It is obvious that Grizzly Bears need protecting!!! I RESENT, OPPOSE ANY agency using lethal methods as "management" I am mortified that Wild Animals like Grizzlies that have been revered and loved by Millions are being cruelly shot from helicopters in Alaska-When I read about these actions-I am sickened that there are such cruel, violent, evil individuals among Us. I believe that anyone who could do such things is a serious danger to society-they are sadistic, demented, and vile-there is NO place for this type of assault on Wildlife and the Majority of Americans RESENT the use of violence on innocent Animals that are struggling to survive due to Humans! We are experiencing the Worlds' highest extinction rate-with ecosystems collapsing-which has serious consequences for ALL of Us that are still entirely unknown-Grizzlies help keep other species in balance and also help distribute seeds throughout the forests that help regrowth of those forests-providing food and shelter for birds, and other wildlife. They also help fertilize that soil with the remains of Salmon carcasses-which also provide food for scavenging Animals. I also RESENT the FACT that MY hard earned Tax money is being used for those helicopters, the ammunition and to pay the cretins that shoot these Animals-I believe that anyone who could do such things IS a serious threat to society-they are sick, demented, evil-there are very clear links to Animal abuses-NO matter how it's justified or titled and domestic abuse, Child abuse, homicides, serial killings and mass shootings!! This behavior should be RED flags-NOT used or considered "acceptable"!!!!!! STOP KILLING GRIZZLY BEARS they MUST BE PUT BACK ON THE ENDANGERED SPECIES LIST-YOU ARE ROGUE! These Animals are beloved by Millions & are icons of the Wild-PROTECT THEM!!! STOP KILLING THEM-YOU WILL BE FIRED IN A BLUE WAVE THAT WILL FLIP CONGRESS & CHANGE THIS COUNTRY FOR THE BETTER!!!!!! The violence, indifference, destruction MUST END!!!!!! THE PEOPLE WILL MAKE IT HAPPEN!!!!!!
