Hello,

In reviewing the HRSA UDS Report 2026 Program Assistance Letter (PAL), we see that new lines have been added to table 6A for the "Selected Patient Support Services". One of those lines, line 35, is for Case Management, and includes a list of applicable CPT-4 and HCPCS codes. We think the following 3 codes (see below) may need to be included - these are the "Advanced Primary Care" codes which are care management codes as well. More information can be found here:

<https://www.cms.gov/medicare/payment/fee-schedules/physician-fee-schedule/advanced-primary-care-management-services>

The codes are:

- G0556
- G0557
- G0558
