

**Crosswalk of Changes to the Supporting Statement - Part A for Requirements
Related to Surprise Billing; Part II (CMS-10791 / OMB Control No. 0938-1433)**

The chart below outlines the major revisions made to the Supporting Statement Part A to update existing cost and burden estimates using the latest wage data.

Section	Pages Affected	Changes Made	Rationale for Change
12. Burden Estimates (Hours & Wages)	5	Updated Table 1 wage rate data.	To reflect the most current wage figures.
12.1 Notice of Right to a GFE - for Providers associated with Health Care Facilities, Individual Physician Practitioners and Wholly-Physician-Owned Private Practices	6-12	- Removed one-time costs incurred after the implementation of the 2021 interim final rules. - Removed Tables 2-7.	The one-time costs were incurred following implementation of the October 2021 interim final rules, and HHS assumes that any new providers entering the industry afterward would have already incurred these costs through their parent organization or during initial setup.
12.2 GFEs for Uninsured/Self-Pay Individuals	6-12	Added Table 2	To summarize annual cost and hour burden for all health care providers and health care facilities to generate good faith estimate.
12.2 GFEs for Uninsured/Self-Pay Individuals	14	Removed Tables 8 and 9	This information should be accounted for in Section 13 (Capital Costs).

12.2 GFEs for Uninsured/Self-Pay Individuals - Summary (Table 10)	15	• Updated postage rates. Updated summary Table 10 (Table 3 now) using current and postage rates. • Removed the printing and mailing cost providing GFEs.	• To ensure burden estimates reflect current wage and postage rates. • To shift it to Section 13 (Capital Costs), where it should be accounted.
12.4 SDR Entity Certification/Recertification	15-16	• Revised the recertification burden cost using the most recent wage data and updated Table 11 (Table 4 now) accordingly.	• To ensure burden estimates reflect current wage data.
Summary Table (Table 12)	16	• Updated Summary Table 12.	• To ensure burden estimates for the information requirements reflect current data.
13. Capital Costs	17	• Moved all printing, materials, and mailingrelated burden and costs from Section 12 to this section. • Updated printing, materials, and mailing costs for providing a good faith estimate based on the latest wage and postage rates.	• To ensure burden estimates reflect current wage data.
15. Changes to Burden	17	• Updated the changes to burden hours and costs for the information collections.	• To explain the reasons for those changes.
