SUPPLEMENTARY INFORMATION:

Under the PRA of 1995, Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. This request for comment is being made pursuant to Section 3506(c)(2)(A) of the PRA.

With respect to the following collection of information, CFM invites comments on: (1) whether the proposed collection of information is necessary for the proper performance of CFM's functions, including whether the information will have practical utility; (2) the accuracy of CFM's estimate of the burden of the proposed collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or the use of other forms of information technology.

Title: CFM Stakeholder Feedback Survey.

OMB Control Number: **2900-0931**.

Type of Review: Revision of a currently approved collection.

Abstract: The Office of Construction & Facilities Management (CFM) Stakeholder Feedback Survey collects information for all of CFM's lines of business: major construction and major leases. Respondents are members of project teams, and the information is related to how well the teams are performing. The purpose of the Stakeholder Feedback Survey Program is to improve project team performance across CFM's lines of business covered by the survey.

Respondents include federal employees in the Department of Veteran Affairs throughout CFM, Veterans Health Administration, and National Cemetery

Administration, as well as U.S. Army Corps of Engineers construction management teams. The survey also collects information from members of private contractors associated with the projects described above (e.g., architecture/engineering, construction, developers/lessors). Respondents provide feedback on the performance of the technical sub-teams with whom they have worked on a particular project.

The survey uses a set of ten questions to collect the information on team performance, plus two open-ended questions that address what is going well and concerns. The survey is delivered via email with a link to an online collection instrument. Advance notice and reminder emails are used to encourage participation.

The survey is administered by Stakeholder Feedback Survey team. Raw data is seen and handled only by members of this team. Summary results are provided to CFM leadership via dashboard designed to administer the survey.

Affected Public: Members of private contracting firms associated with the projects described above (e.g., architecture/engineering, construction, developers/lessors) are asked to complete the survey.

Estimated Annual Burden: 73 hours.

Estimated Average Burden Per Respondent: 8 minutes.

Frequency of Response: Team members of Major Construction and Major Leasing projects are asked to complete the survey twice a year for the duration of the project.

Estimated Number of Respondents: 544.

Authority: 44 U.S.C. 3501 et seq.
