

Civil Nuclear Industry Listing Application

Is Your Organization Eligible for ITA's Civil Nuclear Industry Listing?

Our Civil Nuclear Industry Listing Application, hereafter referred to as "application", provides a preliminary determination of your eligibility for the program based on your answers to questions about your organization, and allows you to submit an application for review and to be added to the listing.

OMB Control Number: XXXX-XXXX

Expiration Date: XX/XX/XXXX

Public Burden Statement

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is XXXX-XXXX. Without this approval, we could not conduct this information collection. Public reporting for this information collection is estimated to be approximately 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are voluntary. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the International Trade Administration Paperwork Reduction Act Program: pra@trade.gov.

When you submit this form, it will not automatically collect your details like name and email address unless you provide it yourself.
