**Privacy Act Statement
Collection and Use of Personal Information**

Section 1860D-14(a)(3) of the Social Security Act, as amended, allows us to collect this information, which we will use to obtain account records from a financial institution to review the accuracy of the eligibility and subsidy amount of Medicare Part D benefits. Providing the information is voluntary, but not providing all or part of the information may prevent an accurate and timely decision on Medicare Part D benefits eligibility or continuing eligibility. As law permits, we may use and share the information you submit, including with other Federal agencies, contractors, and others, as outlined in the routine uses within System of Records Notice 60-0321, available at www.ssa.gov/privacy. The information you submit may also be used in computer matching programs for Federal benefits eligibility or to recoup debts under these programs.
