What Is the Purpose of Form N-400?

Form N-400, Application for Naturalization, is an application to become a naturalized U.S. citizen.

List of General Eligibility Requirements

In general, you may apply for naturalization when you meet **all** the requirements to become a U.S. citizen. The following general eligibility requirements apply to most naturalization applicants (for more information about each of these requirements and exceptions, see the **Specific Instructions by Item Number** below):

1. You are at least **18 years of age** when you file;
2. You have been a lawful permanent resident of the United States for at least 5 years;
3. You have demonstrated continuous residence in the United States for at least 5 years;
4. You have lived in the U.S. state or U.S. Citizenship and Immigration Services (USCIS) district where you claim residence for at least 3 months before filing;
5. You have demonstrated physical presence in the United States for at least 30 months (913 days);

6. You demonstrate good moral character;
7. You demonstrate an attachment to the principles of the U.S. Constitution;
8. You demonstrate a basic knowledge of U.S. history and government (also known as “civics”) as well as an ability to read, write, speak, and understand basic English; **and**
9. You are willing to take the Oath of Allegiance to the United States, and you are well disposed to the good order and happiness of the United States.

Also see the **Naturalization Eligibility Tool**, available at

<https://www.uscis.gov/citizenship-resource-center/learn-about-citizenship/naturalization-eligibility>.

Early Filing

If you are applying based on lawful permanent residence for 5 years, you may generally file your application up to 90 days before meeting the required 5-year period of continuous residence as a lawful permanent resident. If you are applying based on your marriage to a U.S. citizen, you may generally file up to 90 days before meeting the required 3-year period of continuous residence as a lawful permanent resident.

However, applicants filing up to 90 days before meeting the continuous residence requirement must still meet all other requirements for naturalization at the time of filing Form N-400. If these requirements are not met at the 90-day period, the applicant must wait to file until the requirement is met, otherwise, the application will be rejected or denied. For example:

1. If you are applying under the Immigration and Nationality Act (INA) section 319(a) as the spouse of a U.S. citizen, you must have been married to a U.S. citizen for at least 3 years at the time you file Form N-400. See the **Eligibility Based on Marriage to a U.S. Citizen** section in the **Specific Instructions by Item Number, Part 5., Item Numbers 5.a. - 5.b.** section of these Instructions for information on applying as the spouse of a U.S. citizen; or
2. If you request an exception to the English testing requirements, you must meet the requirements for the exception (age and years as a lawful permanent resident) when you file Form N-400. See the **Naturalization Testing and Exceptions** section in the **Specific Instructions by Item Number, Part 2., Item Number 11.** of these Instructions for more information about exceptions to the English testing requirements.

You can use the USCIS Early Filing Calculator to ensure that you file your Form N-400 no earlier than 90 days before you complete the required period. Visit the USCIS website at www.uscis.gov/early-filing-calculator. We will reject your application if you submit it too early.

General Instructions for Filing Form N-400

We provide free forms through the USCIS website. To view, print, or complete our forms, you should use the latest version of Adobe Reader, which you can download for free at <http://get.adobe.com/reader/>.

You can find additional helpful resources and free study materials for the English and civics requirements at www.uscis.gov/citizenship.

Signature. You (or your signing authority) must properly complete your application. USCIS will not accept a stamped or typewritten name in place of any signature on this application. If you are under 14 years of age, your mother, father or legal guardian may sign the application on your behalf. A legal guardian, surrogate, or designated representative may sign for a person who is unable to understand or communicate an understanding of the Oath of Allegiance because of a physical or developmental disability or mental impairment. If your application is not signed, or if the signature is not valid, we will reject your application. See 8 CFR 103.2(a)(7)(ii)(A). If USCIS accepts a request for adjudication and determines that it has a deficient signature, USCIS will deny the request.

Validity of Signatures. USCIS will consider a photocopied, faxed, or scanned copy of an original, handwritten signature as valid for filing purposes. The photocopy, fax, or scan must be of the original document containing the handwritten ink signature.

Filing Fee. See Form G-1055, available at www.uscis.gov/forms, for specific information about the fees applicable to this form.

Evidence. When you file your application, you must submit all evidence and supporting documents at the time of filing; however, USCIS may accept evidence you provide at your interview. See each part of the **Specific Instructions by Item Number** for the specific evidence required.

Biometric Services Appointment. USCIS may require you to appear for an interview and provide biometrics (fingerprints, photograph, and/or signature) at any time to verify your identity, obtain additional information, and conduct background and security checks, including a check of criminal history records maintained by the Federal Bureau of Investigation (FBI), before making a decision on your application or petition. If we determine that a biometric services appointment is necessary, we will send you an appointment notice with the date, time, and location of your appointment. If you are currently overseas, your notice will instruct you to contact a U.S. Embassy, U.S. Consulate, or USCIS office outside the United States to set up an appointment.

At your biometrics appointment, you must sign an oath reaffirming that:

1. You provided or authorized all information in the application;
2. You reviewed and understood all of the information contained in, and submitted with, your application; and
3. All of this information was complete, true, and correct at the time of filing.

If you do not attend your biometric services appointment, we may deny your application.

Photograph Requirements for Applicants Residing Outside the United States

Certain applicants for naturalization may be eligible for naturalization even though they reside outside the United States, including current members of the U.S. armed forces, their spouses, former members of the U.S. armed forces who served during a designated period of hostilities, and spouses of U.S. citizens working for a qualified employer outside the United States. If you are applying from outside the United States because you are in one of those categories, you **must** submit two identical color passport-style photographs of yourself taken recently.

The photos must have a white to off-white background, be printed on thin paper with a glossy finish, and be unmounted and unretouched. The photos must be 2 by 2 inches with a full face, frontal view. Head height should measure 1 to 1 3/8 inches from the top of your hair to the bottom of your chin, and eye height should measure between 1 1/8 and 1 3/8 inches from the top of your eyes to the bottom of the photo. Your head must be bare unless you are wearing headwear required by your religious denomination. Using a pencil or felt pen to lightly print your name and A-Number (if any) on the back of the photos.

Copies. You should submit legible photocopies of requested documents unless the Instructions specifically instruct you to submit an original document. USCIS may request an original document at any time during our process. If we request an original document from you, we will return it to you after USCIS determines it no longer needs the original.

NOTE: If you submit original documents when they are not required or requested, **USCIS may destroy them after we receive them.**

Translations. If you submit a document with information in a foreign language, you must also submit a full English translation. The translator must sign a certification that the English language translation is complete and accurate, and that he or she is competent to translate from the foreign language into English. The certification must also include the translator’s signature, printed name, the signature date, and the translator’s contact information.

USCIS Contact Center. For additional information on the application and Instructions about where to file, change of address, and other questions, visit the USCIS Contact Center at www.uscis.gov/contactcenter or call **800-375-5283** (TTY **800-767-1833**). The USCIS Contact Center provides information in English and Spanish.

Disability Accommodations/Modifications. To request a disability accommodation/modification, follow the instructions on your appointment notice or at www.uscis.gov/accommodationsinfo.

How To Complete Form N-400

1. Type or print legibly in black ink.
2. If you need extra space to complete any item within this application, use the space provided in **Part 14. Additional Information**. Type or print your name and A-Number (if any), at the top of each sheet; indicate the **Page Number**, **Part Number**, and **Item Number** to which your answer refers; and sign and date each sheet.
3. Answer all questions fully and accurately. If a question does not apply to you (for example, if you have never been married and the question asks “Provide the name of your current spouse”), type or print “N/A” unless otherwise directed. If your answer to a question that requires a numeric response is zero or none (for example, “How many children do you have” or “How many times have you departed the United States”), type or print “None” unless otherwise directed.
4. Avoid highlighting, crossing out, or typing or printing outside the area provided for a response. If you must make substantial corrections to your Form N-400, USCIS recommends that you start a new Form N-400 rather than using correction tape or fluid to correct the information. Our scanners may see through the white correction tape or fluid. This may lead to incorrect information being captured in our systems, which may cause processing delays or a rejection of your Form N-400.
5. Provide your A-Number (if any), on the top right corner of each page. Your A-Number is located on your Permanent Resident Card (Green Card, formerly known as the Alien Registration Card). The A-Number on your card consists of a seven- to nine-digit number, depending on when your record was created. If the A-Number on your card has fewer than nine digits, place enough zeros before the first number to make a total of nine digits on Form N-400. For example, type or print number A1234567 as A001234567 or type or print number A12345678 as A012345678. The A-Number may be located on the front or back of your card, depending on when the card was issued.
6. Your application must be properly completed, signed, and filed. You must include **all** pages when you file Form N-400, even if the pages are blank. A photocopy of the original application is acceptable as long as all signatures on the application are handwritten. USCIS will not accept a stamped or typewritten name in place of a signature.

Specific Instructions by Item Number

This application is divided into **15** parts.

Part 1. Information About Your Eligibility

Item Numbers 1.A. - 1.G. Select the box of naturalization eligibility that applies to you. **Select only one box to identify your eligibility.** If you select more than one box or if you do not select any boxes, your Form N-400 may be delayed or rejected.

1.A. General Provision. Select this box if you have been a lawful permanent resident (LPR) of the United States for at least 5 years.

1.B. Spouse of U.S. Citizen. Select this box if you seek to naturalize based on your marriage to a U.S. citizen. Generally, to qualify for naturalization based on marriage to a U.S. citizen, you must have been a lawful permanent resident for at least 3 years. For more information see **Specific Instructions by Item Number, Part 5., Item Numbers 5.a. - 5.b.**

1.C. VAWA. Select this box if you are a person who obtained LPR status as the spouse or child of a U.S. citizen who was subjected to battery or extreme cruelty and seek to naturalize under the spousal provision without having to live in marital union for at least 3 years. For more information see **Specific Instructions by Item Number, Part 5., Item Numbers 5.a. - 5.b.**

1.D. Spouse of U.S. Citizen in Qualified Employment Outside the United States. Select this box if you seek to naturalize based on your U.S. citizen spouse working for a qualified employer outside the United States (INA section 319(b)). For more information see **Specific Instructions by Item Number, Part 5., Item Number 8.**

If your residential address is outside the United States and you are filing under this option, select the USCIS field office where you would like to have your naturalization interview. You can find your USCIS district at www.uscis.gov/field-offices.

1.E. Military Service during Period of Hostilities. Select this box if you seek to naturalize based on honorable service in active duty or in the Selected Reserve of the Ready Reserve of the U.S. armed forces during a designated period of hostilities. If you were in the United States or certain other specified areas at the time of enlistment, reenlistment, extension of enlistment, or induction, you may apply for naturalization without LPR status. See *Eligibility and Evidence for Current and Former Members of the U.S. Armed Forces* in **Specific Instructions by Item Number, Part 9., Item Numbers 23. - 29.** for more information.

1.F. At Least One Year of Honorable Military Service at Any Time. Select this box if you seek to naturalize based on at least 1 year of honorable service in the U.S. armed forces at any time. See *Eligibility and Evidence for Current and Former Members of the U.S. Armed Forces* in **Specific Instructions by Item Number, Part 9., Item Numbers 23. - 29.** for more information.

Part 2. Information About You (Person applying for naturalization)

Item Number 1. Your Current Legal Name (do not provide a nickname). Your current legal name is the name on your birth certificate unless it changed after birth by a marriage, divorce, or court order.

Required Evidence - Name Change

Provide documentation if your name changed - for example, marriage certificate, divorce decree, or court order.

Item Number 2. Other Names You Have Used Since Birth. Provide all other names you have ever used, including aliases, maiden name, family name at birth, assumed names, nicknames, and alternate spellings or variations of names. Include any names used in previous immigration applications, petitions, or removal proceedings; any names provided to immigration officers, U.S. Customs and Border Protection, or U.S. Immigration and Customs Enforcement; and any names used in any Federal, state, or local criminal arrests, citations, or proceedings. Include the first, middle, and last name for each additional name used. If you need extra space to complete this section, use the space provided in **Part 13. Additional Information.**

Item Number 3. Name Change (Optional). A court can allow you to change your name when you naturalize. Any name change you request on this application will not be final until you are naturalized by the court. If you want the court to change your name at your naturalization ceremony, select “Yes” and provide the requested information to complete this section. You do not need to request a name change if your legal name has already changed through marriage, divorce, or other court order.

We cannot process name change requests for members of the military, or their spouses, who are seeking naturalization outside of the United States.

Item Number 4. USCIS Online Account Number (if any). You will only have a USCIS Online Account Number (OAN) if you previously filed a form that has a receipt number that begins with IOE. If you filed the form online, you can find your OAN in your account profile. If you mailed us the form, you can find your OAN at the top of the Account Access Notice we sent you. If you do not have a receipt number that begins with IOE, you do not have an OAN. The OAN is not the same as an A-Number.

Item Number 5. Sex. Indicate whether you are male or female as provided on your birth certificate issued at the time of birth or issued closest to the time of birth or in secondary evidence you provided to USCIS, if applicable.

Item Number 6. Date of Birth (mm/dd/yyyy). In addition to providing your actual date of birth, include any other dates of birth you have ever used, including dates used in connection with any legal names or non-legal names in the space provided in **Part 13. Additional Information**. Provide your date of birth in this order: Month, Day, Year. Use eight numbers to show your date of birth in the mm/dd/yyyy format. We will reject your Form N-400 if you do not provide your date of birth.

Item Number 7. Date You Became a Lawful Permanent Resident. If you are a lawful permanent resident, provide the official date when your permanent residence began, as shown on your Permanent Resident Card (Green Card, formerly known as the Alien Registration Card). Provide the date in this order: Month, Day, Year. Use eight numbers to show the date you became a lawful permanent resident in the mm/dd/yyyy format. We may reject your application if you are a lawful permanent resident and do not provide the date you became a lawful permanent resident.

We need both your A-Number (USCIS Number) and your permanent resident date (if applicable) to process your application. Where applicable, if you do not have this information, you should contact the USCIS Contact Center at www.uscis.gov/contactcenter to obtain this information before you file your Form N-400.

Lawful Admission for Permanent Residence

In general, you must show that you have been lawfully admitted to the United States for permanent residence in accordance with all applicable provisions of the Immigration and Nationality Act (INA) in effect at the time of your admission or adjustment. This requirement applies to your initial admission as a lawful permanent resident (LPR) or adjustment to LPR status, as well as all subsequent reentries into the United States.

In addition, you must show that you have not abandoned your LPR status. If you leave the United States and demonstrate you no longer intend to reside in the United States, that is abandoning LPR status.

Time as a Lawful Permanent Resident

In general, you must be a lawful permanent resident for 5 years before applying for naturalization unless you are:

- A U.S. noncitizen national (person born in American Samoa or Swains Island) (not required to be a lawful permanent resident);
- Applying for naturalization based on service in the U.S. armed forces (see the **Specific Instructions by Item Number, Part 9., Item Numbers 23. - 29.** in these Instructions for more information);
- Applying for naturalization based on being a spouse of a U.S. citizen (see the **Specific Instructions by Item Number, Part 5., Item Numbers 5.a. - 5.b.** in these Instructions for more information), including the spouse of a U.S. citizen in qualified employment outside the United States (see the **Specific Instructions by Item Number, Part 5., Item Number 8.** in these Instructions for more information); or
- Applying for naturalization under the Violence Against Women Act (VAWA) based on being a spouse or child of a U.S. citizen who battered you or subjected you to extreme cruelty (see the **Specific Instructions by Item Number, Part 5., Item Numbers 5.a. - 5.b.** in these Instructions for more information).

Conditional Permanent Residents

If you are a conditional permanent resident, you must file Form I-751, Petition to Remove Conditions on Residence, or Form I-829, Petition by Investor to Remove Conditions on Permanent Resident Status, within 90 days before your conditional permanent resident status expires, unless you can establish good cause and extenuating circumstances for failing to file Form I-751 or Form I-829 during that time period. In most cases, you must have an approved Form I-751 or Form I-829 before we can approve your application for naturalization.

Military members applying under INA section 329 and certain spouses of U.S. citizens employed outside the United States by qualified organizations under INA section 319(b) do not need an approved Form I-751 or Form I-829.

Item Number 8. Country of Birth. Type or print the name of the country in which you were born. Use the name of the country at the time of your birth, even if the name of the country has changed.

Item Number 9. Country of Citizenship or Nationality. Type or print the current name of the country of which you are currently a citizen or national. If the country's name has changed, type or print the current name of the country. If you are stateless, type or print the name of the country, as it currently exists, where you were last a citizen or national. If you are a citizen or national of more than one country, type or print the name of the foreign country that issued your last passport in this **Item Number**. Provide information about additional countries of citizenship or nationality using **Part 13. Additional Information**.

Item Number 11. Disability Exceptions to Testing. Select "Yes" if you are requesting an exception to the English language test or civics test or both based on a physical or developmental disability or mental impairment that prevents you from complying with the English language or civics requirements for naturalization.

Naturalization Testing and Exceptions

Almost all applicants for naturalization must take a naturalization test to demonstrate that they are able to read, write, speak, and understand English, and that they have a basic knowledge of civics (U.S. history and government). You do not have to take the English reading, writing, speaking, and understanding test, and you can take the civics test in a language of your choice if at the time you file your application:

- You are 50 years of age or older and have been a lawful permanent resident for at least 20 years; or
- You are age 55 years of age or older and have been a lawful permanent resident for at least 15 years.

If you are 65 years of age or older and have been a lawful permanent resident for at least 20 years, you may take a simplified version of the civics test. For additional information about the test, please visit www.uscis.gov/citizenship.

You may be eligible for an exception to the English language test or civics test or both if you have a physical or developmental disability or mental impairment that has lasted, or is expected to last, 12 months or more. If you are requesting a medical exception to the English language and civics tests, answer "Yes" to **Part 2., Item Number 11.** in Form N-400 and submit a completed Form N-648, Medical Certification for Disability Exceptions (available at www.uscis.gov/N-648) with your Form N-400.

If you need an interpreter and you qualify for an exception to the English part of the test, you must bring an interpreter to the interview. For additional information on who may qualify as an interpreter, see Policy Manual Volume 12, Citizenship and Naturalization, Part B, Naturalization Examination, Chapter 3, Naturalization Interview (available at www.uscis.gov/policy-manual/volume-12-part-b-chapter-3).

Required Evidence - Disability Exceptions

If you answer "Yes" to **Part 2., Item Number 11.**, you must provide a completed Form N-648, Medical Certification for Disability Exceptions (available at www.uscis.gov/N-648) when you file your Form N-400. Submitting Form N-648 does not guarantee we will exempt you from the testing requirements.

Legal Guardian, Surrogate, or Designated Representative

If you cannot undergo any part of the naturalization process because of a physical or developmental disability or mental impairment, you may have a legal guardian, a surrogate, or an eligible designated representative complete the naturalization process for you.

Required Evidence - Legal Guardian, Surrogate, or Designated Representative

1. Provide a court order authorizing the legal guardian or surrogate to exercise authority over the applicant's affairs. In the absence of a court ordered legal guardian or surrogate, an authorized designated representative who is the primary custodial caregiver and who takes responsibility for the applicant can serve as the designated representative. The family member must provide documentation to establish a familial relationship between the applicant and the designated representative, as well as proof that the designated representative is the primary custodial caregiver and takes responsibility for the applicant.
2. If unable to take the Oath, you may provide a completed and signed Form N-648, Medical Certification for Disability Exceptions. Alternatively, you may provide a written evaluation by an authorized medical professional.

Item Numbers 12.a. - 12.c. Social Security Update. If you want the Social Security Administration (SSA) to issue you an original Social Security card or issue a replacement Social Security card and update your immigration status, then answer "Yes" to both **Item Numbers 12.a.** and **12.c.**, which gives your consent for USCIS to provide your information to the SSA. If you want a replacement card, you must enter the SSN from your card in **Item Number 12.b.** If you provide your Consent for Disclosure in **Item Number 12.c.**, then if USCIS approves your application and you take the Oath of Allegiance, we will provide information from your application and USCIS systems, including your immigration status, to the SSA. The SSA may assign you an SSN and issue you an original or replacement Social Security card. The SSA will also update your immigration status to that of U.S. citizen after you take the Oath of Allegiance.

If you request a name change as part of Form N-400, USCIS will send your updated name to the SSA.

You are not required to request a Social Security card using this application. However, you must have a Social Security Number (SSN) properly assigned in your name to work in the United States.

If your employer uses E-Verify to confirm new employees' eligibility to legally work in the United States, the information you provide on Form I-9, Employment Eligibility Verification, will be compared to data in SSA and Department of Homeland Security (DHS) databases. Employees must have an SSN in order for E-Verify to confirm their eligibility to legally work in the United States. For information about privacy, see the **Social Security Administration Privacy Act Statement** in the **DHS Privacy Notice** section of the Instructions.

Part 3. Biographic Information

Provide the biographic information requested in **Item Numbers 1. - 6.** of this part. Item Number 1. Physical Addresses

You must provide a physical address so that USCIS can schedule your biometric and interview appointments at the correct location.

If you are currently homeless, you can indicate “homeless” in the Physical Address field; however, you will need to provide the city or town, state, ZIP code, and province and country (if you live outside the United States) where you live. You can then use Form G-1145, e-Notification of Application/Petition Acceptance, to request notification by text or email confirming receipt of your Form N-400.

If you are a victim of domestic violence, you are not required to disclose the confidential address of a shelter or safe house. If you are currently residing in a shelter or safe house or have resided in a shelter or safe house for part of the reporting period, you may provide just the name of the city and state of residence for the shelter or safe house in **Part 4., Item Number 1.** If we need further clarification, we will ask at the interview.

Item Numbers 2. and 3. Mailing Address

If your mailing address is not the same as your current physical address or if you did not provide a complete physical address, you must provide a current mailing address. We will use your mailing address to mail notices. If you do not provide a current, complete, and valid mailing address, we may reject your Form N-400.

If you are residing in a shelter or safe house at the time of filing this application or you otherwise do not feel safe providing your current mailing address, you may provide a “safe address” where you are able to receive mail in **Part 4., Item Number 3.** You may provide a post office box (P.O. Box) or the address of a friend, your attorney, a community-based organization that is helping you, or any other address where you can safely and timely receive mail.

If you reside outside of the United States, are applying under INA section 319(b), and you want us to collect your biometrics in the United States, you must provide an address in the United States. We will send a letter to your U.S. mailing address notifying you when and where to go for your biometric services appointment.

Continuous Residence

If you are required to demonstrate lawful permanent residence, you must establish that you did not break the continuity of your residence in the United States. You can see what information we require about your travel in **Part 8. Time Outside the United States**.

“Continuous residence” means that you have not been outside the United States for a long period of time. Generally:

1. If you are applying based on being a lawful permanent resident, the continuous residence requirement is at least 5 years; or
2. If you are applying based on being a spouse to a U.S. citizen, or if you are applying based on obtaining status as a lawful permanent resident as the spouse or child of a U.S. citizen who battered you or subjected you to extreme cruelty (INA section 319(a)), the continuous residence requirement is at least 3 years.

To establish continuous residence in the United States, you must demonstrate that you have maintained your residence in the United States for the entire time within the 3- or 5-year period.

The USCIS officer will review your travel history and documents during your naturalization interview to determine if you meet this requirement. You will not meet the continuous residence requirement if you left the United States, without our approval, for a continuous period of 1 year or more during your required continuous residence period or after you filed your Form N-400. (See the **Preserving Continuous Residence** table and the **Preserving Residence Through Form N-470** section below.)

If you were absent for more than 6 months but less than 1 year, you must demonstrate that you did not break the continuity of your residence in the United States.

Some factors indicating that you did not break the continuity of your residence are:

1. You did not terminate your employment in the United States or work while outside the United States;
2. Your immediate family remained in the United States during your absence; or
3. You retained full access to your home residence in the United States.

Residence in the Commonwealth of the Northern Mariana Islands on or after November 28, 2009, is considered continuous residence within the United States for naturalization purposes.

Required Evidence - Continuous Residence

If you have taken any trips outside the United States that lasted more than 6 months but less than 1 year, provide evidence that you maintained your continuous residence in the United States. For example:

1. Internal Revenue Service (IRS) tax transcripts listing tax information relevant to your absence for the last 5 years (or 3 years if you are applying on the basis of marriage to a U.S. citizen);
2. Rent or mortgage statements, or pay statements;
3. Bank, credit card, or loan statements showing regular transactions;
4. Proof of car registration and insurance;
5. Your passport showing entry and exit stamps; or
6. Any other document that shows that you maintained your residence in the United States.

The **Preserving Continuous Residence** table below lists some common circumstances under which you may be eligible to count time residing outside the U.S. as residence in the United States for naturalization purposes.

Preserving Continuous Residence

Your Employer or Vocation	Continuous Residence Requirement
U.S. Government employee or contractor outside the United States.	You may preserve your continuous residence by filing Form N-470.
Employee or contractor of an American institution of research.	You may preserve your continuous residence by filing Form N-470.
Qualified American firm or corporation.	You may preserve your continuous residence by filing Form N-470.
Employee of a public international organization of which the United States is a member by a treaty or statute and by which the applicant was not employed until after becoming a lawful permanent resident.	You may preserve your continuous residence by filing Form N-470.
Employee of a U.S. nonprofit organization that principally promotes the interests of the United States outside the United States through the communications media.	You are exempt from the continuous residence requirement.
Interpreter, translator, or security-related position (executive or manager) employed by or under contract with the Chief of Mission (Department of State) or U.S. armed forces.	Your entire period outside the United States may count as continuous residence in the United States if you engaged in qualifying employment for any portion of the period outside the United States.
Employed in religious duties outside the United States.	The time you resided outside the United States in a religious vocation may count as residence in the United States if you file Form N-470 at any time before you file the N-400, even after you return to the United States.

NOTE: Approval and use of a Reentry Permit or Refugee Travel Document for extended absences does not preserve continuous residence for naturalization purposes.

Preserving Residence Through Form N-470

If you were absent for 1 year or more during the period when continuous residence is required while working in qualified employment outside the United States, you generally must have an approved Form N-470, Application to Preserve Residence for Naturalization Purposes, to preserve your continuous residence. For additional information, see the Form N-470 Instructions at www.uscis.gov/N-470.

3-Month Residency in a USCIS District or U.S. State

In general, you must have resided in the same USCIS district or the same U.S. state for at least 3 months before filing Form N-400. Please refer to **Part 4. Information About Your Residence** of Form N-400 for what information we require about your address history.

You can find your USCIS district at www.uscis.gov/field-offices.

Residence of Students

Lawful permanent resident students who are eligible for naturalization may apply for naturalization either in the USCIS district where they go to school or in the USCIS district where their parents live if they are still financially dependent on their parents.

Physical Presence

Certain applicants must meet physical presence requirements in the United States. Physical presence refers to the number of days you must be physically present in the United States during the period of continuous residence required before you file Form N-400.

In general, you must have been physically present in the United States for a period or periods totaling at least half of the required continuous residence period. We will count the day that you depart from the United States and the day you return as days of physical presence within the United States for naturalization purposes.

The table below lists some common bases of eligibility for naturalization, and if applicable, how long a person eligible under those provisions must have been present in the United States. Please refer to **Part 8. Time Outside the United States** of Form N-400 regarding what information we require about your travel history.

Physical Presence Requirements

Basis of Eligibility for Naturalization	Physical Presence Requirements
You have been a lawful permanent resident for 5 years (general provision).	30 months (913 days) during the past 5 years.
You are the spouse of a U.S. citizen.	18 months (548 days) during the past 3 years.
You were a member of the U.S. armed forces for at least 1 year, but did not serve during a designated period of hostilities and separated from service more than 6 months before applying for naturalization. NOTE: Time spent outside the United States in the U.S. armed forces counts as time spent in the United States.	30 months (913 days) during the past 5 years.

Basis of Eligibility for Naturalization	Physical Presence Requirements
<p>You are a U.S. Government employee or contractor outside the United States.</p> <p>NOTE: You are exempt from this requirement if you have an approved Form N-470. You must have had 1 year of uninterrupted physical presence before you filed Form N-470.</p>	<p>30 months (913 days) during the past 5 years.</p>
<p>You are employed outside the United States in a religious vocation.</p> <p>NOTE: Time outside the U.S. with an approved Form N-470 counts as time in the United States. <p>You are employed by or under contract with the Chief of Mission (Department of State) or the U.S. armed forces as an interpreter, translator, or in a security-related position (executive or manager).</p> <p>NOTE: Your entire period outside the United States may count as physical presence in the United States if you are engaged in qualifying employment for any portion of the period outside the United States.</p>	<p>30 months (913 days) during the past 5 years.</p>
<p>You are a U.S. national.</p> <p>NOTE: Time in American Samoa or Swains Island counts as time in the United States.</p>	<p>30 months (913 days) during the past 5 years.</p>

There is no physical presence requirement (and no requirement to file Form N-470) if you are applying as:

1. A currently serving member of the U.S. armed forces or a former service member who separated from service within 6 months of applying for naturalization;
2. A former service member who served in an active-duty status in the U.S. armed forces or as a member of the Selected Reserve of the Ready Reserve during a designated period of hostilities;
3. The spouse of a U.S. citizen currently residing outside the United States, if your spouse is employed outside the U.S. in a religious vocation or by the U.S. Government, an American institution of research, certain American firms or corporations, or certain public international organizations; or
4. An employee of a U.S. nonprofit organization that principally promotes the interests of the United States outside the United States through the communications media.

Required Evidence - Tax Transcripts

You should bring your IRS tax transcripts to your interview, especially if you have traveled outside the United States for a period that lasted more than 6 months.

Part 9. Additional Information About You

Your answers to the questions in this Part of Form N-400 will help to determine whether you meet the standards for good moral character. Some of the questions in this Part also relate to national security, your attachment to the principles of the U.S. Constitution, and other requirements for naturalization.

Good Moral Character

Good Moral Character (GMC) means character that measures up to the standards of average citizens of the community in which the applicant resides. In general, an applicant must show that he or she has been and continue to be a person of GMC during the required period (for example, 5 years if you are applying based on 5 years as a lawful permanent resident or 3 years if you are applying as the spouse of a U.S. citizen) prior to filing and up to the time of the Oath of Allegiance.

Item Numbers 1. - 2. You may not qualify for naturalization if you previously claimed you were a U.S. citizen or you unlawfully voted in the United States in a Federal, state, or local election. However, voting in a local election will not render an applicant ineligible for naturalization if the applicant was eligible to vote under the relevant law.

Item Numbers 3. - 4. If you have failed to pay taxes as required, we may determine that you lack good moral character. See www.irs.gov to determine whether you were required to file a tax return.

Required Evidence - Taxes

Tax transcripts are not required for every case. If you have any Federal, state, or local taxes that are overdue, provide:

1. IRS tax transcripts for the past 5 years, or 3 years if filing for naturalization on the basis of marriage to a U.S. citizen;
2. A signed agreement from the IRS or state or local tax office showing you have filed a tax return and have arranged to pay the taxes you owe; and
3. Documentation from the IRS or state or local tax office showing the current status of your repayment program.

NOTE: Go to www.irs.gov for information on how to obtain copies of your tax documents.

Item Numbers 5.a. - 5.b. Current or previous membership in certain organizations may indicate lack of good moral character, unlawful admission, or lack of attachment to the principles of the U.S. Constitution or indicate that you are not well disposed to the good order and happiness of the United States. The term “world communism” means a revolutionary movement, the purpose of which is to establish eventually a Communist totalitarian dictatorship in any or all the countries of the world through the medium of an internationally coordinated Communist political movement. The term “Communist Party” includes the organization now known as the Communist Party of the United States of America, the Communist Party of any state or foreign state or subdivision thereof, and any unit or subdivision of any such organization

Item Numbers 15.a. - 16. Committing certain crimes may make you ineligible for naturalization. Report all offenses that you have committed, including any offenses involving solicitation, domestic violence, or driving under the influence, any offenses that have been expunged (removed from your record) or for which you received a pardon, and any offenses that happened before you reached 18 years of age. If you do not tell us about these offenses, you may be denied naturalization even if the original offense was not a crime for which we would deny your application.

We will not approve a naturalization application while you are on probation, on parole, or under a suspended sentence. You should provide court evidence showing that your probation, parole, or suspended sentence has ended.

Crimes and Offenses Evidence

If any of the required records listed below are unavailable, provide original or certified confirmation that the record is not available from the applicable law enforcement agency or court. Note that unless a traffic incident was alcohol or drug related, led to an arrest, or seriously injured another person, you do not need to submit documentation of traffic incidents.

You may provide photocopies with your application. **You must bring originals or court-certified copies to your interview.**

Item Numbers 30.a. - 30.b. Hereditary Titles and Orders of Nobility. Most people do not have a foreign hereditary title or order of nobility. If you do have a hereditary title or order of nobility, the law requires you to renounce this title as part of your naturalization ceremony to become a U.S. citizen. In **Item Number 30.b.** of Form N-400 you must affirm you are ready to do so.

Item Numbers 31. - 37. Answer questions about the Constitution, form of Government of the United States, and the Oath of Allegiance to the United States.

Oath of Allegiance

If USCIS approves your application, you must take the Oath of Allegiance to become a U.S. citizen. In limited cases, you may take a modified Oath.

Modification to the Oath

You may request a modification to portions of the Oath requiring you to bear arms on behalf of the United States or perform noncombatant service in the U.S. armed forces if you have a religious or conscientious objection to those portions. You may not request a modification to the portion of the Oath requiring you to perform work of national importance under civilian direction. You may provide, but we do not require, an attestation from an organization, a witness statement, or any other evidence to support your objection to bear arms or perform noncombatant service.

Affirmation

You may request to substitute the words “solemnly affirm” for the words “on oath” and omit “so help me God.” You may request this affirmation instead of an Oath for any reason without documentation.

Oath Waiver

You may receive a waiver of the Oath of Allegiance if you are unable to understand or to communicate an understanding of the meaning of the Oath because of a physical or developmental disability or mental impairment.

If you indicate that you are unable to take the Oath because of a physical or developmental disability or mental impairment, see the **Legal Guardian, Surrogate, or Designated Representative** section in **Specific Instructions by Item Number, Part 2., Item Number 11.** of these Instructions.

For additional information on the Oath of Allegiance, see Policy Manual Volume 12, Citizenship and Naturalization, Part J, Oath of Allegiance (available at www.uscis.gov/policy-manual/volume-12-part-j).

See the **Legal Guardian, Surrogate, or Designated Representative** section in **Specific Instructions by Item Number, Part 2., Item Number 11.** for additional information. A stamped or typewritten name in place of a signature is not acceptable.

Part 12. Contact Information, Declaration, and Signature of the Person Preparing this Application, if Other Than the Applicant

Item Numbers 1. - 6. The person who completed your application, if other than the applicant, must sign this section. If the same individual acted as your interpreter and your preparer, then that person should complete both **Part 11.** and **Part 12.** A stamped or typewritten name in place of a signature is not acceptable.

Part 13. Additional Information

Do not complete this part. The USCIS officer will ask you to complete this part at your interview.

See the **Oath of Allegiance** section in the **Specific Instructions by Item Number, Part 9., Item Numbers 31. - 37.** section of these Instructions.
