What Is the Purpose of Form I-956G?

This form is used by approved regional centers to provide required information, certifications, and evidence to support their continued eligibility for regional center designation. Each approved regional center must file Form I-956G, Regional Center Annual Statement, for each Federal fiscal year (October 1 through September 30) on or before December 29 of the calendar year in which the Federal fiscal year ended.

A Designated Regional Center	
With a designation letter dated:	Must file Form I-956G and submit the appropriate annual fee:
On/before September 30	On/before December 29 of the same calendar year
On/after October 1	On/before December 29 of the following calendar year

Failure to file Form I-956G in a timely manner for each Federal fiscal year in which the regional center has been designated to participate in the Regional Center Program (the “Program”) may result in sanctions, including the termination of the regional center’s designation. U.S. Citizenship and Immigration Services (USCIS) will review each statement and will notify the regional center should the statement be deficient or if USCIS otherwise determines that amendment or supplement of the statement is appropriate.
