 PUBLIC SUBMISSION

## Comment from Alex Siebert

Posted by the **Food and Drug Administration** on Sep 11, 2025

[Docket \(/docket/FDA-2025-N-1732\)](#) / [Document \(FDA-2025-N-1732-0001\) \(/document/FDA-2025-N-1732-0001\)](#) / [Comment](#)

Comment

The purpose of FOIA is to disclose information to the public, unless there is a legitimate and imminent reason in which doing so would be detrimental. It should not an increased public burden requiring this information, which is quite unnecessary, as well as an increased burden upon the agency. These FOIA requests already take too long, and this would only increase that amount of time.
