Call for Speakers for 2026-2027 SelectUSA Programming

This application offers an opportunity to submit a speaker and topic for SelectUSA programming, including the 2027 SelectUSA Investment Summit.

SelectUSA is the U.S. government program led by the U.S. Department of Commerce that focuses on facilitating job-creating business investment into the United States and raising awareness of the critical role that economic development plays in the U.S. economy.

The SelectUSA Investment Summit is the highest profile event in the United States to facilitate business investment by connecting thousands of investors, companies, economic development organizations (EDOs), and industry experts to make deals happen.

The full calendar of events is available on [SelectUSA's website](#).

SelectUSA's programming strives to provide its clients with relevant and informative topics, representing a variety of perspectives and a balance of fundamentals and emerging trends in the conversation around foreign direct investment into the United States. **To ensure this, SelectUSA endeavors to offer a balance of both returning and new speakers and topics.**

Submitting an application does not guarantee a speaking opportunity or the selection of your proposed topic. Due to the high volume of submissions, SelectUSA carefully reviews all recommendations, but is unable to accommodate every request. Topics may be adapted, integrated, or used to inform broader programming priorities at the discretion of the SelectUSA team. If your submission is selected, a member of the SelectUSA team will contact you directly to confirm participation.

Applications submitted by September 4, 2026 will receive priority consideration for the 2027 Investment Summit, and applications submitted after that date will be considered for SelectUSA year-round programming and address any gaps in the 2027 Investment Summit program.
