

## Encounter Data Connect:Direct Form

OMB No. 0938-1152  
Expires 07/31/2027

### **Contact Information**

Contact the Customer Service Support Center (CSSC) Help Desk with any questions using the following contact information:

**Phone Number:** 1-877-534-2772

**Email Address:** [csscooperations@palmettogba.com](mailto:csscooperations@palmettogba.com)

### **Network Mapping Values**

In order to set up network mapping entry by the submitter, the following values are provided. Palmetto GBA uses Secure Point of Entry (SPOE) to enforce data security. The CSSC Help Desk will provide the Network Address Translation (NAT) IP Address and Listener Port to the submitter during the connectivity testing phase.

|                 |               |
|-----------------|---------------|
| Node ID         | SCA.A70NDM.MC |
| System Platform | OS390, z/OS   |

### **Data Submission Information**

Listed below are values needed by the submitter in order to code Connect:Direct scripts. The CSSC Help Desk will provide the Submitter ID value that will be used in the Data Set Name (DSN).

|          |                                           |
|----------|-------------------------------------------|
| DSN      | MAB.PROD.NDM.PROD.EDST.<submitter id>(+1) |
| DSN TEST | MAB.PROD.NDM.TEST.EDST.<submitter id>(+1) |
| DISP     | (NEW,CATLG,DELETE)                        |
| UNIT     | SYSDG                                     |
| SPACE    | (CYL,(100,100),RLSE)                      |
| DCB      | (RECFM=FB,LRECL=80,BLKSIZE=27920)         |

### **Submitter's Network Mapping Values**

Provide the following network mapping values to establish bi-directional data transfers with Palmetto GBA.

|                                                            |                                                                                                 |
|------------------------------------------------------------|-------------------------------------------------------------------------------------------------|
| NAT IP Address<br>(Obtain from the Network Service Vendor) |                                                                                                 |
| Listener Port                                              |                                                                                                 |
| Node ID                                                    |                                                                                                 |
| System Platform                                            | <input type="radio"/> Mainframe<br><input type="radio"/> AS/400<br><input type="radio"/> Server |

### **Additional Information**

If submitting data files, the Production ID is required. If the submitter's system requires login credentials to receive data files, provide the Login ID.

|                        |  |
|------------------------|--|
| Production ID          |  |
| Login ID               |  |
| Technical Contact Name |  |
| Phone Number           |  |
| E-mail Address         |  |

### **Dataset Names**

To receive multiple data files and prevent overwriting existing files, it is recommended that Generational Data Group (GDG) dataset names (mainframe platform only) or dataset names containing date and timestamp (any platform) are provided.

**Frequency** = Daily

|                  |                            |
|------------------|----------------------------|
| Invalid Response |                            |
| Format           | DSORG=PS,LRECL=80,RECFM=FB |
| Dataset Name     |                            |

|                              |                            |
|------------------------------|----------------------------|
| TA1 Acknowledgement Response |                            |
| Format                       | DSORG=PS,LRECL=80,RECFM=FB |
| Dataset Name                 |                            |

| 999A Acknowledgement Response |                            |
|-------------------------------|----------------------------|
| Format                        | DSORG=PS,LRECL=80,RECFM=FB |
| Dataset Name                  |                            |

| 999R Acknowledgement Response |                            |
|-------------------------------|----------------------------|
| Format                        | DSORG=PS,LRECL=80,RECFM=FB |
| Dataset Name                  |                            |

| 277CA Acknowledgement Response |                            |
|--------------------------------|----------------------------|
| Format                         | DSORG=PS,LRECL=80,RECFM=FB |
| Dataset Name                   |                            |

| MAO-001 Data Duplicates Report |                             |
|--------------------------------|-----------------------------|
| Format                         | DSORG=PS,LRECL=287,RECFM=FB |
| Dataset Name                   |                             |

| MAO-001 Data Duplicates File |                             |
|------------------------------|-----------------------------|
| Format                       | DSORG=PS,LRECL=287,RECFM=FB |
| Dataset Name                 |                             |

| MAO-002 Data Processing Status Report |                             |
|---------------------------------------|-----------------------------|
| Format                                | DSORG=PS,LRECL=154,RECFM=FB |
| Dataset Name                          |                             |

| MAO-002 Data Processing Status File |                             |
|-------------------------------------|-----------------------------|
| Format                              | DSORG=PS,LRECL=154,RECFM=FB |
| Dataset Name                        |                             |

**New users should not request access to this report because it is no longer being produced.**

| Medicare Advantage Dental Validation Report |                             |
|---------------------------------------------|-----------------------------|
| Format                                      | DSORG=PS,LRECL=133,RECFM=FB |
| Dataset Name                                |                             |

---

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-1152. The time required to complete this information collection is estimated to average 10 minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Baltimore, Maryland 21244-1850.
