271 hours and 58 minutes (271.9595 hours) ($3,257 \times 0.0835 = 271.9595$). There is no change in burden.
4. Section 226.6(f)(1)(iii) requires centers to submit current eligibility information on enrolled participants, in order to calculate a blended rate or claiming percentage in accordance with section 226.9(b). Ongoing burden hours: FNA estimates 3,257 institutions that are local government agencies will each submit eligibility information 12 times each year, for a total of 39,084 responses ($3,257 \times 12 = 39,084$). The estimated average burden per response is 30 minutes (0.50 hours), resulting in a total estimated burden of 19,542 hours ($39,084 \times 0.5 = 19,542$). There is no change in burden.
5. **Section 226.6(f)(1)(iv) requires sponsoring organizations of day care homes seeking to carry over administrative funds to submit an amended budget, to include an estimate of requested administrative fund carryover amounts and a description of proposed purpose for which those funds would be obligated or expended. FNA estimates that there are 83 sponsoring organizations that will each file 1 report, for a total of 83 reports ($83 \times 1 = 83$). The estimated average number of burden hours per report is 1**

hour, resulting in estimated total burden hours of 83 ($1 \times 83 = 83$). This is a new information collection requirement that is being merged into this collection as a result of the Child Nutrition Program Integrity Final Rule. This merges 83 burden hours and responses to this collection due to a program change.

FNA estimates that there are 32 sponsoring organizations that will each enter into 10 agreements, for a total of 320 agreements as a one-time burden ($32 \times 10 = 320$). The estimated average number of burden hours per review is 30 minutes (.5 hours), resulting in estimated total burden hours of 160 ($320 \times .5 = 160$). This is a new information collection requirement that is being merged into this collection as a result of the Child Nutrition Program Integrity Final Rule. This merges 160 burden hours and 320 responses into this collection due to a program change.**
9. **Section 226.7(b)(1) requires sponsoring organizations to annually provide State agencies with bank account activity against other associated records to verify that the transactions meet program requirements. FNA estimates that there are 3,257 sponsoring organizations that are local agencies. Each sponsoring organization will submit 1 bank statement to their respective State agency, resulting in 3,257 annual records ($3,257 \times 1 = 3,257$). FNS estimates that it will take an average of 15 minutes (0.25 hours) per response; therefore, this change will result in an estimated total burden hours of 814 hours annually ($3,257 \times 0.25 = 814$). This is a new information collection requirement that is being merged into this collection as a result of the Child Nutrition Program Integrity Final Rule. This merge adds 814 burden hours and 3,257 responses into this collection due to a program change.**
10. **Section 226.7(b)(1)(i) requires sponsoring organizations to provide State agency with actual expenditures of CACFP funds and the amount of meal reimbursement funds retained from unaffiliated centers to support the sponsoring organization's administrative costs. FNA estimates that 32 sponsoring organizations will provide their**

State agency with 1 actual expenditure of CACFP funds and the amount of meal reimbursement funds retained from unaffiliated centers, for a total of 32 expenditures annually ($32 \times 1 = 32$). FNA estimates that it will take an average of 1 hour per submission; therefore, this change will result in an estimated total burden hours of 32 hours annually ($32 \times 1 = 32$). This is a new information collection requirement that is being merged into this collection as a result of the Child Nutrition Program Integrity Final Rule. This merge adds 32 burden hours and responses into this collection due to a program change.

26. Section 226.17a(h) requires independent at-risk afterschool care centers or sponsors of at-risk afterschool care centers to advise the SA of any substantive changes to the afterschool care program. Sponsoring organizations that want to add new at-risk afterschool care centers must provide the SA with the information sufficient to demonstrate that the new centers meet the requirements of this section. Ongoing burden hours: FNA estimates that 564 institutions that are local government agencies will each advise the SA of 1 substantive change annually for a total of 564 responses ($564 \times 1 = 564$). The estimated average burden per response is 30 minutes (0.5 hours), resulting in a total estimated burden of 282 hours ($564 \times 0.5 = 282$). There is no change in burden.
27. Section 226.23 describes the free/reduced-price meal requirements applicable to independent centers and sponsoring organizations. Ongoing burden hours: FNA estimates that 3,791 institutions that are local government agencies will comply with the free/reduced-price meal requirements each year, for a total of 3,791 responses ($3,791 \times 1 = 3,791$). The estimated average burden per response is approximately 1 minute (0.0167 hours), resulting in a total estimated burden of approximately 63 hours and 18 minutes (63.3097 hours) ($3,791 \times 0.0167 = 63.3097$). There is no change in burden.
28. **Section CFR 226.23(e)(1)(vii) states that if a tier II day care home elects to assist in collecting and transmitting the applications to the sponsoring organization, sponsoring organizations must establish procedures to ensure the provider does not review or alter the application. FNA estimates that 83 sponsoring organizations will establish procedures, for a total of 83 records as a one-time burden ($83 \times 1 = 83$). The estimated average number of burden hours per response is 1 hour resulting in estimated total burden hours of 83 ($83 \times 1 = 83$). This is a new information collection requirement that is being merged into this collection as a result of the Child Nutrition Program Integrity Final Rule. This merge adds 83 burden hours and responses into this collection due to a program change.**
29. Section 226.23(l) states that child care institutions that plan to use or disclose information about children eligible for free/reduced-price meals in ways not specified in the regulations must obtain written consent from children's parents or guardians prior to the use or disclosure. Ongoing burden hours: FNA estimates that 29 institutions that are local government agencies will each obtain 1 written consent, for a total of 29 responses ($29 \times 1 = 29$). The estimated average burden per response is approximately 5 minutes (0.0835 hours), resulting in a total estimated burden of approximately 2 hours and 25 minutes (2.4215 hours) ($29 \times 0.0835 = 2.4215$). There is no change in burden.

30. Section 226.23(m) states that a child care institution should have a written agreement or Memorandum of Understanding (MOU) with programs or individuals receiving eligibility information, prior to disclosing children's free and reduced-price meal eligibility information. Ongoing burden hours: FNA estimates that 29 institutions that are local government agencies will each have 1 agreement or MOU, for a total of 29 responses ($29 \times 1 = 29$). The estimated average burden per response is approximately 5 minutes (0.0835 hours), resulting in a total estimated burden of approximately 2 hours and 25 minutes (2.4215 hours) ($29 \times 0.0835 = 2.4215$). There is no change in burden.
31. **Section 226.25 states that SFAs may appeal the State agency's determination of fines. SFAs must submit to the State agency any pertinent information, explanation, or evidence addressing the Program violations identified by the State agency. Any SFA seeking to appeal the State agency determination must follow State agency appeal procedures. FNA estimates that 5 SFAs will appeal the State agency's determination of violations and fines, for a total of 5 records annually ($5 \times 1 = 5$). The estimated average number of burden hours per response is 8 hours resulting in estimated total burden hours of 40 ($5 \times 8 = 40$). This is a new information collection requirement being merged into this collection as a result of the Child Nutrition Program Integrity Final Rule. This merge adds 40 burden hours and 5 responses to this collection due to a program change.**

AFFECTED PUBLIC: BUSINESSES

Institutions

FNS separated burden to institutions into: (1) burden to institutions that are local government agencies and (2) burden to institutions that are businesses. FNS estimates that, in total, there are 21,858 institutions. Of these, 3,257 are local government agencies (14.9%) and 18,601 are businesses (85.1%). This section of the burden narrative describes the burden associated with institutions that are businesses.

- 1. Section 226.6(b) requires that each participating institution submit annual updates to continue its participation (annual certification of information, updated licensing information, and a budget). This replaces the renewal application process in 226.6(f)(2)(i). FNA estimates that there are 18,601 institutions that will each have 1 annual update, for a total of 18,601 updates annually ($18,601 \times 1 = 18,601$). The estimated average number of burden hours per review is 20 minutes (.334 hours), resulting in estimated total burden hours of 6,213 ($18,601 \times .334 = 6,138$). This requirement is currently approved with 9,301 burden hours and 18,601 responses. FNA originally estimated that it would take participating institutions 30 minutes (0.50 hours) to complete the information. However, with the changes resulting from the Child Nutrition Program Integrity Final Rule, FNA now estimates that it will take 20 minutes to complete this requirement since the participating institutions can now submit updates rather than a renewal application. This change will reduce the burden hours by 3,088 hours ($9,301 - 6,213 = 3,088$), from 9,301 to 6,213 hours. However, the number of responses will remain unchanged at 18,601 responses. This reduction in the burden hours is due to a program change.**
2. Section 226.6(b)(4) requires SA to enter into written agreement with an institution that has been approved for participation in the Program (State/Institution agreement). Ongoing burden hours: FNA estimates that 238 institutions that are businesses will each enter into 1 written agreement with SAs annually, for a total of 238 responses ($238 \times 1 = 238$). The estimated average number of burden hours per response is 30 minutes (0.5 hours), resulting in a total estimated burden of 119 hours ($238 \times 0.5 = 119$). There is no change in burden.
3. Sections 226.6(d), 226.6(e), and 226.6(f)(1)(vi) require that sponsoring organizations and institutions submit documentation to SAs in order to demonstrate that facilities are in compliance with licensing/approval criteria. Ongoing burden hours: FNA estimates that 18,601 institutions that are businesses will each submit 1 set of documentation annually, for a total of 18,601 responses ($18,601 \times 1 = 18,601$). The estimated average burden per response is approximately 5 minutes (0.0835 hours), resulting in a total estimated burden of approximately 1,553 hours and 11 minutes (1,553.1835 hours) ($18,601 \times 0.0835 = 1,553.1835$). There is no change in burden.

4. Section 226.6(f)(1)(iii) requires centers to submit current eligibility information on enrolled participants, in order to calculate a blended rate or claiming percentage in accordance with section 226.9(b). Ongoing burden hours: FNA estimates that 18,601 institutions that are businesses will each submit eligibility information 12 times each year, for a total of 223,212 responses ($18,601 \times 12 = 223,212$). The estimated average burden per response is 30 minutes (0.50 hours), resulting in a total estimated burden of 111,606 hours ($223,212 \times 0.5 = 111,606$). There is no change in burden.

5. **Section 226.6(f)(1)(iv) requires sponsoring organizations of day care homes seeking to carry over administrative funds to submit an amended budget, to include an estimate of requested administrative fund carryover amounts and a description of proposed purpose for which those funds would be obligated or expended. FNA estimates that there are 540 sponsoring organizations that will each file 1 report, for a total of 540 reports ($540 \times 1 = 540$). The estimated average number of burden hours per report is 1 hour, resulting in estimated total burden hours of 540 ($1 \times 540 = 540$). This is a new information collection requirement that is being merged into this collection as a result of the Child Nutrition Program Integrity Final Rule. This merge adds 540 burden hours and responses into the collection due to a program change.**
6. Section 226.6(f)(1)(viii)(E) requires sponsoring organizations of day care homes to submit annually a list of family day care home providers receiving tier I benefits based on SNAP participation. Ongoing burden hours: FNA estimates that 540 sponsoring organizations of day care homes will each submit 1 list annually, for a total of 540 responses ($540 \times 1 = 540$). The estimated average burden per response is approximately 1 minute (0.0167 hours), resulting in a total estimated burden of approximately 9 hours and 1 minute (9.0180 hours) ($540 \times 0.0167 = 9.0180$). There is no change in burden.
7. Section 226.6(n) mandates sponsoring organizations participate and provide necessary documentation requested as part of investigations. Ongoing burden hours: FNA estimates that 51 institutions that are businesses will each provide 1 set of documentation annually, for a total of 51 responses ($51 \times 1 = 51$). The estimated average burden per response is 1 hour and 30 minutes (1.50 hours), resulting in a total estimated burden of 76 hours and 30 minutes (76.50 hours) ($51 \times 1.50 = 76.50$). There is no change in burden.
8. **Sections 226.6(p), 226.17(e), (f), 226.17a(f), 226.19(d), and 226.19a(d) require that each sponsoring organization must enter into permanent agreements with their unaffiliated centers. FNA estimates that there are 1,030 institutions that will each enter into 10 agreements, for a total of 10,300 agreements as a one-time burden ($1,030 \times 10 = 10,300$). The estimated average number of burden hours per review is 30 minutes (.5 hours), resulting in estimated total burden hours of 5,150 ($10,300 \times .5 = 5,150$). This is a new information collection requirement that is being merged into this collection as a result of the Child Nutrition Program Integrity Final Rule. This merge adds 5,150 burden hours and 10,300 responses into this collection due to a program change.**

9. **Section 226.7(b) requires that sponsoring organizations provide the State agency with actual expenditures of CACFP funds and the amount of meal reimbursement funds retained from unaffiliated centers to support the sponsoring organization's administrative costs. FNA estimates that 1,030 sponsoring organizations of unaffiliated centers will provide their State agency with actual expenditures of CACFP funds and the amount of meal reimbursement funds retained from 1 unaffiliated center to support the sponsoring organization's administrative costs for a total of 1,030 annual records ($1,030 \times 1 = 1,030$). FNA expects it will take an average of 1 hour for the sponsoring organization to report CACFP funds and meal reimbursement funds to the State agency, resulting in an estimated total burden hours of 1,030 ($1,030 \times 1 = 1,030$). This is a new information collection requirement that is being merged into this collection as a result of the Child Nutrition Program Integrity Final Rule. This merge adds 1,030 burden hours and responses into the collection due to a program change.**
10. **Section 226.7(b)(1)(i) requires sponsoring organizations to annually provide State agencies with bank account activity against other associated records to verify that the transactions meet program requirements. FNA estimates that there are 18,601 sponsoring organizations that are businesses, each of which will submit 1 month's bank statement to their State agency for a total of 18,601 annual records. FNS expects it will take an average of 15 minutes (0.25 hours) for the sponsoring organization to report their bank activity to the State agency, resulting in estimated total burden hours of 4,650 ($18,601 \times 0.25 = 4,650$). This is a new information collection requirement that is being merged into this collection as a result of the Child Nutrition Program Integrity Final Rule. This merge adds 4,650 burden hours and 18,601 responses into this collection due to a program change.**
11. Section 226.7(g) requires sponsoring organizations to submit an administrative budget to the SA annually, and independent centers must submit budgets as frequently as required by the SA. The estimated average burden per response is 30 minutes (0.50 hours), resulting in a total estimated burden of 9,300 hours and 30 minutes ($9,300.50$ hours) ($18,601 \times 0.50 = 9,300.50$). There is no change in burden.

There is no change in burden.
15. Section 226.15(b) requires new and participating institutions to submit to the SA, with its application, all information required for its approval.
