# 1. Purpose

The purpose of this user guide is to provide guidance and instructions to financial executives of drug manufacturing companies as they certify their federally required Medicare Part B drug Average Sales Price (ASP) data for the Centers for Medicare & Medicaid Services (CMS). CMS uses the Fee-for-Service Data Collection System (FFSDCS) to house various Fee-for-Service modules.

The ASP Data Collection System, referred to within this user guide as the ASP Module, is one of the modules under the FFSDCS system, and offers the following:

- Provides users with an online-based software application for automating the collection, editing, and processing of drug product pricing data drug manufacturers submit on a quarterly basis.
- Establishes a relationship between the manufacturers' reported data and the billing codes Medicare providers use to calculate a weighted average sales price for each billing code.
- Establishes prices for billing codes to determine payment limits of Part B drugs on certain Medicare claims.
- Eliminates data entry errors, data formatting errors, and incomplete submitted data, and greatly reduces the process cycle and resource time needed to provide the pricing to contractors through automation of the manually intensive processes.
- Accepts, stores, validates, and calculates drug pricing on Medicare Part B drug data received for the Center for Medicare Management (CMM) stakeholders.

Section 303 (b) and (c) of the [Medicare Modernization Act \(MMA\) of 2003](#) revised the payment methodology for the majority of Part B-covered drugs and biologicals that are not priced on a cost or prospective payment basis (hereafter referred to as drugs).

CMS applies the ASP methodology to the data drug manufacturers have submitted to the ASP Module. Per the MMA, ASP methodology determines the payment limit for these drugs. Local contractors calculate pricing for compounded drugs.

## 2. Logging in Using MFA

First time users must register and create an account in the [CMS Enterprise Portal](#). Refer to the Resource Library on the [Education and Outreach page](#) to view the ASP Module Registration User Guide for registration steps.

Once registration is complete, follow these steps to log into the Module as a Certifier using Multi-Factor Authentication (MFA):

1. Navigate to the [CMS Enterprise Portal](#) main page.

The ASP Module Login Page opens. Refer to *Figure 1*.

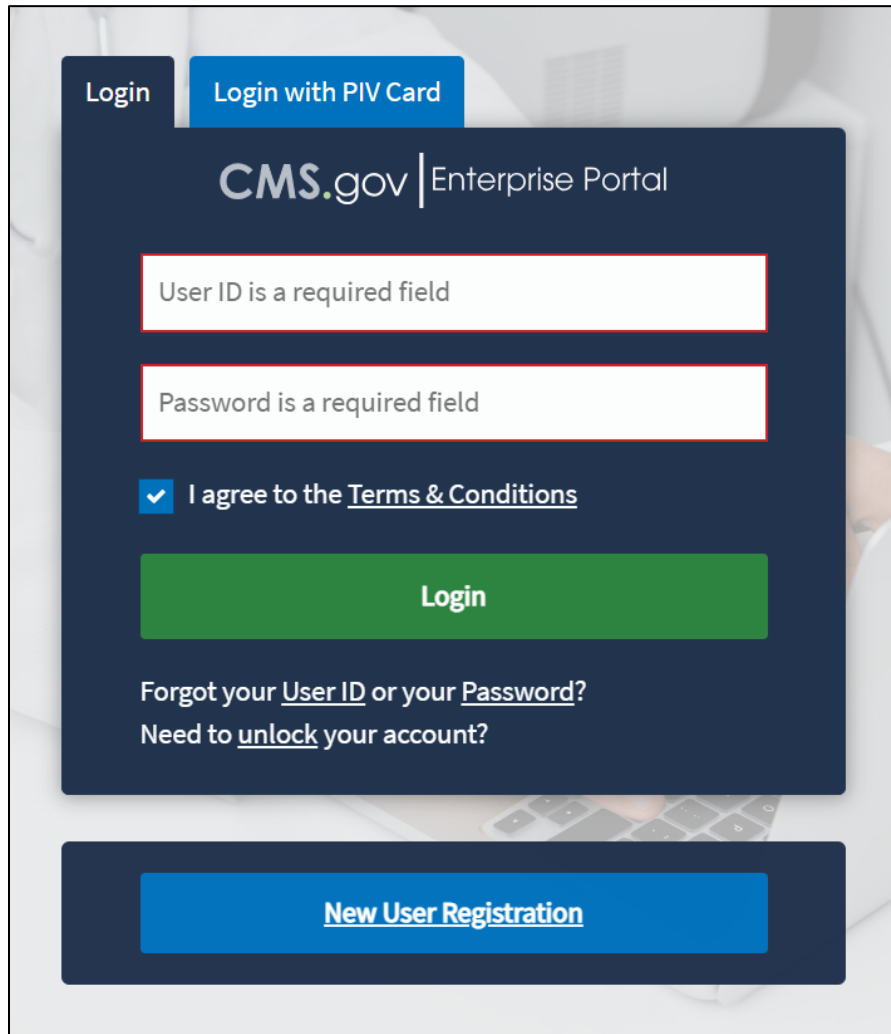

Figure 1: Logging in Using MFA - ASP Module Login

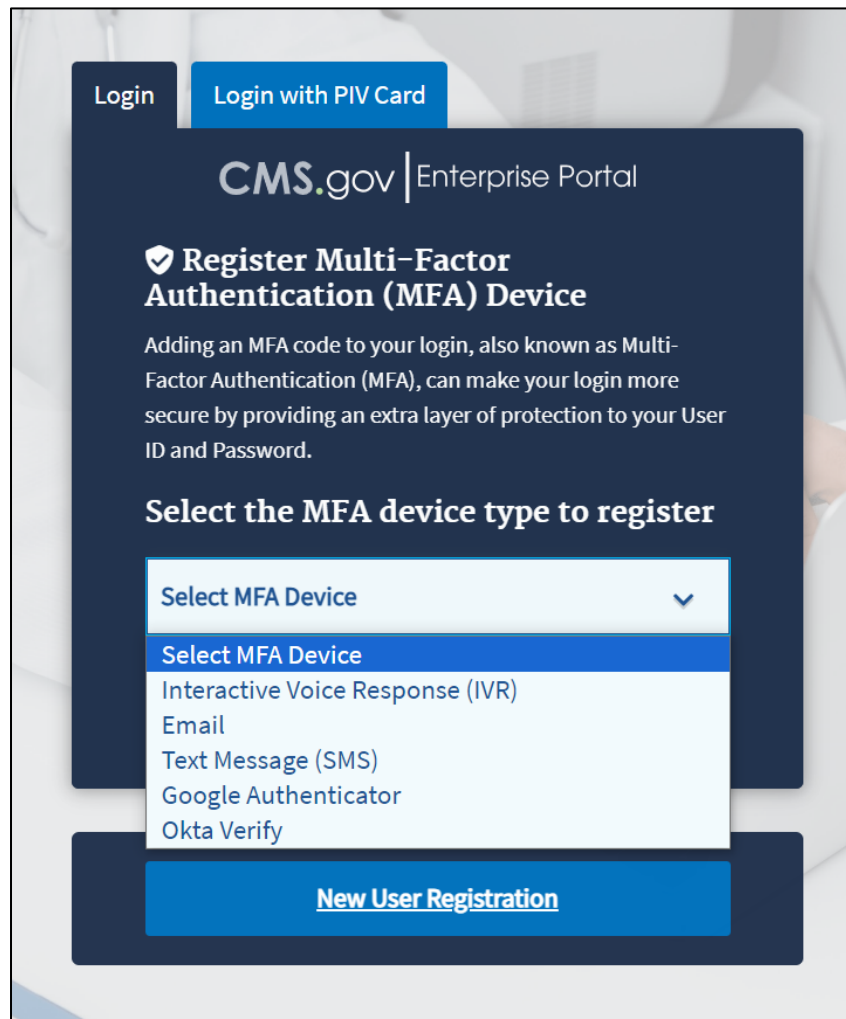

2. Enter your login information into the required **User ID** and **Password** fields.
3. Click the **Terms & Conditions** hyperlink and review the text in the pop-up window; close the window to move on to the next step.
4. Review the terms and conditions and select the **I agree to the Terms & Conditions** checkbox.

**Note:** By selecting this checkbox, you certify that you read and consent to monitoring while accessing and using the ASP Module. The terms and conditions link provides additional hyperlinks to the HHS Rules of Behavior and the CMS Privacy Act Statement.

5. Click **Login**.

**Note:** If you forget your user ID or password, click the **Forgot your User ID or your Password?** hyperlink under the **Login** button and follow the provided instructions. If you still cannot access your account and need to unlock it, click the **Need to unlock your account?** hyperlink under **Login** button.

The **Multi-Factor Authentication** page opens. Refer to *Figure 2*.

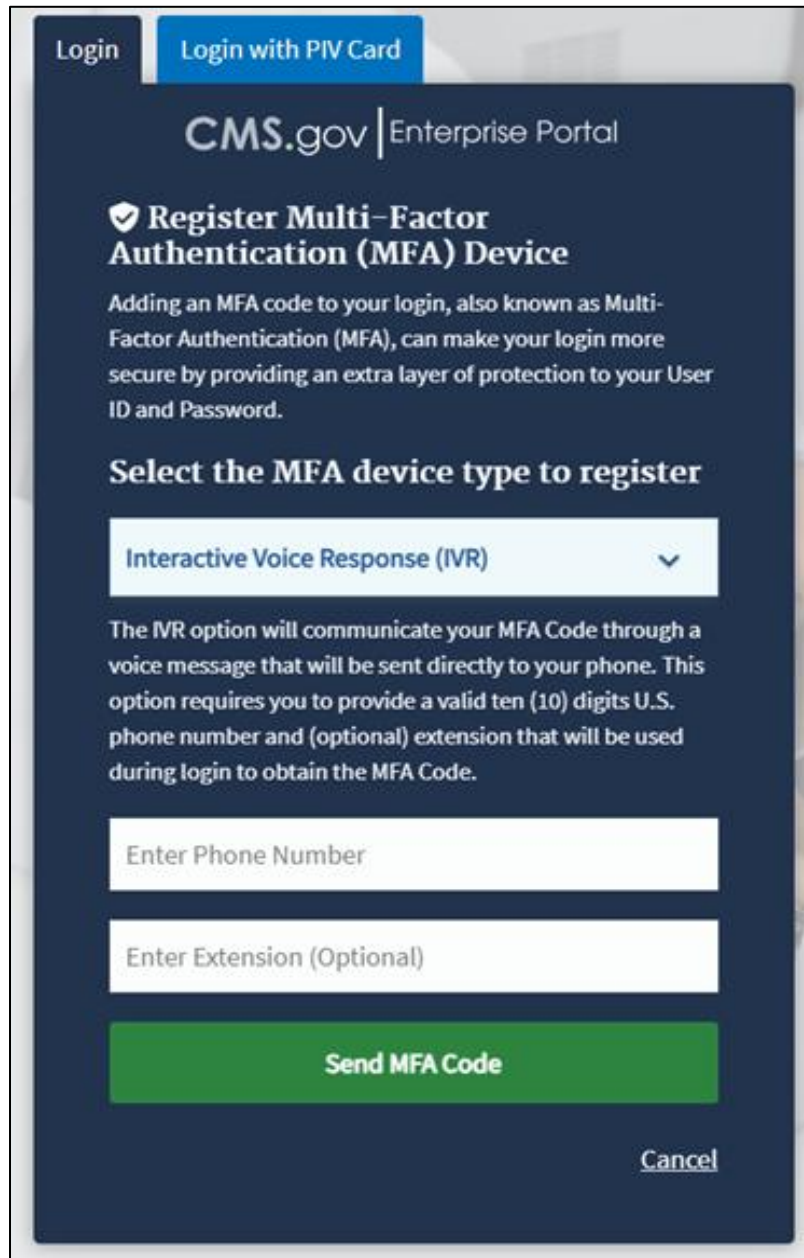

**Figure 2: Logging in Using MFA - Select MFA Device Type Drop-Down**

To ensure the security of high value data submitted to the ASP Module, you must authenticate your identity using an MFA process. The first time you attempt to log in, you must choose an authentication method. Users have various authentication options, including Interactive Voice Response (IVR), Email, Text Message (Short Message Service (SMS)), Google Authenticator and Okta Verify.

6. Click the **Select MFA Device** drop-down menu; select your preferred MFA device type from the list. Refer to *Figure 3*. Whenever you log back into the Module through this process, your preferred method of MFA reloads automatically.

**Note:** *Figure 3* demonstrates MFA registration using IVR as the selected option.

The screenshot shows the 'Register Multi-Factor Authentication (MFA) Device' page on the CMS.gov Enterprise Portal. At the top, there are two tabs: 'Login' and 'Login with PIV Card'. The main heading is 'Register Multi-Factor Authentication (MFA) Device'. Below this, there is a paragraph explaining that adding an MFA code to the login can make it more secure. The next section is 'Select the MFA device type to register', which features a dropdown menu currently set to 'Interactive Voice Response (IVR)'. A detailed description follows: 'The IVR option will communicate your MFA Code through a voice message that will be sent directly to your phone. This option requires you to provide a valid ten (10) digits U.S. phone number and (optional) extension that will be used during login to obtain the MFA Code.' Below this text are two input fields: 'Enter Phone Number' and 'Enter Extension (Optional)'. At the bottom of the form is a large green button labeled 'Send MFA Code' and a smaller 'Cancel' link.

**Figure 3: Logging in Using MFA - Multi-Factor Authentication - (IVR) Example**

7. Enter your phone number in the **Phone Number** field; enter your extension in the **Extension** field, if necessary.
8. Click the **Send MFA Code** button to receive a six-digit code via your chosen contact method.

- Record and enter the six-digit code you received into the **Enter MFA Code** field. Refer to *Figure 4*.

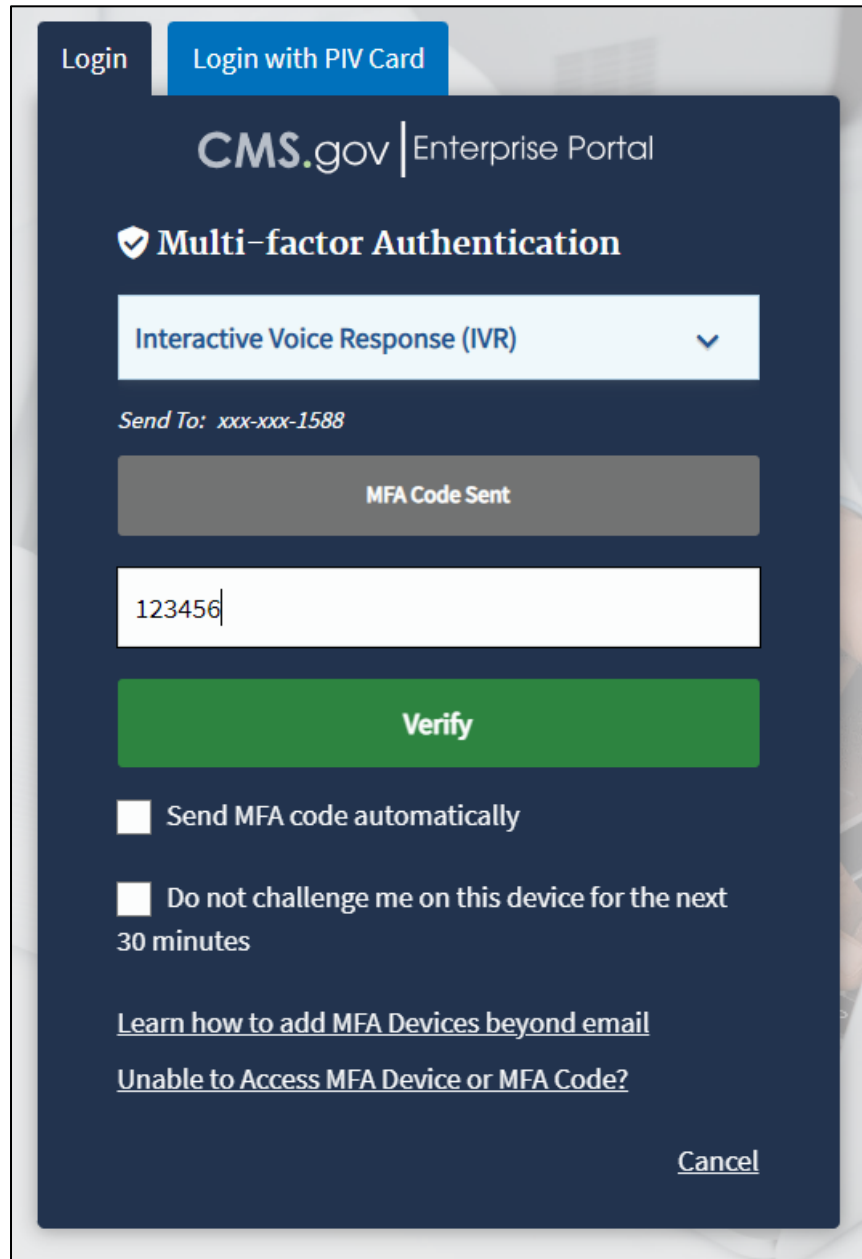

Figure 4 shows the Multi-factor Authentication (MFA) verification screen on the CMS.gov Enterprise Portal. The screen is dark blue with white text. At the top, there are two tabs: 'Login' and 'Login with PIV Card'. Below the tabs is the CMS.gov logo and 'Enterprise Portal'. The main heading is 'Multi-factor Authentication'. A dropdown menu is set to 'Interactive Voice Response (IVR)'. Below that, it says 'Send To: xxx-xxx-1588'. A grey button labeled 'MFA Code Sent' is visible. A text input field contains the code '123456'. A large green button labeled 'Verify' is prominent. Below the button are two checkboxes: 'Send MFA code automatically' and 'Do not challenge me on this device for the next 30 minutes'. At the bottom, there are two hyperlinks: 'Learn how to add MFA Devices beyond email' and 'Unable to Access MFA Device or MFA Code?'. A 'Cancel' link is in the bottom right corner.

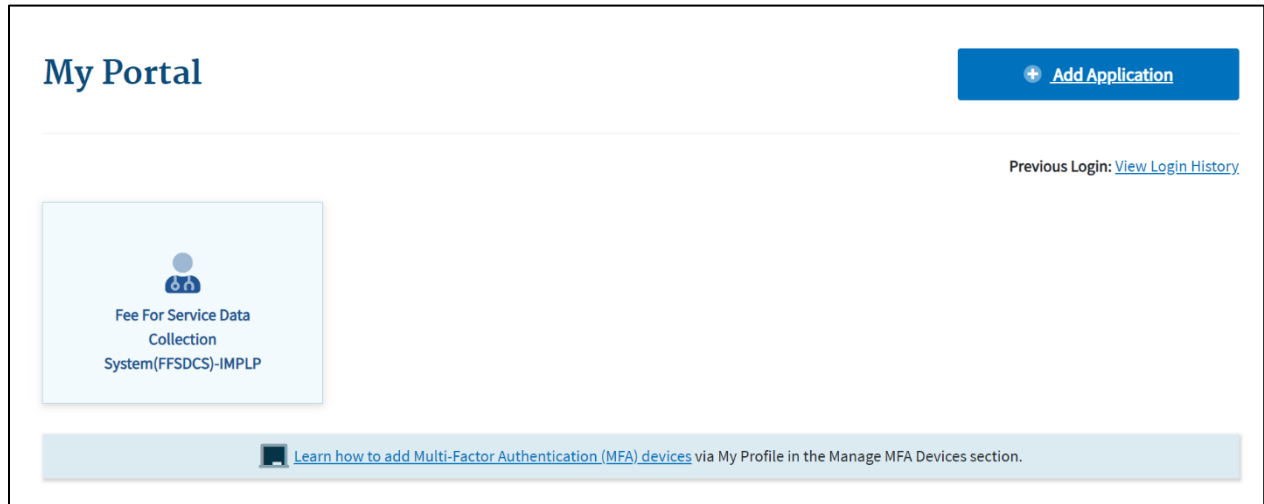

Figure 4: Logging in Using MFA - Multi-Factor Authentication - Verify MFA Code

- Check the **Send MFA code automatically** and **Do not challenge me on this device for the next 30 minutes** checkboxes depending on your preference.

**Note:** If you need help, click the **Learn how to add MFA Devices beyond email** and **Unable to Access MFA Devices or MFA Code?** hyperlinks.

- Click the **Verify** button to confirm your identity and enter the ASP Module.

The **My Portal** landing page opens. Refer to *Figure 5*.

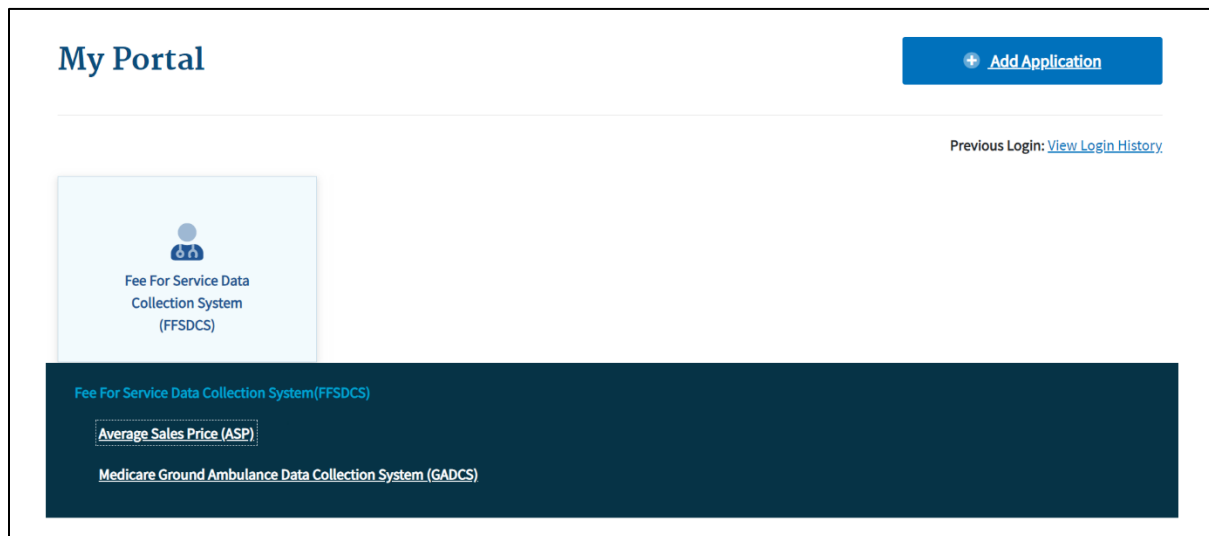

**Figure 5: My Portal Landing Page**

**Note:** Other CMS applications you have access to may display on the **My Portal** landing page.

12. Click the **Fee For Service Data Collection System (FFSDCS)** box.

A Fee for Service Data Collection System (FFSDCS) drop-down menu opens. Refer to *Figure 6*.

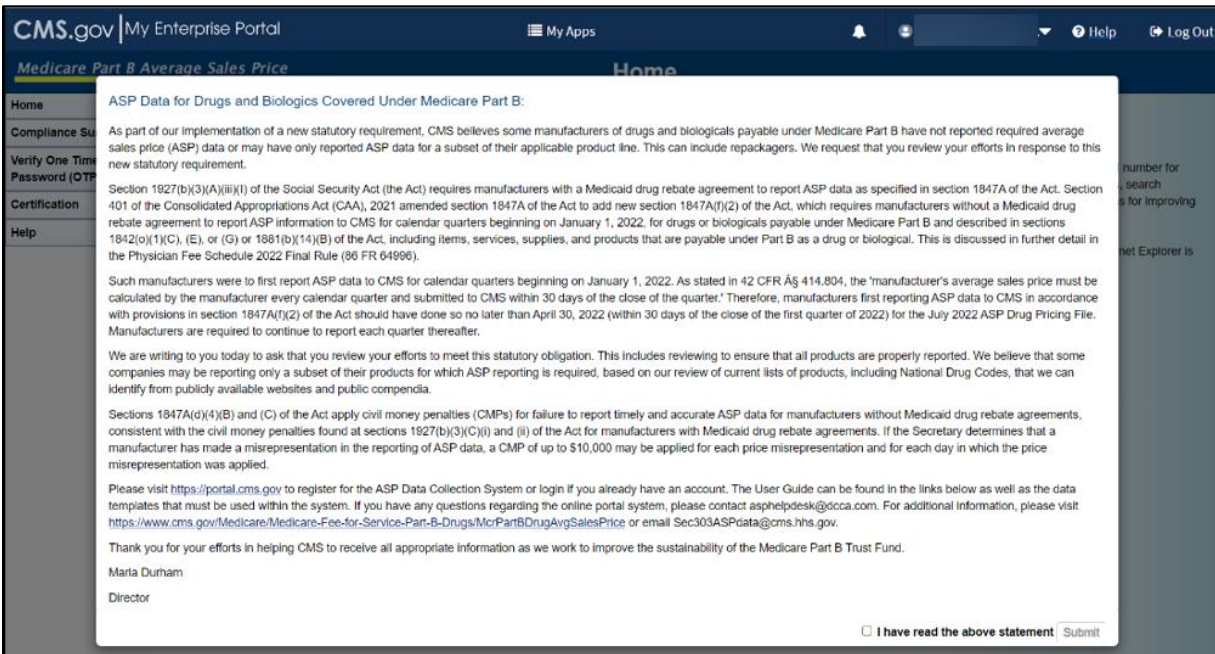

**Figure 6: My Portal Landing Page - FFSDCS Drop-down**

13. Click the **Average Sales Price (ASP)** hyperlink.

A full-page statement displays, titled **ASP Data for Drugs and Biologics Covered Under Medicare Part B**. The statement details recent statutory requirements stated in the Social Security Act (the Act), and the [Consolidated Appropriations Act \(CAA\)](#),

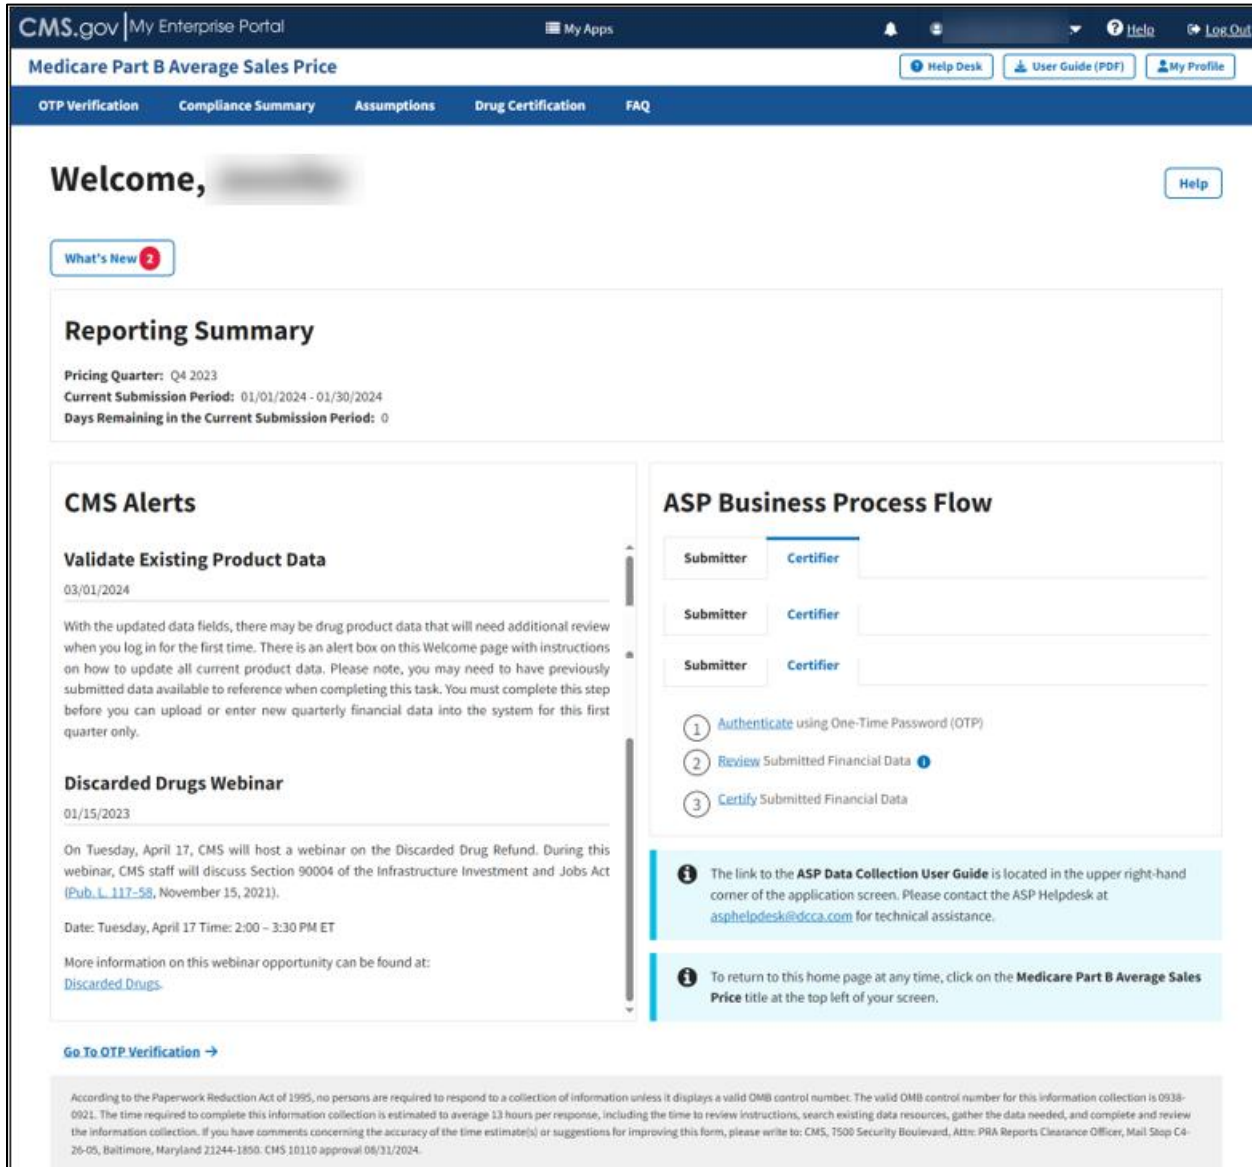

2021. These requirements hold that manufacturers must report their ASP data to CMS with precision on a quarterly basis without errors or miscalculations. Refer to *Figure 7*.

**Figure 7: ASP Data for Drugs and Biologics Under Medicare Part B**

14. Read the statement; select the **I have read the above statement** checkbox and click **Submit**.

The Medicare Part B Average Sales Price homepage opens. Refer to *Figure 8*.

**What's New** 2

**Reporting Summary**

Pricing Quarter: Q4 2023  
 Current Submission Period: 01/01/2024 - 01/30/2024  
 Days Remaining in the Current Submission Period: 0

**CMS Alerts**

**Validate Existing Product Data**  
 03/01/2024

With the updated data fields, there may be drug product data that will need additional review when you log in for the first time. There is an alert box on this Welcome page with instructions on how to update all current product data. Please note, you may need to have previously submitted data available to reference when completing this task. You must complete this step before you can upload or enter new quarterly financial data into the system for this first quarter only.

**Discarded Drugs Webinar**  
 01/15/2023

On Tuesday, April 17, CMS will host a webinar on the Discarded Drug Refund. During this webinar, CMS staff will discuss Section 90004 of the Infrastructure Investment and Jobs Act ([Pub. L. 117-58](#), November 15, 2021).

Date: Tuesday, April 17 Time: 2:00 – 3:30 PM ET

More information on this webinar opportunity can be found at: [Discarded Drugs](#).

To return to this home page at any time, click on the **Medicare Part B Average Sales Price** title at the top left of your screen.

[Go To OTP Verification](#) →

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-0021. The time required to complete this information collection is estimated to average 13 hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850. CMS 10110 approval 08/31/2024.

Figure 8: Medicare Part B Average Sales Price Homepage

### 3. ASP Homepage Menu Tabs

The following sections describe the functionality of each menu tab on the ASP homepage, including **OTP Verification**, **Compliance Summary**, **Assumptions**, and **Drug Certification**.

#### 3.1 One Time Password (OTP) Verification

Once the Submitter has completed and submitted product data, the Submitter must share the one-time password (OTP) with the Certifier to establish a relationship within the system. Note the following about OTPs:

- This step only occurs once as long as the people in both roles remain the same.
- A new OTP should only be generated if the person in either role changes.
- An OTP is valid for seven days. After seven days, the Submitter must generate a new OTP.
- Once the Submitter generates and provides the OTP to the Certifier, the Certifier must verify the OTP to continue.
- If the OTP is misplaced or lost, the Certifier must contact the Submitter to generate another OTP.

Follow these steps to verify the OTP:

1. From the Medicare Part B Average Sales Price homepage, click the **OTP Verification** tab.

The OTP Verification page opens. Refer to *Figure 9*.

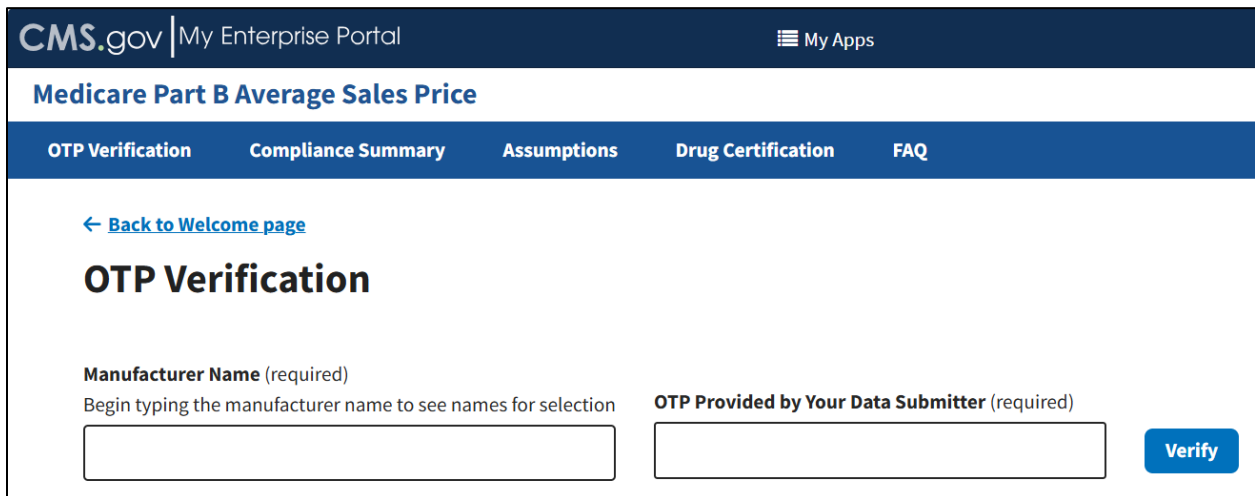

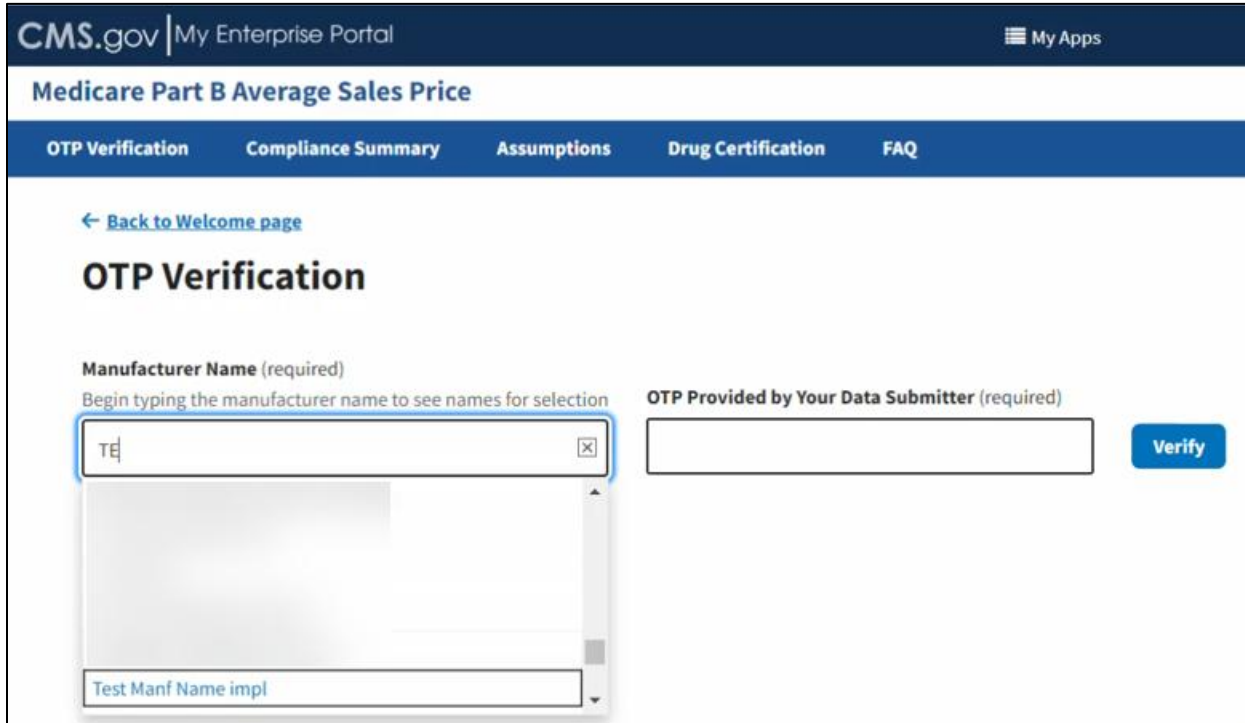

Figure 9: OTP Verification

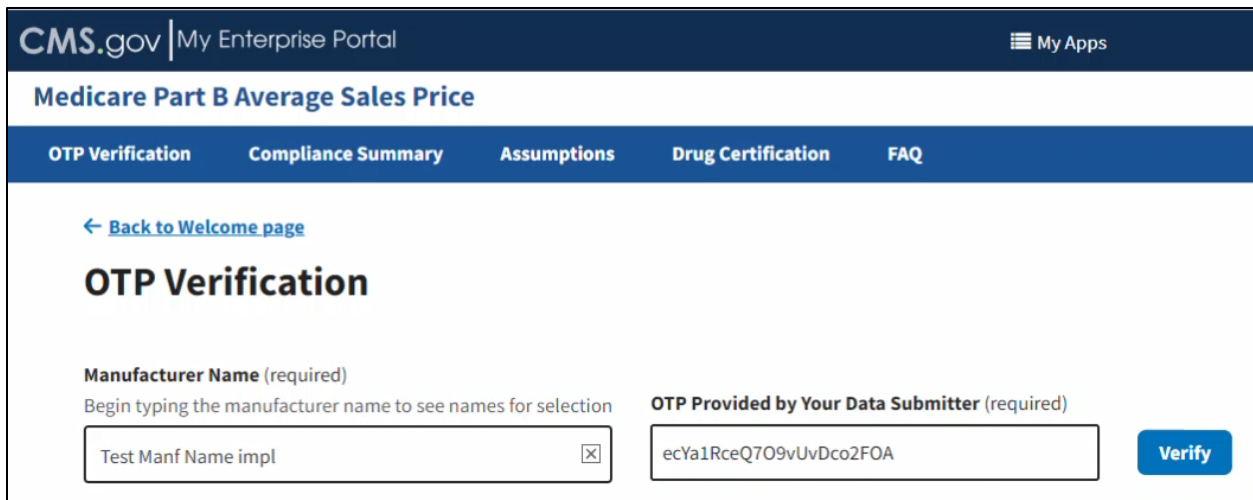

2. In the **Manufacturer Name (required)** field, begin typing the manufacturer name to narrow down names for selection; select the appropriate manufacturer name. Refer to *Figure 10*.

The screenshot shows the 'Medicare Part B Average Sales Price' page with the 'OTP Verification' tab selected. The 'Manufacturer Name (required)' field contains 'TE' and has a dropdown menu open showing 'Test Manf Name impl'. The 'OTP Provided by Your Data Submitter (required)' field is empty. A 'Verify' button is visible to the right.

Figure 10: OTP Verification - Manufacturer Name

3. Enter the OTP code from the Submitter in the **OTP Provided by Your Data Submitter (required)** field. Refer to *Figure 11*.

The screenshot shows the same 'Medicare Part B Average Sales Price' page. The 'Manufacturer Name (required)' field now contains 'Test Manf Name impl'. The 'OTP Provided by Your Data Submitter (required)' field is filled with the code 'ecYa1RceQ709vUvDco2FOA'. The 'Verify' button is still present.

Figure 11: OTP Verification - OTP Provided by Your Data Submitter

4. Click **Verify** to confirm the OTP.  
A message displaying confirming you have successfully verified the OTP. Refer to *Figure 12*.

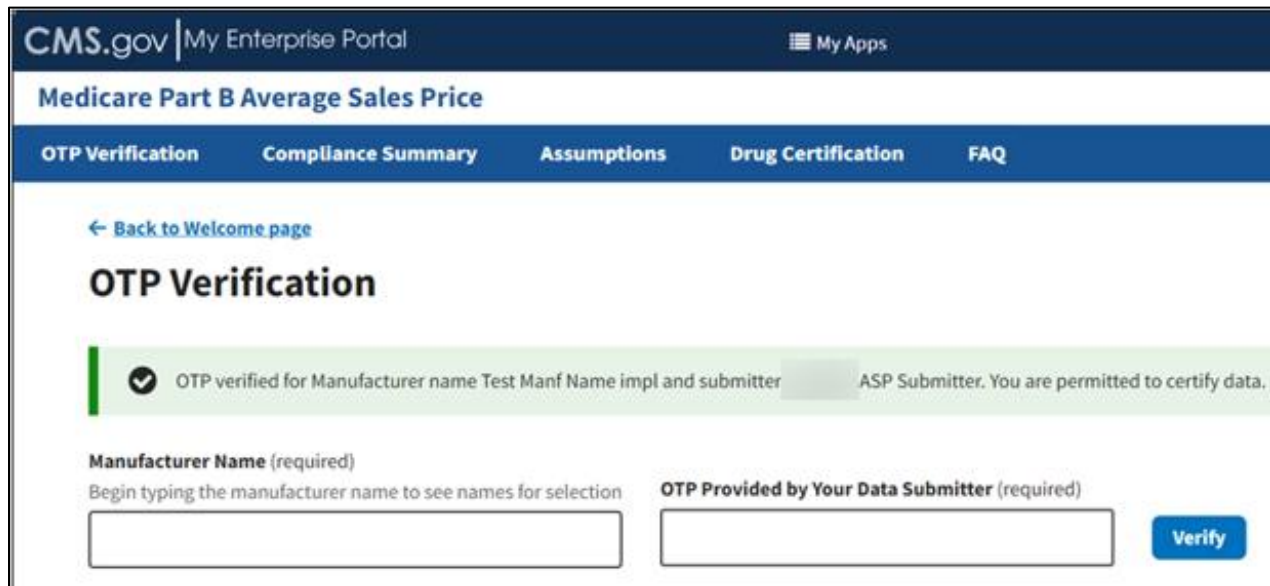

Figure 12: OTP Verification Successful

## 3.2 Compliance Summary

The features in the **Compliance Summary** section allow drug manufacturers to determine if their products meet the current submission reporting requirements.

The **Compliance Summary** consists of the following sections:

- **Missing:** Displays drug products that are missing financial data for the selected reporting period.
- **Pending:** Displays drug products that are both pending certification and pending restatement certification, combined under one tab.
- **Certified:** Displays previously certified drug products for the selected reporting period.

**Note:** Financial data will be suppressed for prior quarters.

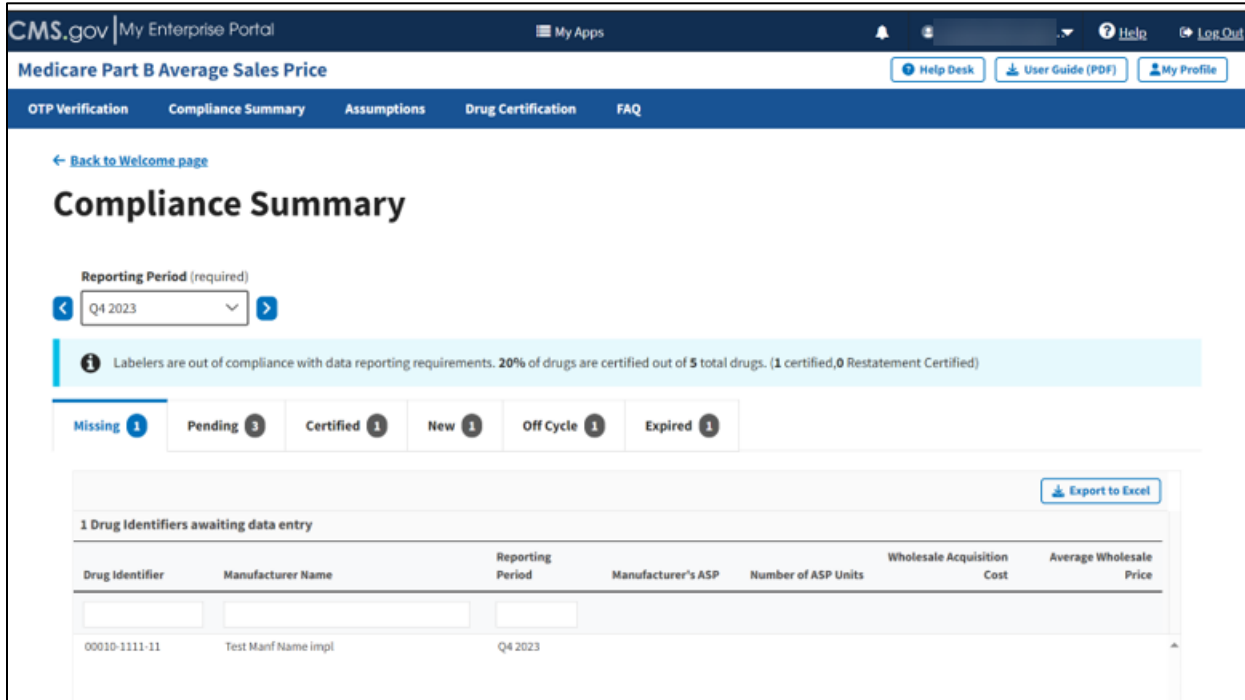

- **New:** Displays drug products with a first marketing date in the same reporting period.
- **Off Cycle:** Displays drug products added on or after the first day of the submission window of the current quarter.
- **Expired:** Displays drug products that have an expired date of final lot sold which is prior to the reporting period selected. A drug product that expired in an earlier quarter will continue to show in subsequent quarters.

Follow these steps to navigate the **Compliance Summary** section:

1. From the Medicare Part B Average Sales Price homepage, click the **Compliance Summary** tab.

The **Compliance Summary** page opens. The page displays the status for each submitted drug product regarding the drug manufacturer's compliance for the selected reporting period. The page automatically defaults to the **Missing** tab. Refer to *Figure 13*.

**Note:** Figure 13 shows an alert message under **Reporting Period** stating that there are drug products in need of attention.

The screenshot shows the 'Compliance Summary' page for Medicare Part B Average Sales Price. The reporting period is set to Q4 2023. A notification indicates that 20% of drugs are out of compliance. The status summary shows 1 Missing, 3 Pending, 1 Certified, 1 New, 1 Off Cycle, and 1 Expired. A table titled '1 Drug Identifiers awaiting data entry' contains the following data:

Drug Identifier	Manufacturer Name	Reporting Period	Manufacturer's ASP	Number of ASP Units	Wholesale Acquisition Cost	Average Wholesale Price
00010-1111-11	Test Manf Name Impl	Q4 2023				

Figure 13: Compliance Summary

**Note:** Click the **Reporting Period** (required) tab in the top left to scroll through previous quarters. Use the drop-down to navigate to a previous quarter starting with the most recent, or the next quarter.

### 3.2.1 Missing

Follow these steps to review your data in the **Missing** tab of the **Compliance Summary**:

1. Under **Drug Identifiers waiting for data entry**, review and identify the missing financial information to address with the Submitter.

The Module organizes the full list by **Drug Identifier** and **Manufacturer Name**, and includes **Reporting Period**, **Manufacturer's ASP**, **Number of ASP Units**, **Wholesale Acquisition Cost**, and **Average Wholesale Price** fields.

**Note:** Click the **Export to Excel** button to download all products under the **Missing** tab.

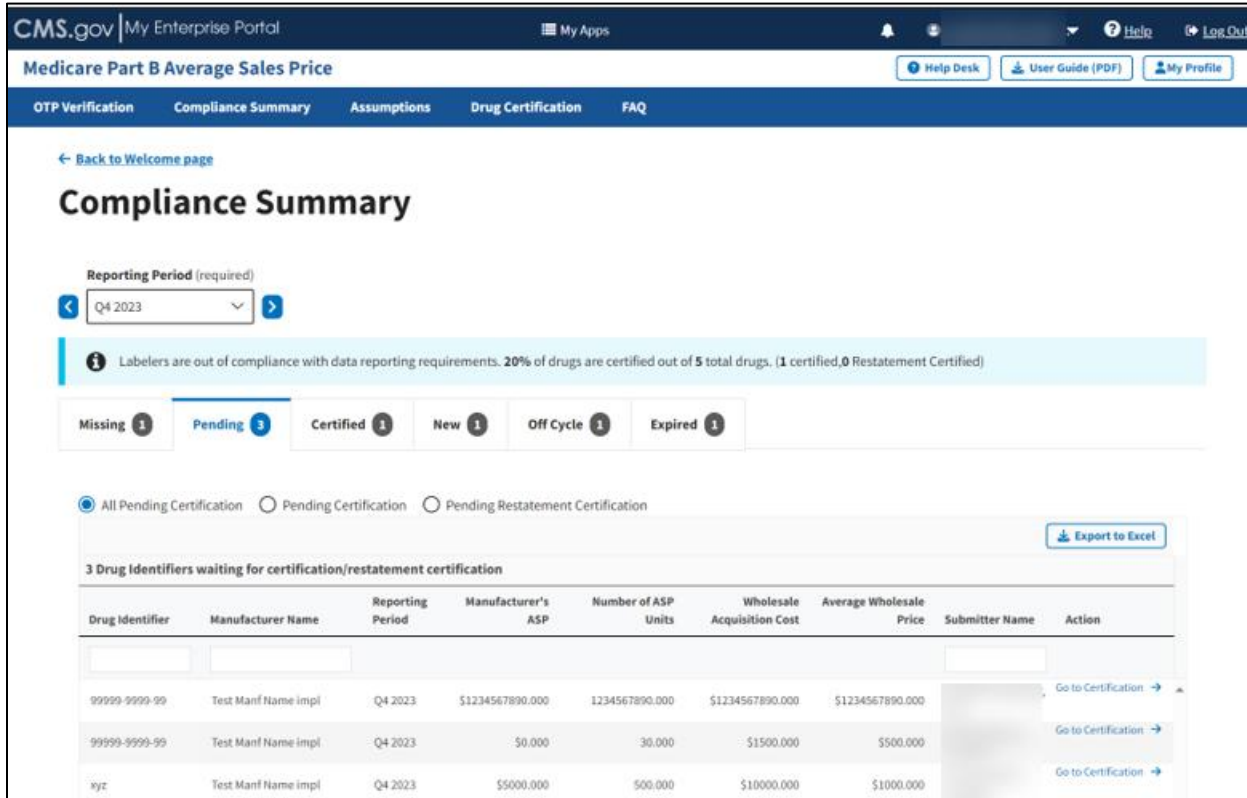

2. Inform the Submitter of any missing financial information to ensure the inclusion of all data collected in the Module.
3. Click the **Pending** tab to move on to the next page.

### 3.2.2 Pending

Follow these steps to review the **Pending** tab of the **Compliance Summary**:

1. From the default Compliance Summary page, click the **Pending** tab.

The **Pending** page displays. Refer to *Figure 14*.

CMS.gov | My Enterprise Portal

The Module organizes the full list by **Drug Identifier** and **Manufacturer Name**, and includes **Reporting Period**, **Manufacturer's ASP**, **Number of ASP Units**, **Wholesale Acquisition Cost**, and **Average Wholesale Price**.

- Click the **Off Cycle** tab to move on to the next page.

### 3.2.5 Off Cycle

Follow these steps to review data in the **Off Cycle** tab of the **Compliance Summary**:

- From the default **Compliance Summary** page, click the **Off Cycle** tab.

The **Off Cycle** page displays. Refer to *Figure 21*.

**Figure 21: Compliance Summary - Off Cycle**

**Note:** Click the **Export to Excel** button to download all products under the **Off Cycle** tab.

2. Review the submitted drug information.

The Module organizes the full list by **Drug Identifier** and **Manufacturer Name**, and includes **Reporting Period**, **Wholesale Acquisition Cost**, and **Average Wholesale Price**.

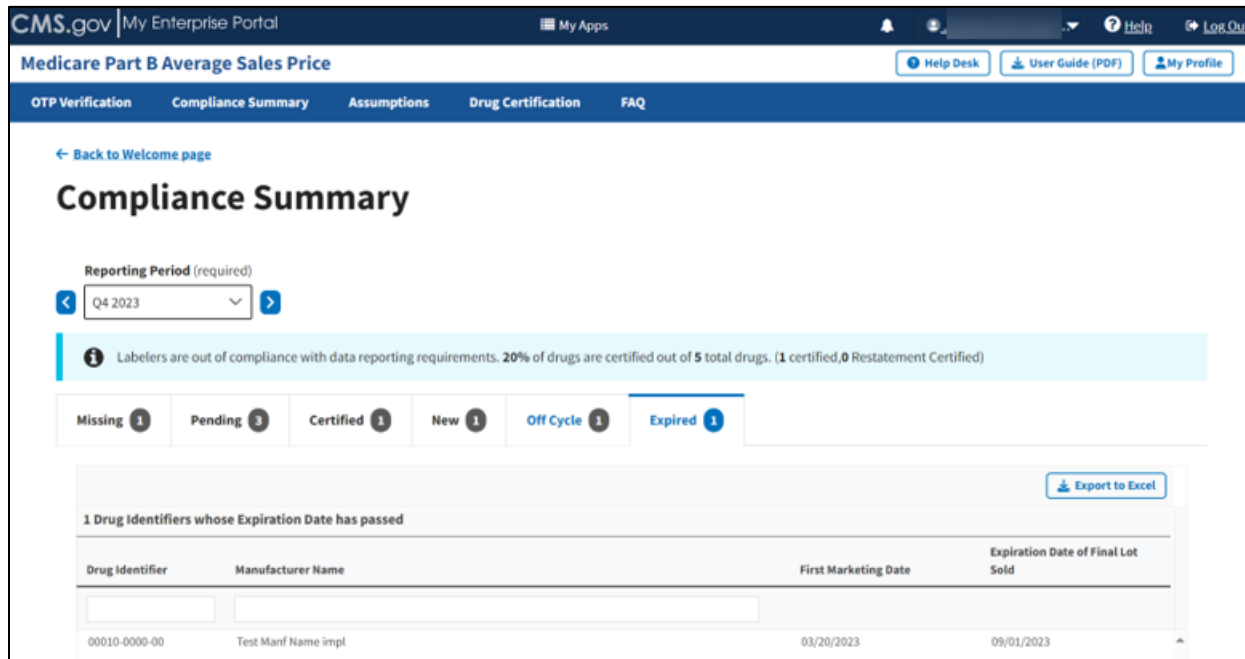

3. Click the **Expired** tab to move on to the next page.

### 3.2.6 Expired

Follow these steps to review data in the **Expired** tab of the **Compliance Summary**:

1. From the default **Compliance Summary** page, click the **Expired** tab.

The **Expired** page displays. Refer to *Figure 22*.

Drug Identifier	Manufacturer Name	First Marketing Date	Expiration Date of Final Lot Sold
00010-0000-00	Test Manf Name impl	03/20/2023	09/01/2023

Figure 22: Compliance Summary - Expired

**Note:** Click the **Export to Excel** button to download all products under the **Expired** tab.

2. Review the submitted drug information.

The Module organizes the full list by **Drug Identifier** and **Manufacturer Name** and includes **First Marketing Date** and **Expiration Date of Final Lost Sold**.

### 3.3 Assumptions

Drug manufacturers can submit comments regarding their certifications to CMS via the **Assumptions** tab. Each quarter, manufacturers will submit these comments for the current reporting period, or they may submit assumptions for any previous quarters they are restating and resubmitting.

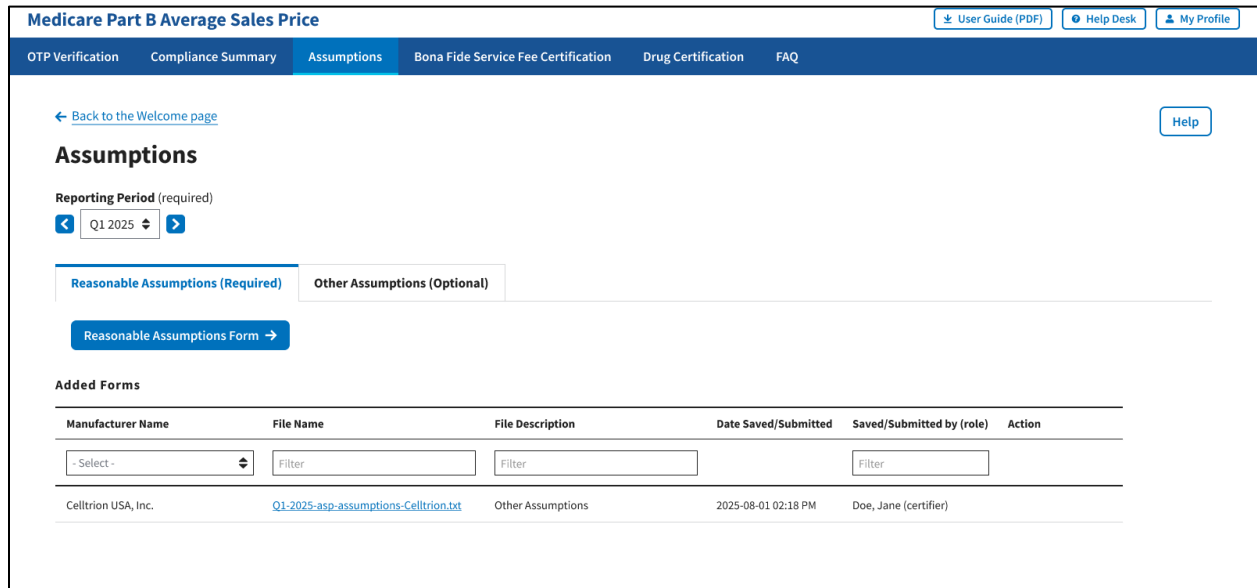

#### 3.3.1 Reasonable Assumptions

Follow these steps to create an assumption:

**Note:** Certifiers cannot finalize the certification process until the **Reasonable Assumptions** Form is complete. If a drug manufacturer does not have additional information for the required response fields, please enter "N/A".

1. From the **Medicare Part B Average Sales Price** homepage, click the **Assumptions** tab.

The **Assumptions** page opens, and defaults to the current quarter and year. Select the appropriate reporting period before clicking the **Reasonable Assumptions (Required)** tab. Refer to **Error! Reference source not found.**

### 3.3.2 Other Assumptions (Optional)

This section provides instructions on how drug manufacturers can submit comments regarding their certifications to CMS via **Create Assumptions** or **Upload Assumptions**.

#### 3.3.2.1 Create Assumptions

Follow these steps to submit certification assumptions CMS:

1. From the **Medicare Part B Average Sales Price** homepage, click the **Assumptions** tab. The Module automatically defaults to the **Reasonable Assumptions (Required)** Tab. Click the **Other Assumptions (Optional)** tab. Refer to *Figure 29*.

The screenshot shows the 'Medicare Part B Average Sales Price' homepage. The 'Assumptions' tab is selected in the top navigation bar. The main content area is titled 'Assumptions' and includes a 'Reporting Period (required)' dropdown menu set to 'Q1 2025'. Below this, there are two tabs: 'Reasonable Assumptions (Required)' and 'Other Assumptions (Optional)'. The 'Other Assumptions (Optional)' tab is active. Under this tab, there are two radio buttons: 'Create Assumptions' (selected) and 'Upload Assumptions'. Below the radio buttons is a 'Manufacturer Name (required)' dropdown menu with '- Select -' selected. There are two text input fields: 'Short Description' (with a 500 character limit) and 'Text for Assumption file (required)' (with a 1000 character limit). A 'Save Form' button is located at the bottom left of the form area.

Figure 29: Create Other Assumptions

**Note:** Click the **Reporting Period (required)** tab in the top left to view previous quarters. Use the drop-down menu to navigate to select the appropriate quarter.

2. The Module automatically defaults to the **Create Assumption** radio button with a **Manufacturer Name (required)** drop-down menu and empty **Short Description** and **Text for Assumption file (required)** fields. Refer to *Figure 29*.
3. From the Manufacturer Name (required) drop-down menu, click the **-Select-** drop-down menu to expand the list and select the manufacturer name.
4. Complete the **Short Description** and **Text for Assumption** file fields.

**Note:** The **Short Description** field is optional and allows 500 characters of text to provide a summary of the complete assumption you are submitting to CMS. The **Text for Assumption file** field is required and allows for 1,000 characters to provide as much detail as possible related to the selected period’s financial submission.

5. Click the **Save Form** button.

A message displays confirming you have successfully created your **Assumption**. Refer to *Figure 30*.

✔ Other Assumptions Form has been saved successfully.

**Added Forms**

Manufacturer Name	File Name	File Description	Date Saved/Submitted	Saved/Submitted by (role)	Action
- Select -	Filter	Filter		Filter	
ClariGenix Pharma	<a href="#">Q1-2025-other-assumptions-ClariGenix-Pharma.txt</a>	Other Assumptions	2025-08-04 02:18 PM	Doe, Jane (certifier)

**Figure 30: Other Assumptions Saved Successfully**

### 3.3.2.2 Upload Assumption File

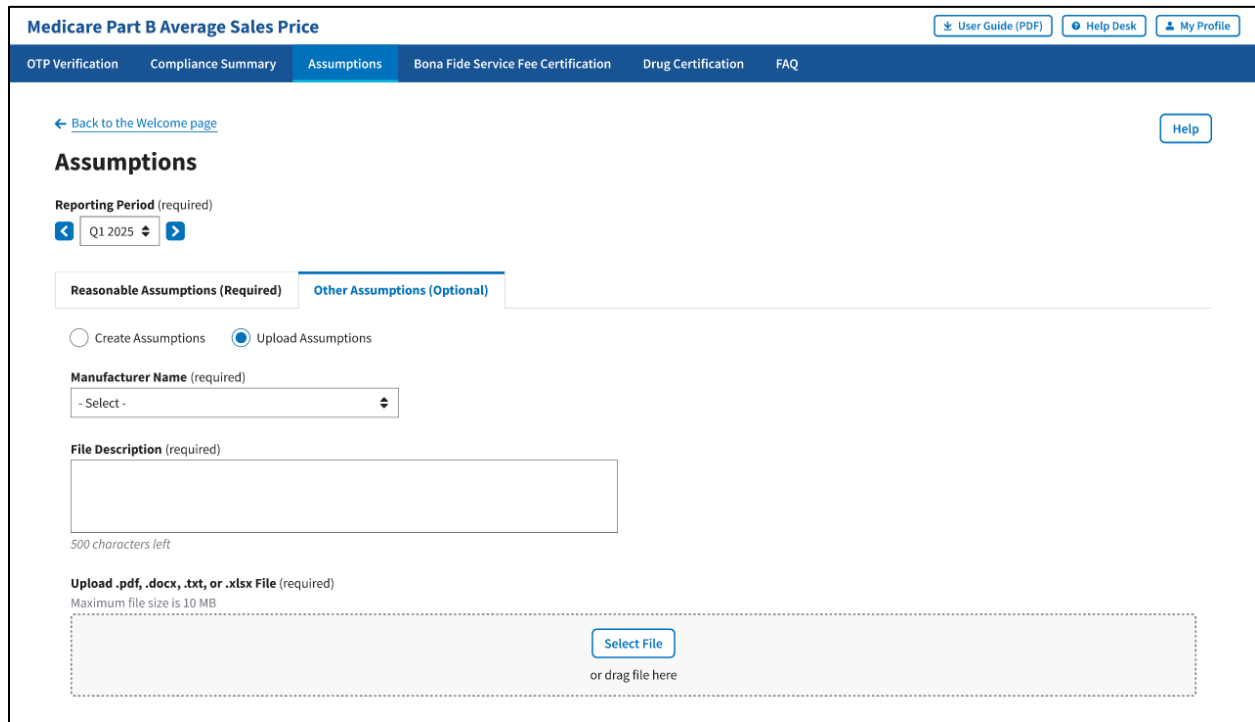

Follow these steps to upload an assumption file to the Module:

1. Click the **Other Assumptions (Optional)** file tab.

The **Create Assumption or Upload Assumption File** window displays. The Module automatically defaults to the **Create Assumption** radio button.

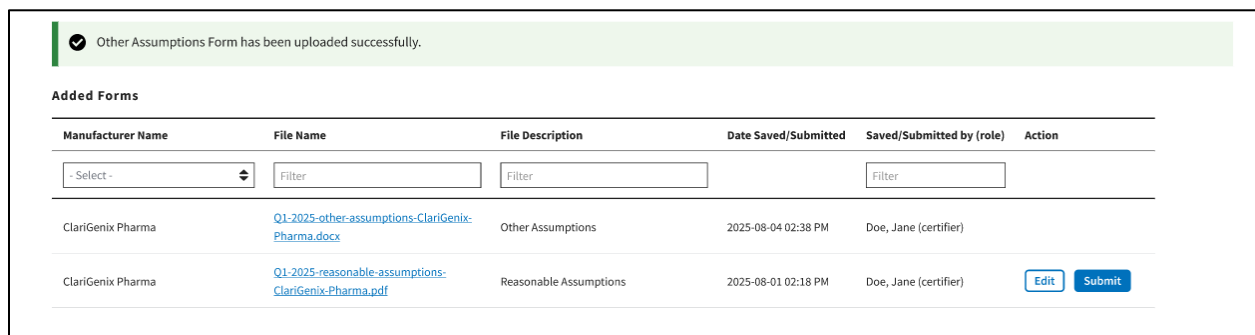

2. Select the **Upload Assumption File** radio button.

A **Manufacturer Name (required)** drop-down menu and empty **File Description (required)** field display. Refer to *Figure 31*.

**Figure 31: Upload Assumptions**

3. From the **Manufacturer Name (required)** drop-down menu, click the **-Select-** drop-down menu to expand the list and select the manufacturer name.
4. In the **File Description** field, enter your assumption about a data submission. You have 500 characters of total text to comment about your submission in this section.
5. Click **Select File** to browse your desktop and upload your **Assumption File** to the Module. You may also drag your **Assumption File** into the **Select File** box. A message opens to confirm you have successfully uploaded your assumption file. Refer to *Figure 32*.

Manufacturer Name	File Name	File Description	Date Saved/Submitted	Saved/Submitted by (role)	Action

**Figure 32: Upload Assumption File - Successfully Added**

## 3.4 Bona Fide Service Fee Certification

Follow these steps to submit a Bona Fide Service Fee Certification to CMS:

1. From the **Medicare Part B Average Sales Price** homepage, click the **Bona Fide Service Fee Certification** tab. The **Bona Fide Service Fee Certification** page opens and defaults to the current quarter and year. Refer to *Figure 33*.
2. The Module automatically defaults to the current reporting period. Select the accurate reporting period before proceeding.
3. Select the Manufacturer Name in the drop-down menu.
4. Download, complete, and sign the Bona Fide Service Fee Certification Form.

The fields to complete are as follows:

### **Section 1: Enter all drug and manufacturer information associated with the bona fide service fee**

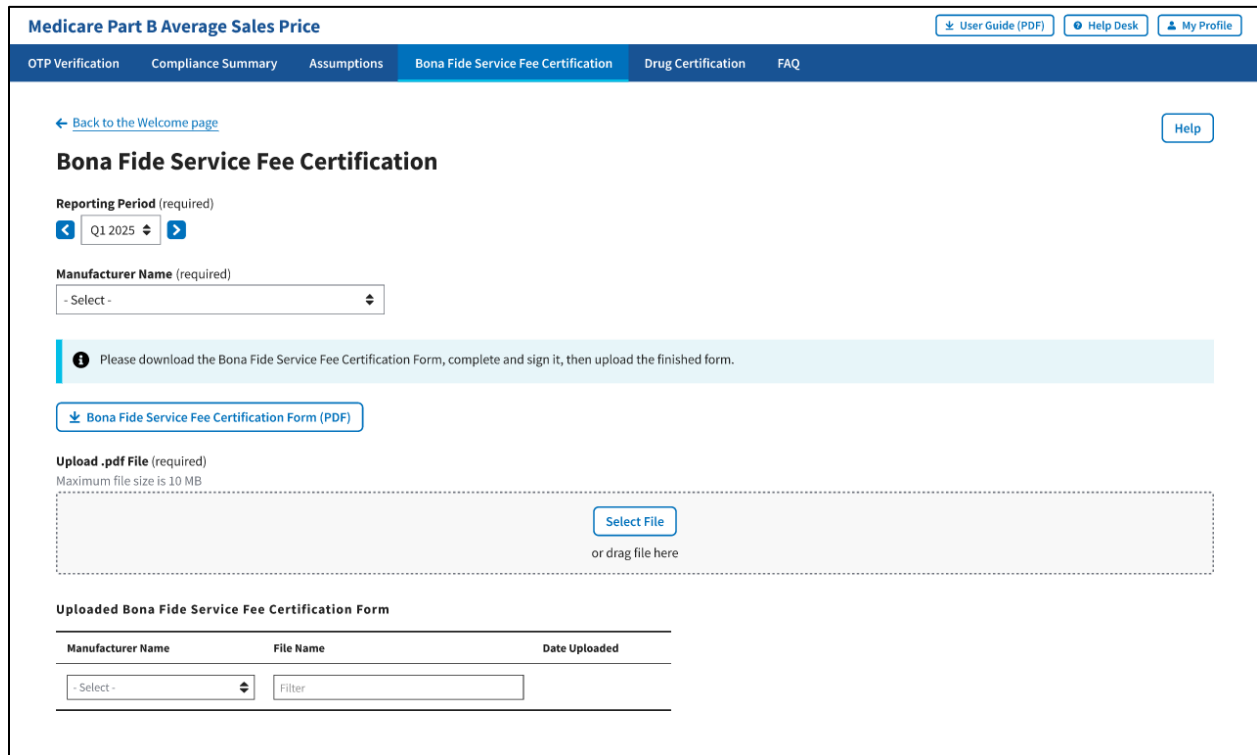

- Drug Name(s):
- HCPCS code(s):
- Manufacturer name:
- Manufacturer address:

### **Section 2: Recipient of BFSF information**

- Name and title of certifying individual:
- Organization or entity name:
- Organization or entity address:
- Bona fide service:

### **Section 3.: Certification Statement**

- I certify that the fee is not passed on in whole or in part to an client or customer of the recipient of the fee.
  - Manufacturer Signature:
  - Fee Recipient Signature:
5. Save the completed form to your computer. Upload the form once completed.

The screenshot shows the 'Medicare Part B Average Sales Price' page with the 'Bona Fide Service Fee Certification' tab selected. The page includes a navigation bar with links for 'User Guide (PDF)', 'Help Desk', and 'My Profile'. Below the navigation bar, there are tabs for 'OTP Verification', 'Compliance Summary', 'Assumptions', 'Bona Fide Service Fee Certification', 'Drug Certification', and 'FAQ'. The main content area features a 'Back to the Welcome page' link and a 'Help' button. The 'Bona Fide Service Fee Certification' section includes a 'Reporting Period' dropdown set to 'Q1 2025', a 'Manufacturer Name' dropdown set to '- Select -', and an information box with a download link for the 'Bona Fide Service Fee Certification Form (PDF)'. Below this is an 'Upload .pdf File' section with a 'Maximum file size is 10 MB' limit and a 'Select File' button. At the bottom, there is a table titled 'Uploaded Bona Fide Service Fee Certification Form' with columns for 'Manufacturer Name', 'File Name', and 'Date Uploaded', and a 'Filter' input field.

Figure 33: Bona Fide Service Fee Certification Submission

### 3.5 Drug Certification

Drug certification is the process in which a drug manufacturer certifies the accuracy of submitted drug data. This process marks data for immediate certification or pending certification to be completed later. Selection may include one drug product item, a list of drugs, or all items pending certification for a manufacturer.

The Submitter gathers the required quarterly drug data and submits it to the Module. Once the Submitter has successfully submitted the data, they will notify the Certifier to log in to the system to review and certify their submission.

Follow these steps to certify drug product data:

1. From the Medicare Part B Average Sales Price homepage, select **Drug Certification** tab from the **Certification** tab. Refer to *Figure 34*.

Figure 34: Certification - Drop-down

The **Drug Certification** page opens. Refer to *Figure 35*.

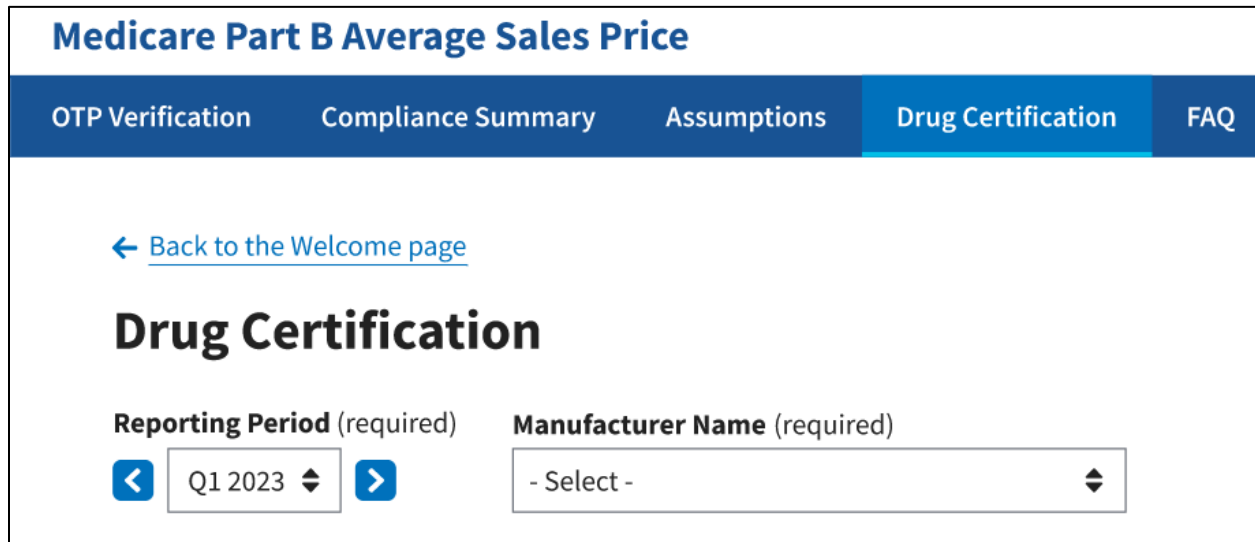

Figure 35: Drug Certification

**Note:** Click the **Reporting Period** (required) tab in the top left to scroll through previous quarters. Use the drop-down menu to navigate to a previous quarter starting with the most recent quarter.

2. Click the **-Select-** box under **Manufacturer Name (required)** to expand the list. Refer to *Figure 36*.

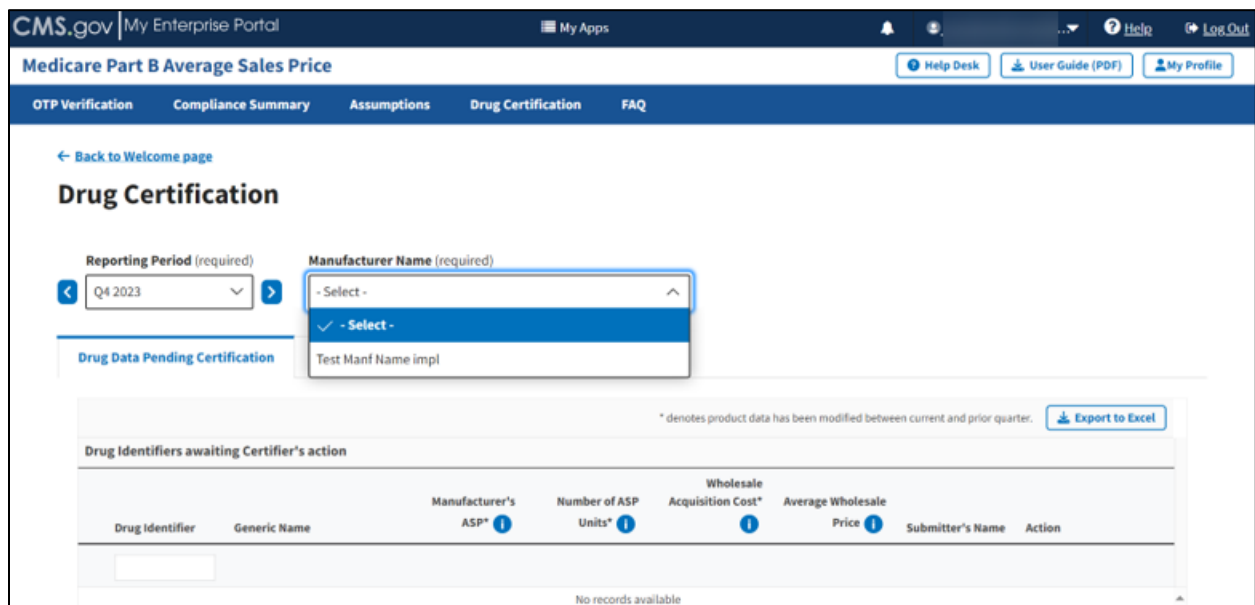

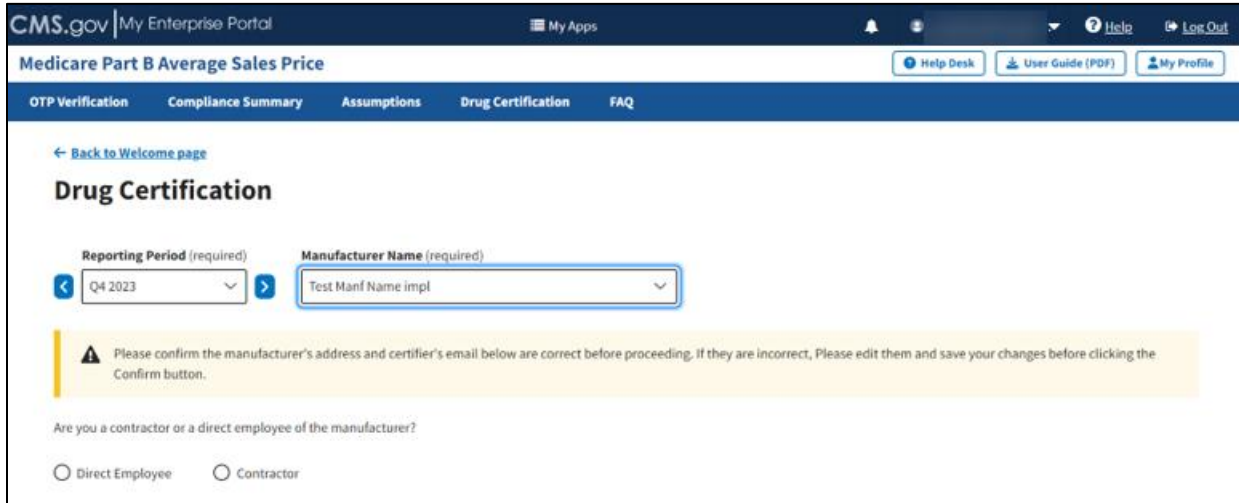

Figure 36: Drug Certification - Manufacturer Name

3. Select the appropriate manufacturer name.  
The page displays two new radio buttons asking you to confirm if you are certifying as a direct employee or contractor. Refer to *Figure 37*.

**Figure 37: Drug Certification - Direct Employee or Contractor**

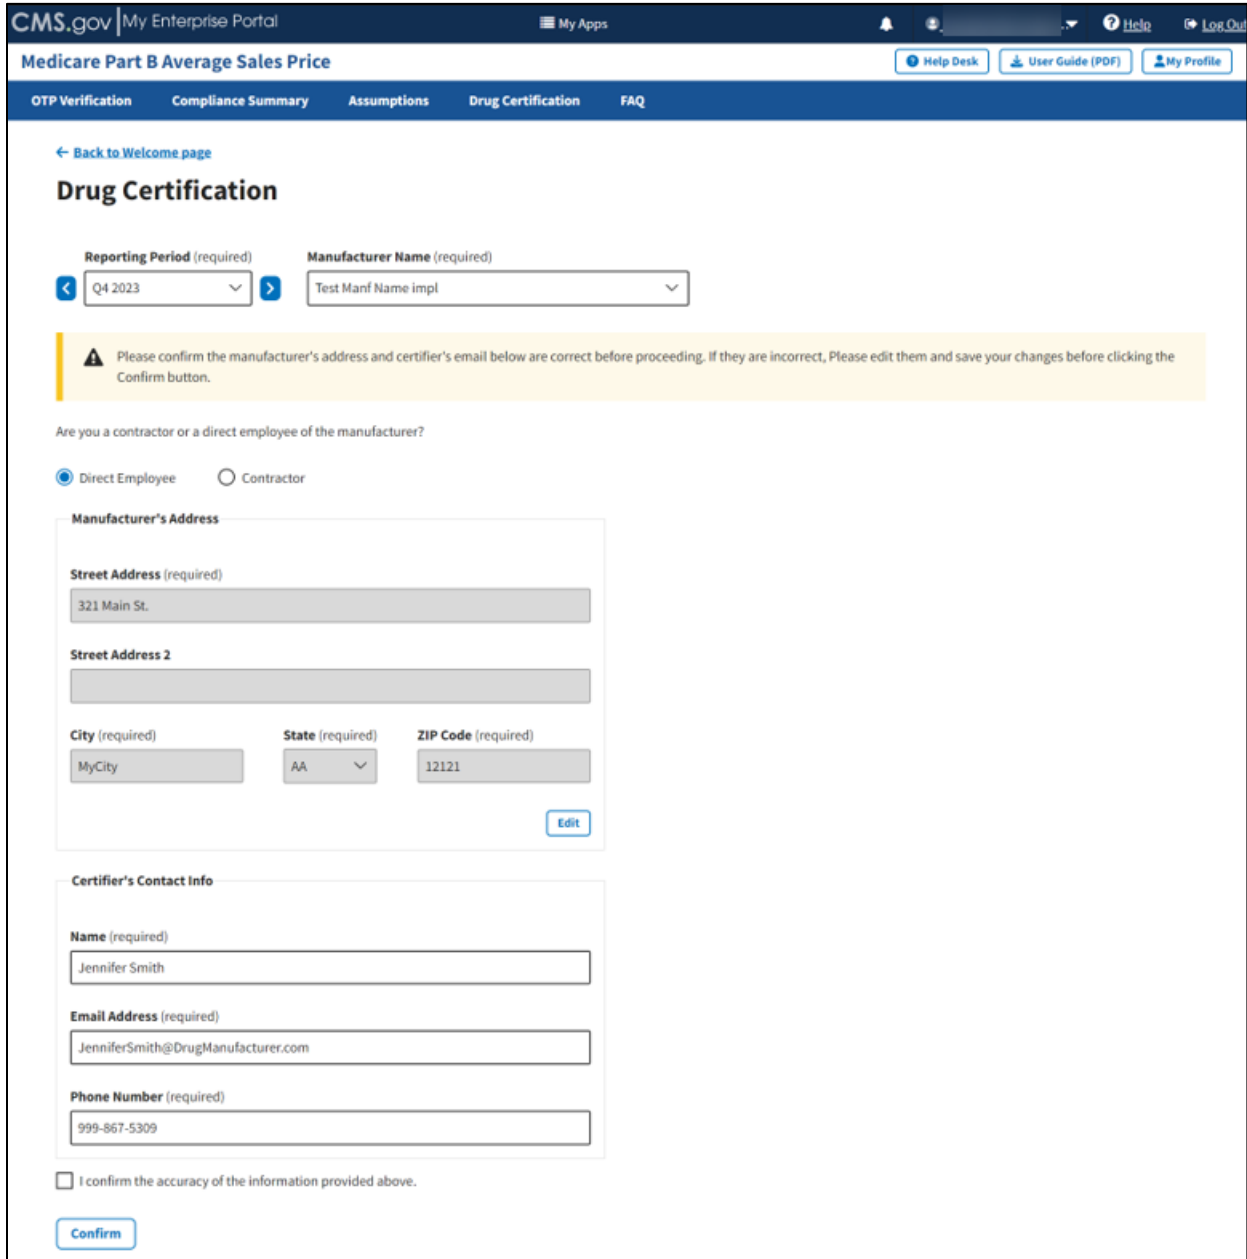

**Note:** In the updated ASP Data Collection System, CMS requests verification of your contact information prior to certifying data.

The following sections describe how to complete the drug certification process as a direct employee or contractor.

### 3.5.1 Direct Employee

Follow these steps to complete the drug certification process as a direct employee:

1. Click the **Direct Employee** radio button.  
New fields display asking for more information about the manufacturer's address and contact information.
2. Enter or select the required information as follows:
  - a. Enter the street address in the **Street Address (required)** field.
  - b. Enter the street address in the **Street Address Line 2 (optional)** field, if necessary.
  - c. Enter the city in the **City (required)** field.
  - d. Enter the state in the **State (required)** field.
  - e. Enter the ZIP code in the **ZIP Code (required)** field.
  - f. Enter the name in the **Name (required)** field.
  - g. Enter the email address in the **Email Address (required)** field.
  - h. Enter the phone number in the **Phone Number (required)** field.
3. Click the **Edit** button under **Manufacturer's Address and Certifier's Contact Info** if you need to correct information already populated in a field. Refer to *Figure 38*.

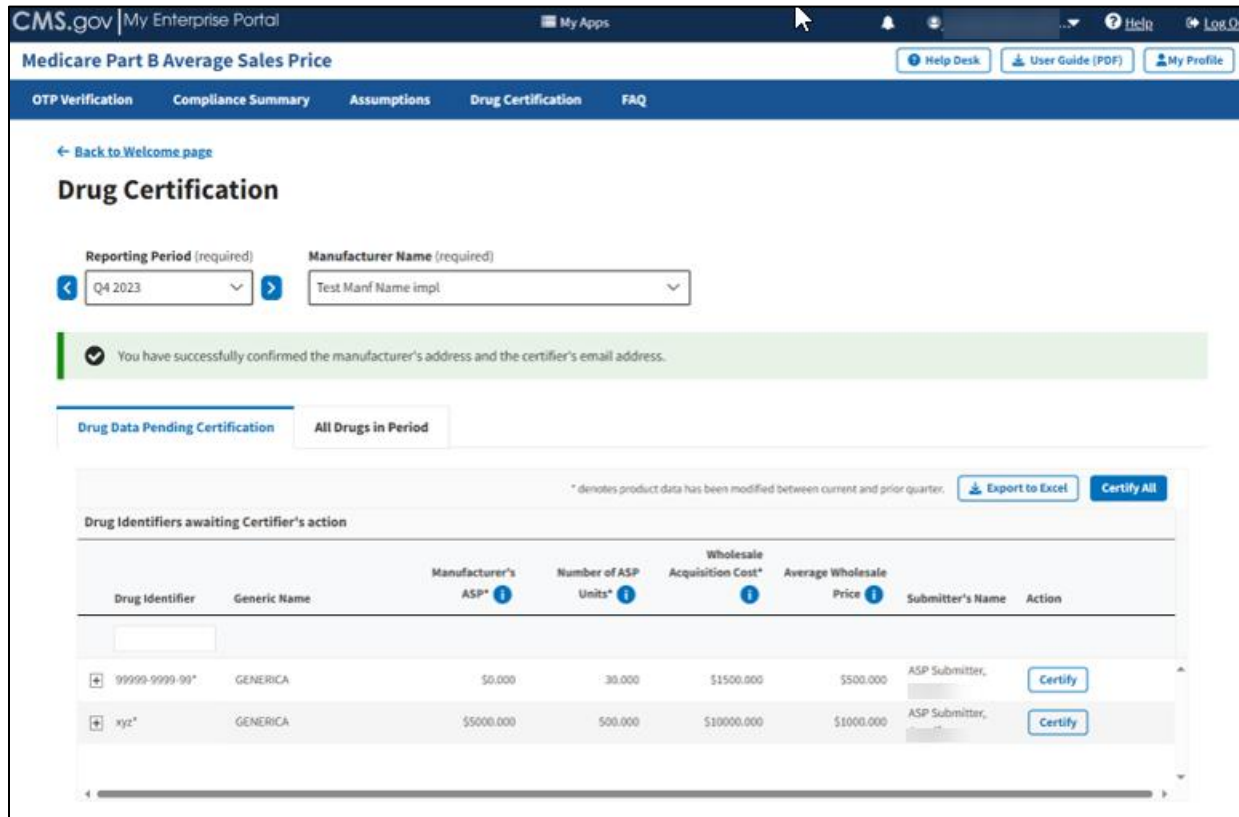

The screenshot shows the 'Drug Certification' page on the CMS.gov My Enterprise Portal. The page title is 'Medicare Part B Average Sales Price'. The navigation bar includes 'OTP Verification', 'Compliance Summary', 'Assumptions', 'Drug Certification', and 'FAQ'. The main content area is titled 'Drug Certification' and includes a 'Back to Welcome page' link. The form contains the following fields and options:

- Reporting Period (required):** A dropdown menu set to 'Q4 2023'.
- Manufacturer Name (required):** A text input field containing 'Test Manf Name impl'.
- Warning:** A yellow box with a warning icon stating: 'Please confirm the manufacturer's address and certifier's email below are correct before proceeding. If they are incorrect, Please edit them and save your changes before clicking the Confirm button.'
- Are you a contractor or a direct employee of the manufacturer?:** Radio buttons for 'Direct Employee' (selected) and 'Contractor'.
- Manufacturer's Address:**
  - Street Address (required):** Text input field containing '321 Main St.'
  - Street Address 2:** Empty text input field.
  - City (required):** Text input field containing 'MyCity'.
  - State (required):** Dropdown menu set to 'AA'.
  - ZIP Code (required):** Text input field containing '12121'.
  - Edit:** A button to edit the address information.
- Certifier's Contact Info:**
  - Name (required):** Text input field containing 'Jennifer Smith'.
  - Email Address (required):** Text input field containing 'JenniferSmith@DrugManufacturer.com'.
  - Phone Number (required):** Text input field containing '999-867-5309'.
- Confirmation:** A checkbox labeled 'I confirm the accuracy of the information provided above.' is currently unchecked.
- Confirm:** A button to submit the certification.

**Figure 38: Drug Certification - Direct Employee - Fields Populated**

- Once you complete the fields, select the **I confirm the accuracy of the information provided above** checkbox; click **Confirm and Save**.

A message displays confirming you have successfully confirmed the manufacturer's address and certifier's email address. Refer to *Figure 39*.

### 3.5.2 Contractor

Follow these steps to complete the drug certification process as a contractor:

1. Click the **Contractor** radio button.
 

New fields display asking for more information about the manufacturer's address, your manufacturer's point of contact (POC), and your contact information.
2. Enter or select the required information as follows:
  - a. Enter the street address in the **Street Address (required)** field.
  - b. Enter the street address in the **Street Address Line 2 (optional)** field, if necessary.
  - c. Enter the city in the **City (required)** field.
  - d. Enter the state in the **State (required)** field.
  - e. Enter the ZIP code in the **ZIP Code (required)** field.
  - f. Enter the point of contact name in the **Point of Contact's Name (required)** field.
  - g. Enter the point of contact email address in the **Point of Contact's Email Address (required)** field.
  - h. Enter the point of contact phone number in the **Point of Contact's Phone Number (required)** field.
  - i. Enter the certifier name in the **Certifier's Name (required)** field.
  - j. Enter the certifier email address in the **Certifier's Email Address (required)** field.
  - k. Enter the certifier phone number in the **Certifier's Phone Number (required)** field.

- Click the **Edit** button under **Manufacturer's Address**, **Point of Contact Info**, and **Certifier's Contact Info** if you need to correct information already populated in a field. Refer to *Figure 40*.

Are you a contractor or a direct employee of the manufacturer?

Figure 41: Drug Certification - Contractor Confirmation

### 3.5.3 Drug Data Pending Certification

Follow these steps to complete the drug data certification process and certify your products:

1. Confirm that your preferred drug product is selected under **Manufacturer Name (required)** field on the Drug Certification homepage. Refer to *Figure 41* and *Figure 42*.

**Note:** Click the **Reporting Period (required)** tab in the top left to scroll through previous quarters. Use the drop-down to navigate to a previous quarter starting with the most recent quarter.

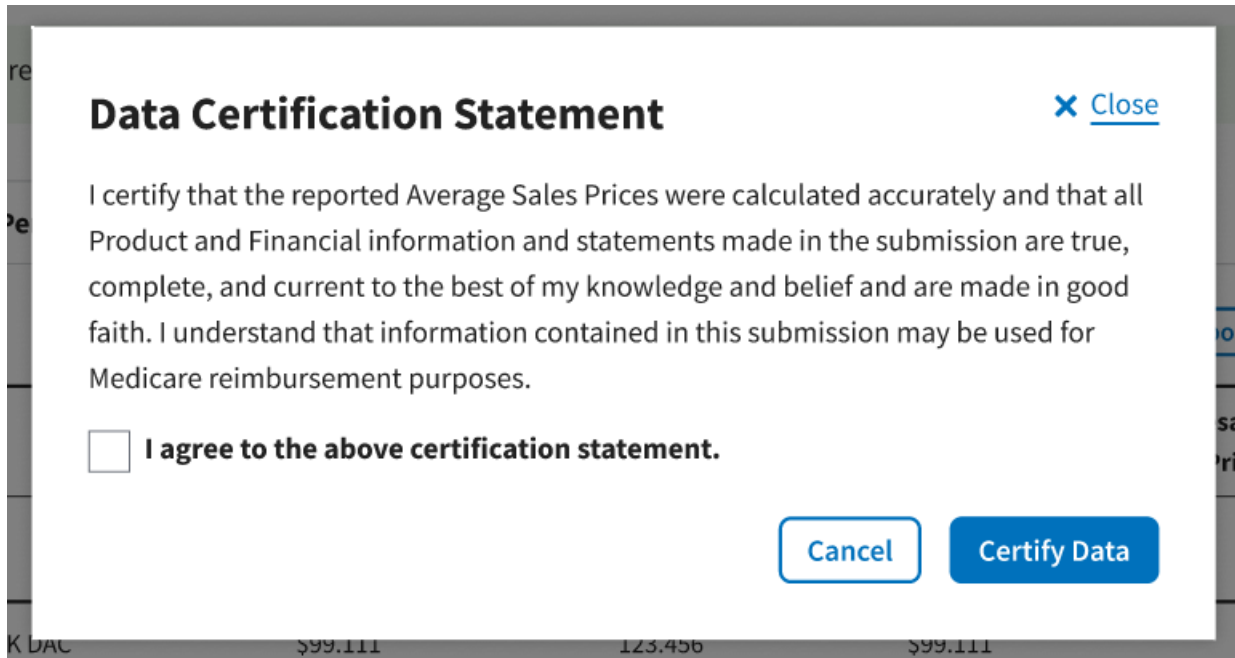

The Module displays the **Drug Data Pending Certification** tab by default. (Click the tab if the Module does not automatically open the page to the default setting.)

This page also lists all drug products by **Drug Identifier** and **Generic Name** as well as **Manufacturer's ASP**, **Number of ASP Units**, **Wholesale Acquisition Cost**, **Average Wholesale Price**, and **Action**. Refer to *Figure 42*.

Figure 42: Drug Data Pending Certification

**Note:** Click the **Export to Excel** box to download the information on this page into an Excel file.

2. Click the plus symbol on each row of the table to expand each product's information and view additional drug product fields, such as **Brand Name**, **First Marketing Date**, **Volume per Item**, and all other information the Submitter previously reported. Refer to *Figure 42*.
3. Select the drug product and click the **Certify** box to open a new Data Certification Statement. Refer to *Figure 43*.

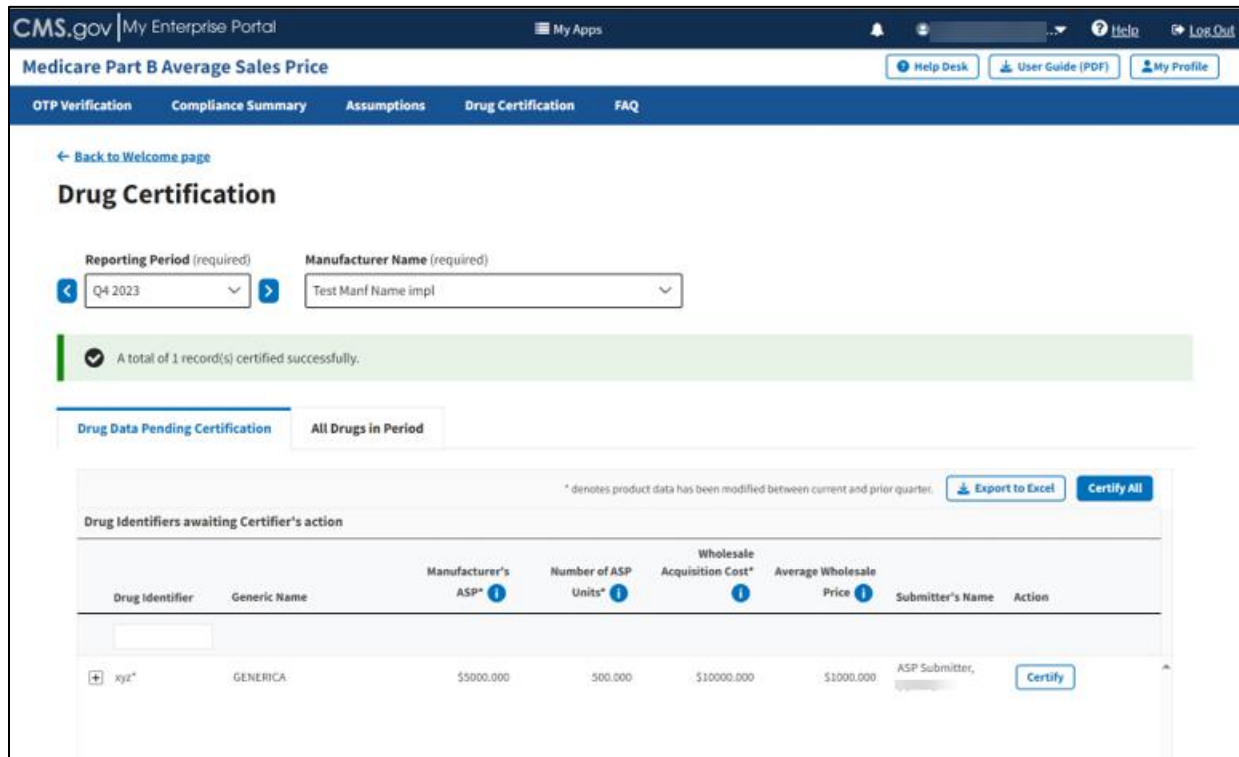

The image shows a dialog box titled "Data Certification Statement" with a "Close" button in the top right corner. The main text reads: "I certify that the reported Average Sales Prices were calculated accurately and that all Product and Financial information and statements made in the submission are true, complete, and current to the best of my knowledge and belief and are made in good faith. I understand that information contained in this submission may be used for Medicare reimbursement purposes." Below this text is a checkbox followed by the text "I agree to the above certification statement." At the bottom right of the dialog box are two buttons: "Cancel" and "Certify Data".

**Figure 43: Data Certification Statement**

4. Read the statement; select the I agree to the above certification statement checkbox and select **Certify Data** to confirm approval of the submitted data.

A message displays confirming you have successfully certified the drug data. Refer to *Figure 44*.

**Figure 44: Data Certification - Confirmation Message**

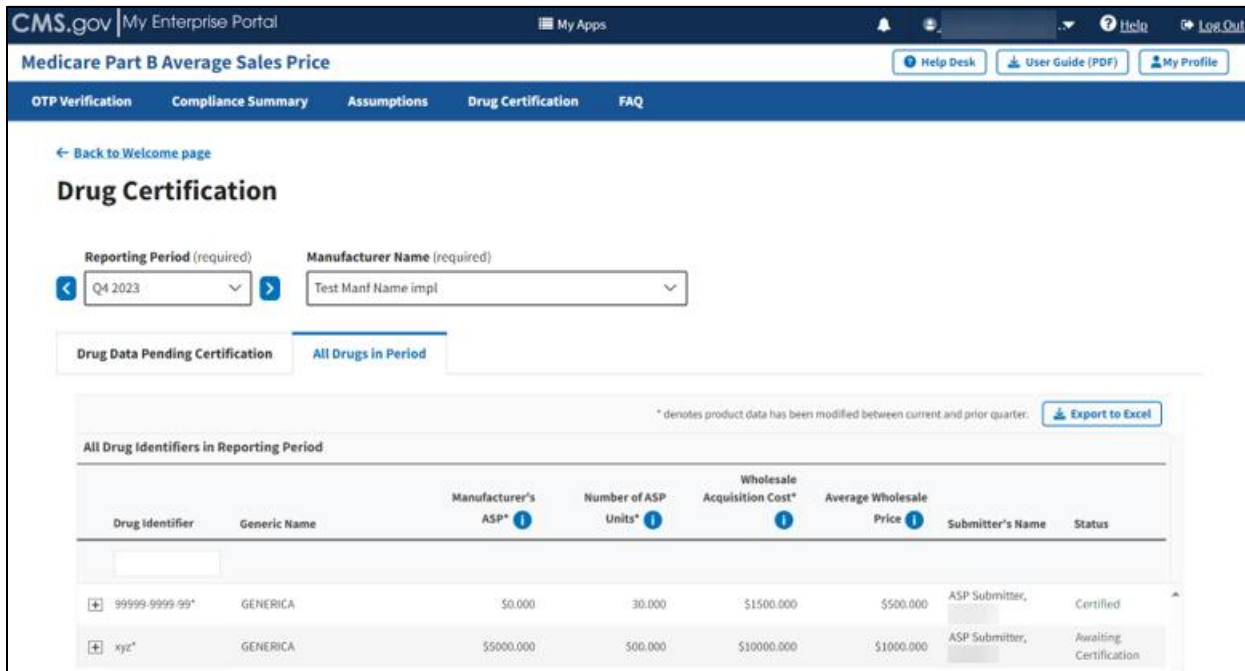

**Note:** Click the **Export to Excel** box to download the information on this page into an Excel file.

- Continue this process for each individual drug product until all your products have been certified. Click **Certify All** to certify all products at the same time.

### 3.5.4 All Drugs in Period

Follow these steps to review all drug products and biologicals for the current reporting period:

- From the **Drug Certification** homepage, click the **All Drugs in Period** tab.  
The **All Drugs in Period** page opens. Refer to *Figure 45*.

Reporting Period (required): Q4 2023  
 Manufacturer Name (required): Test Manf Name impl

Drug Data Pending Certification | All Drugs in Period

\* denotes product data has been modified between current and prior quarter. [Export to Excel](#)

Drug Identifier	Generic Name	Manufacturer's ASP*	Number of ASP Units*	Wholesale Acquisition Cost*	Average Wholesale Price	Submitter's Name	Status	
+	99999-9999-99*	GENERICA	50.000	30.000	\$1500.000	\$500.000	ASP Submitter,	Certified
+	xyz*	GENERICA	\$5000.000	500.000	\$10000.000	\$1000.000	ASP Submitter,	Awaiting Certification

**Figure 45: Drug Certification - All Drugs in Period**

This page lists all drug products the Submitter entered for the current reporting period. The Module organizes the full list by **Drug Identifier and Generic Name, the Manufacturer's ASP, the Number of ASP Units, the Wholesale Acquisition Cost, the Average Wholesale Price, and Status.**

**Note:** Click the **Export to Excel** box to download the information on this page into an Excel file.

- Click the plus symbol on each row of the table to expand each product's information and view additional Drug Product data fields, such as **Brand Name, First Marketing Date, Volume per Item**, and all other information the Submitter previously reported.
- Review the information for accuracy.
- Return to the **Compliance Summary** tab to review your certified products after they have undergone drug certification. Refer to *Section 3.2.3 - Certified*.

## 4. Technical Support Contact Information

Contact the FFSDCS (ASP) Application Helpdesk for issues such as:

- Account unlock
- Password reset
- Registration process questions
- System availability escalations

*Table 1* provides contact information for technical support.

**Table 1: Technical Support Contacts**

Email Address	Phone Number	Hours
<a href="mailto:ASPHelpDesk@dcca.com">ASPHelpDesk@dcca.com</a>	1-844-876-0765	9:00 a.m. to 6:00 p.m. Eastern Standard Time (EST), Monday through Friday

## Appendix A: Field Definitions

Table 2 provides an overview of field definitions for this document.

**Table 2: Field Definitions**

Column/Field Name	Format	Allowed/Sample Values	Required/Optional	Notes
Manufacturer Name	Alphanumeric	Maximum of 250 characters	Required	<ul style="list-style-type: none"> <li>When entering product data for the same Manufacturer more than once, be sure the spelling matches.</li> <li>Special characters (comma, dash, period) allowed.</li> </ul>
NDC1	5-digit number	e.g., 12345	Required	<ul style="list-style-type: none"> <li>First segment of the National Drug Code (NDC) that identifies the labeler. Products that do not have an NDC should only use the Alternate ID column.</li> <li>Not required if the product has an Alternate ID.</li> <li>Leading zero allowed.</li> </ul>
NDC2	4-digit number	e.g., 1234	Required	<ul style="list-style-type: none"> <li>Not required if the product has an Alternate ID.</li> <li>The NDC2 is the sixth through the ninth digits of the 11-digit NDC that identifies the product.</li> </ul>
NDC3	2-digit number	e.g., 12	Required	<ul style="list-style-type: none"> <li>Not required if the product has an Alternate ID.</li> <li>The NDC3 is the last two digits of the 11-digit NDC that identify the package size.</li> </ul>
Alternate ID	alphanumeric	maximum of 23 characters	Required	<ul style="list-style-type: none"> <li>Not required if the product has an NDC. Must match product ID exactly as listed publicly on the manufacturer's website.</li> <li>Special characters (colon, dash, period) allowed.</li> </ul>
Alternate ID Website URL	NA	e.g., <a href="http://www.medicare.gov">http://www.medicare.gov</a>	NA	Must have http:// or https:// prefix.

Column/Field Name	Format	Allowed/Sample Values	Required/Optional	Notes
Brand Name	Alphanumeric	Maximum of 250 characters	Optional	Enter strength and package size in their respective fields unless it is a part of the registered brand name.
Generic Name	Alphanumeric	Maximum of 250 characters	Required	Refer to valid values in Generic Name.
Volume Per Item	Numeric	NA	Required	For Alternate ID, report the volume amount in one item. (For instance, enter 10 for 10 ml in one vial, and enter 1 for powders, sheets, or patches.)
Unit for Volume per Item	NA	NA	NA	See valid value in Unit of Volume per Item. For example, for Alternate ID, select EACH for powders, sheets, or patches.
Number of Items Per NDC or Alternate ID	Numeric	Maximum of 9 digits and 2 decimal places	Required	<ul style="list-style-type: none"> <li>For NDCs: Indicates the number units within the NDC package (for instance, enter 5 for 5 vials in a package).</li> <li>For Alternate IDs: Indicates the number of units within the Alternate ID. (for instance, enter 5 for 5 grafts in a package).</li> </ul>
Package Type	Alphanumeric	2 characters	Required	Enter SD, MD, or NA. (SD = Single dose, MD = Multi dose, NA = Not Applicable)
Strength	Numeric	e.g., 300	Required	NA
Unit for Strength	NA	NA	NA	See valid values in Unit for Strength
FDA Application Number/Registration Number	Alphanumeric	Maximum of 6 characters	Required	<ul style="list-style-type: none"> <li>Enter FDA Application Number for NDCs and Registration Number for Alternate IDs.</li> <li>Enter Facility Registration Number for Human Cells, Tissues, and Cellular and Tissue-Based Products (HCT/Ps).</li> </ul>
FDA Application Supplement Number	Alphanumeric	Maximum of 9 characters	Optional	NA

Column/Field Name	Format	Allowed/Sample Values	Required/Optional	Notes
Additional FDA Application Number #1	Alphanumeric	Maximum of 6 characters	Optional	NA
Additional FDA Application Supplement Number #1	Alphanumeric	Maximum of 9 characters	Optional	NA
Additional FDA Application Number #2	Alphanumeric	Maximum of 6 characters	Optional	NA
Additional FDA Application Supplement Number #2	Alphanumeric	Maximum of 9 characters	Optional	NA
FDA Approval/Registration Date	MM/DD/YYYY	e.g., 01/01/2023	Required	Must be prior to the current submission period start date.
FDA Approval Type	NA	NA	Required	Refer to valid values in FDA Approval Type.
First Marketing Date	MM/DD/YYYY	e.g., 01/01/2023	Required	<ul style="list-style-type: none"> <li>• Must be on or after the FDA Approval Date.</li> <li>• Must be prior to the current submission period start date. If the date is after the current submission period start date, it must be submitted as an off-cycle submission.</li> <li>• <b>NDC:</b> For drugs marketed under an FDA-approved application (e.g., Abbreviated New Drug Application (ANDA), Biologics License Application (BLA), New Drug Application (NDA)), the earliest date the drug was first marketed under the application number by any labeler. If a drug was purchased or otherwise acquired from another labeler, the First Marketing Date should be equal to the First Marketing Date of the original product.</li> </ul>

Column/Field Name	Format	Allowed/Sample Values	Required/Optional	Notes
First Marketing Date (continued)	MM/DD/YYYY	e.g., 01/01/2023	Required	<ul style="list-style-type: none"> <li>• <b>Alternate ID:</b> For products marketed under an FDA-approved application/registration (e.g., 510(k), HCT/P, Premarket Approval (PMA)), the earliest date the product was first marketed under the application/registration number by any labeler. If a product was purchased or otherwise acquired from another labeler, the date should be equal to the First Marketing Date of the original product.</li> </ul>
Date of First Sale for this Product	MM/DD/YYYY	e.g., 01/01/2023	Required	<ul style="list-style-type: none"> <li>• Must be after the First Marketing Date.</li> <li>• Must be prior to the current submission reporting period start date unless it is an off-cycle submission.</li> <li>• <b>NDC:</b> The date of first sale of individual NDCs.</li> <li>• <b>Alternate ID:</b> The date of first sale of individual Alternate IDs.</li> </ul>

## Appendix B: Revision History

Table 3 provides a revision history for this document.

**Table 3: Revision History**

Version Number	Date	Author/Editor	Description of Change
1.0	03/15/2024	Index Analytics/DCCA	Initial version of ASP Data Collection System Certifier User Guide
2.0	08/08/2025	Index Analytics/DCCA	<ul style="list-style-type: none"> <li>Updated <i>Figure 9</i> and <i>Figure 12</i> based on updates to the ASP Data Collection System.</li> <li>Made various font, grammatical, punctuation, shading, formatting, date, version, pagination, glossary, and alignment corrections.</li> </ul>

## Appendix C: Glossary

Table 4 presents a list of terms, acronyms, and definitions in this document.

**Table 4: Glossary**

Expanded Form	Acronym/Term	Definition
510(k)	NA	A 510(k) submission is the mechanism through which the majority of medical devices obtain U.S. marketing clearance. Such devices include catheters, contact lenses, and absorbable sutures.
Abbreviated New Drug Application	ANDA	An ANDA is an application for a U.S. generic drug approval for an existing licensed medication or approved drug. Authorized generics do not require ANDAs.
Average Sales Price	ASP	ASP refers to the price at which an organization typically sells a certain class of good or service. CMS uses manufacturer-reported ASPs, based on manufacturers' actual quarterly drug sales, to calculate provider payment amounts for these drugs. Federal law defines the price.
Biologics License Application	BLA	A BLA is used to request permission to introduce or deliver a biologic product into interstate commerce.
Center for Medicare Management	CMM	The CMM oversees the fee-for-service Medicare program.
Centers for Medicare & Medicaid Services	CMS	CMS is a federal agency within the U.S. Department of Health and Human Services that administers the Medicare program and works in partnership with state governments to administer Medicaid, the State Children's Health Insurance Program, and health insurance portability standards.
Consolidated Appropriations Act, 2021	CAA	The CAA establishes protections for consumers related to surprise billing and transparency in health care. The No Surprises Act (NSA) is part of the CAA.
Eastern Standard Time	EST	EST is the standard time in the 5th time zone west of Greenwich, reckoned at the 75th meridian. This time zone is in the eastern part of the United States.
Fee-for-Service Data Collection System	FFSDCS	The FFSDCS is an instrument to collect cost, revenue, utilization, and other information for FFS claims.
Human Cells, Tissues, and Cellular Products	HCT/P	HCT/Ps include human cells or tissue intended for implantation, transplantation, infusion, or transfer into a human recipient. The FDA Center for Biologics Evaluation and Research (CBER) regulates HCT/Ps.
Interactive Voice Response	IVR	IVR is a technology that allows a computer to detect voice and DTMF keypad inputs.

Expanded Form	Acronym/Term	Definition
Medicare	NA	Medicare is the federal system of health insurance for people over 65 years of age and for certain younger people with disabilities.
Medicare Part B	NA	Medicare Part B is the part of Medicare that covers doctor services, outpatient hospital care, and other medical services that Part A does not cover such as physical and occupational therapy, X-rays, medical equipment, or limited ambulance service.
Multifactor Authentication	MFA	MFA is a security system that implements more than one form of authentication to verify the legitimacy of a transaction.
National Drug Code	NDC	The NDC is a code set that identifies the vendor (manufacturer), product, and package size of all drugs and biologics the FDA recognizes.
New Drug Application	NDA	An NDA is the vehicle through which drug sponsors formally propose that the FDA approve a new pharmaceutical drug for sale and marketing.
Okta	NA	Okta is an enterprise-grade, identity management service, built for the cloud, but compatible with many on-premises applications.
One-Time Password	OTP	An OTP is a password that is valid for only one login session or transaction.
Point of Contact	POC	The POC identifies the key person or group serving as the coordinator on a given project.
Premarket Approval	PMA	PMA is the FDA process of scientific and regulatory review to evaluate the safety and effectiveness of Class III medical devices. Such devices include implants, ventilators, and pacemakers.
Short Message Service	SMS	SMS is a text messaging service component of phone, web, or mobile communication systems. It uses standardized communication protocols to allow fixed-line or mobile phone devices to exchange short text messages.
Social Security Act	SSA	The SSA is a law that provides income to retired workers aged 65 or older.
