Filing a complaint with CMS is voluntary. However, without the information requested on the complaint form, CMS may be unable to proceed with the complaint. CMS collects this information under authority of 68 FR 60694 (October 23, 2003) issued pursuant to the HIPAA. CMS will use the information provided to determine if CMS has jurisdiction and, if so, how CMS will process the complaint. Information submitted on the complaint form is treated confidentially and is protected under the provisions of the Privacy Act of 1974. Names or other identifying information about individuals are disclosed only when it is necessary for investigation of possible HIPAA A.S. Non-privacy violations, for internal systems operations, or for routine uses, which include disclosure of information outside the Department for purposes associated with HIPAA A.S. Non-Privacy compliance and as permitted by law. To submit an electronic complaint, go to https://asett.cms.gov	
During the course of an investigation, NSG may need to request additional information from the complainant to investigate the complaint's allegations. In the event of such a request, it will be sent from HIPAAComplaint@cms.hhs.gov . When providing a response to NSG, please ensure that your response does not contain Protected Health information (PHI) or Personally Identifiable Information (PII), or send your response containing PHI or PII in an encrypted file, with the decryption key sent in separate email.
